A Walking Club

Mrs. Drake is almost 70 years old. She started a club. It is a walking club. There are now ten people in the club, and most of them are older people like herself. The people walk two miles every day. They walk very quickly because that is the best way to stay in shape. When it is too cold to walk outside, they walk in a shopping mall. They all wear T-shirts that say "I Love Walking".

Something funny happened to the walking club one day. A dog began to follow them. Soon, there were two more dogs. Now the walking club has both people and dogs walking every day.
