摘要

本报告以党的十八届五中、六中全会和省委十一届七次、八次会议精神为指导,系统、科学地研究了2016年册亨县县域经济社会运行的主要问题,报告对2016年册亨县经济社会运行的热点问题进行了深入分析,如:册亨县经济社会发展形势分析与预测、扶贫模式、扶贫经验、易地扶贫搬迁、农村一二三产业融合发展、电子商务产业发展、深加工业发展模式、生态农业发展、民族文化旅游资源开发、南北盘江流域生态资源与生态产业融合发展、石漠化治理、林业资源保护与生态扶贫示范区建设、水生态文明建设,以及从文明行动、平安保障、宜居环境、健康扶贫等方面对册亨县进行了专题研究。

报告指出 2016 年是册亨县经济社会发展取得辉煌成就的一年,综合经济实力跃上新台阶,地区生产总值完成 417600 万元,同比增长 15.6%。其中:第一产业 129729 万元,增长 7.3%,第二产业 48231 万元,增长 16.2%,第三产业 239640 万元,增长 19.8%;固定资产投资完成 327616 万元,增长 24.6%;全部工业增加值完成 47000 万元,增长 14.5%;城镇居民人均可支配收入完成 24596 元,增长 12.1%;农村居民人均可支配收入完成 6852 元,增长 13.31%;社会消费品零售总额完成 28284 万元,增长 13.1%。报告还预测了 2017 年册亨县经济社会运行情况,指出随着册亨县经济实力的增强、发展环境的优化、社会治理的加强、后发优势的培育、社会事业的改善,加上国家、省、州等多重战略及政策的延伸,必将产生政策叠加效应,为取得更大更好的成效提供强力支撑。

扶贫开发成效显著。册亨县委县政府紧紧围绕国家战略部署,结合县情扎实推进扶贫开发工作,制定扶贫开发的中长期规划和行动目标,通过

精心组织领导、完善扶贫开发的各项制度举措,紧紧围绕精准扶贫、科学治贫、有效脱贫的工作主线,坚持打好"六大攻坚战",不断加大扶贫攻坚的推进力度,取得了巨大成绩。

经济发展稳步加速。电子商务产业发展初步成型,深加工产业和生态农村发展提速,民族文化旅游资源开发稳步推进,尤其是推动农村一二三产业融合发展成效显著,为册亨县经济综合实力全面提升打下了良好基础。

生态文明与经济协调推进力度加大,科技创新进一步增强。册亨县不断地夯实农业发展的基础地位,加快推进工业发展,不断提升了第三产业,确立了以生态立县、搭建绿色发展平台,以特色富县、促进产业深度融合,以城镇带县、推进经济协同发展和科技创新等,尤其是南北盘江流域生态资源与生态产业融合发展、石漠化治理、水生态文明与生态扶贫示范区建设等取得了显著成效。

社会建设取得新成效。立足于县情,在县委县政府领导下大力推进 "文明册亨""平安册亨""宜居册亨"和"健康册亨"建设,为册亨县 "守底线、走新路、奔小康"打下了良好的基础。

报告指出,2017年是册亨全面深化改革的关键之年,是贯彻落实党的十八届五中、六中全会和省委十一届七次、八次会议精神的重要一年。受产业发展基础薄弱、基础设施仍然滞后、公共服务尚待完善、发展空间拓展困难的限制,扶贫开发工作任重道远。因此,册亨县如何总结已取得的成功经验,深化和加快改革进程,大力推进生态文明建设,加强扶贫攻坚战略实施,秉承"创新、协调、绿色、开放、共享"的发展理念,在坚守"两条底线"的前提下破解发展难题,厚植发展优势,走一条适合于册亨县情的发展之路大有可为。

本报告由17篇研究报告组成。共分为五个部分,分别是总报告、扶贫 开发篇、经济分析篇、生态文明建设篇、社会建设篇。

Abstract

In the guidance of Fifth and Sixth Plenary Session of the Eighteenth Central Committee and the CPC Guizhou provincial party committee of the eleventh seven and eight times, this report has systematically and scientifically studied the main problems in the pwcess of economic and social development in Ceheng county in 2016. It has deeply analyzed hot issues such as the overall trend of economic and social development of Ceheng County, the model and experience of poverty alleviation, relocation program for poverty alleviation, the integration and development of rural primary, secondary and tertiary industry, the model of development of E - commerce industry, the model of deep processing industry development, ecological agriculture development, the exploitation of ethnic cultural tourism resources, the integration and development of ecological resources and ecological industry in north and south Panjiang river basin, the rocky desertification management, the construction of forestry resource protection and ecological poverty alleviation demonstration zone, the construction of water ecological civilization, as well as conducted a special study from the perspectives of civilization action, safety guarantee, livable environment, health poverty alleviation and so on in Ceheng County.

The report indicates that a brilliant achievement of economic and social development has been made in Ceheng in 2016. Comprehensive economic strength is onto a new level. GDP has totalled 4. 176 billion yuan, an increase of 15. 6%. Specifically, the primary industry totalled 1. 29729 billion yuan, an increase of 7. 3%, the secondary industry totalled 0. 48231 billion yuan, an increase of

16.2% and the tertiary industry totalled 2.3964 billion yuan, an increase of 19.8%; the investment in fixed assets totalled 3.27616 billion yuan, an increase of 24.6%, the whole industrial added value totalled 0.47 billion yuan, an increase of 14.5%. Per capita disposable income of urban and rural residents has been respectively completed at 24,596 yuan, an increase of 12.1% and at 6852yuan, an increase of 13.31%. The total retail sales of sociel consumer goods has been completed to 282.84 million yuan, an inthease of 13.1%. The report also predicts the social and economic operation of Ceheng in 2017, pointing out that with the enhancement of economic strength, the optimization of development environment and social governance, cultivation of the late development advantage, improvement of social undertakings, and also the national, provincial, autonomous prefecture strategies and policies extension, it will produce a superimposed effect of the policy and provide strong support to achieve better results.

Remarkable achievements were made in poverty alleviation and development area. Tightly surrounding the national strategic deployment, and solidly combining with the prefectural affection, Ceheng County party committee and government have made great achievements by formulating long – term plans and missions targets of poverty alleviation and development, operating the strategy of targeted poverty alleviation, controlling the rural poverty with proper managements, overcoming poverty effectively and fighting the Six Tough Battle to increase poverty alleviation efforts.

It has laid a good foundation to enhance the comprehensive strength of county economy with the economic development accelerating steadily, the development of E – commerce industry getting an initial shape, the deep processing industry and ecological agriculture development improving, the exploitation of national cultural tourism resources steadily progressing, especially the integration and development of rural primary, secondary and tertiary industry having remarkable results.

Promoting efforts to increase ecological civilization and economic coordina-

tion Scientific and enhancing technological innovation have been made in Ceheng. It constantly consolidates the basic position of agricultural development, accelerates the development of secondary and tertiary industry. It also operates the strategy of building a green development platform to establish the ecological county, of promoting industry deep integration to enrich the county with characteristics, of promoting economic development and technological innovation to drive the development of urbanization. As a result, it especially had made remarkable achievements on the integration and development of ecological resources and ecological industry in north and south Panjiang river basin, the rocky desertification management and the construction of water ecological civilization and ecological poverty alleviation demonstration zone.

New achievements have been made in the social construction. Based on the prefectural affection, it lays a good foundation for keeping the bottom line, taking a new road, and being welfare to promote the construction of civilized, safe, livable and healthy Ceheng under the leadership of the party committee and government of Ceheng County.

The report indicates that 2017 is the crucial year of comprehensively deepening reform and the important year of operating spirit of the Fifth and Sixth Plenary Session of the Eighteenth Central Committee and the CPC Guizhou provincial party committee of the eleventh seven and eight times. The works of poverty alleviation and development still have a long way to go with the constraints of weak industry foundation, lagging infrastructure, unimproved public service and narrow development space. Therefore, to summarize successful experience made in the past, to deepen and accelerate the reform process, to promote the construction of ecological civilization vigorously, to strengthen the implementation of the poverty alleviation strategy, and adhering to the need to promote innovative, coordinated, green, open and shared development is a suitable way for Ceheng County to solve the problems and cultivate the advantage of development on the basis of sticking to the two bottom lines including development and ecology.
