The Penguin Who Had Cold Hands and Feet

手脚冰凉的 企鹅

[法]克里斯蒂娜·贝热尔/文[法]埃尔韦·勒戈夫/图 橘子园夫人 安芳/译

"Mama, My hands and feet are cold!"

"That reminds me of someone. A small penguin."

"The penguin never feels cold, Mama."

"Well, but I know one who had ice-cold hands and feet, even his bottom was stuck to an ice floe.

Come here, let me tell you..."

- "妈妈,我的手和脚都好冷啊!"
- "你让我想起某个人啦,那是一只小企鹅。"
- "企鹅永远都不会觉得冷呀,妈妈。"
- "嗯,可是我认识一只企鹅,他的手脚都被冻僵了,

就连屁股也被冻得粘在一块浮冰上。

来,我讲给你们听……"

One beautiful morning, a small penguin made a decision,

if it was sunny, and the air was warm,

he would leave home and go elsewhere to explore.

Be...careful! He slipped out.

Owww! Ouch!

He flopped down on an ice floe, just like this.

一个美丽的早晨,一只小企鹅决定,

如果有阳光的话,如果外面暖和点的话,

他就离开家,去别的地方看看。

慢……慢点! 他滑了出去。

哎呀! 哎哟!

他一屁股坐在浮冰上,就像这样。

It was time to say goodbye.

On such a morning, the penguin waved goodbye with his hand, and other penguins waved their wings, looking at him, like that...

Then he left.

说再见的时候到啦。 在这样一个早晨,小企鹅向其他企鹅挥手道别, 其他企鹅也**择了**着翅膀,看着他,就这样…… 然后他离开了。

The hungry polar bear, smacking his lips, returned home with the penguin.

Then he sat down on him.

Yes, you heard it right, on the penguin,

naturally, to warm him up, not to crush him.

He knew very well the tactics of the hen and how she hatches her chicks, well, he really had seen a hen do this before.

Yes, children, that's true.

Shall I continue?

北极熊饿着肚子, 吧唧着嘴巴, 把小企鹅带回家。

他一屁股坐在了小企鹅身上。

是的,没错,他是坐在小企鹅身上,

当然,他只是为了让小企鹅暖和起来,而不是要压扁他。

他很清楚母鸡是怎样孵小鸡的,

嗯,他确实看母鸡这样做过。

是的, 孩子们, 这是真的。

我可以继续讲吗?

"Well, are you warm now, kid?" asked the polar bear.

"Yes, yes," replied the penguin, "except for my feet...

my feet are still cold... Can you please warm them for me?"

"Ah!" roared the bear. "Insolent brat!

You're complaining when you should thank me!"

Dissatisfied, the big white bear sent the penguin flying with a big kick.

Oh! Look! There! Follow my finger...

Do you see the penguin crossing the sky like a **rocket?**After reaching the top, he began falling down, soon he would land, bottom first.

Of course, he screamed and screamed, but not loud enough for us to hear from below.

哦!快看!那里!顺着我指的方向……你们看见小企鹅像火箭一样飞过天空吗?当到达最高处之后,他开始向下落,很快他就会落下来,屁股先摔在地上。当然,他一直在大叫,但是声音还不够大,至少我们在地上还听不见。

Because there was a brass band playing down below, it was too Loud.

The crocodiles were having a party,

celebrating young crocodiles who had learned to swim like...

like... like what in your opinion?

Frogs, ha!

So the falling and the party mixed together, which went like this:

因为地面上,有一个乐队正在演奏,声音太 **响** 了。那是鳄鱼们在举办一场庆典, 庆祝小鳄鱼们学会像……像……像什么一样游泳呢? 你们觉得呢?

哈哈,是像青蛙一样游泳!

所以企鹅坠落的声音和庆典的声音合在一起,就像这样:
