序言

我自幼酷爱绘画，七岁时抗日战争开始，我们兄弟随姨姆避难浙江天台。我的六姨娘是位绘画老师，她教我绘画，她从教堂中带来画片让我临摹，她是我的启蒙老师。

回南京家里后，考虑到我的身体较弱，辍学在家休养。后来我以同等学力考入金陵中学读初中二年级。辍学期间，我在家中自学国画，我临摹过《芥子园画谱》，及其他素描画本。中学的绘画课，我的成绩也是上乘的。

1949年我进入大学，杨廷宝、童雋、李剑晨是业内绘画大家，尤其是杨老以建筑师的要求用线条作画。我的水彩、铅笔画成绩也甚突出。之后我为刘敦桢老师画过《中国住宅概说》一书的插图，这是单线钢笔画，从此我接触了钢笔画。

绘画是我最好的伴侣。在各地出差途中，我用绘画、速写来描述当时的情景。东南大学出版社先后出版了我的《画的记忆》《漫步画境》《风景入画》《水彩画韵》等书。

现今东南大学出版社再次出版我的钢笔画《钢笔线韵》，感谢不尽。

感谢家人的支持、同仁们的支持，谢谢大家！谢谢！

Preface

I had passion for painting since childhood. At the age of seven, the anti-Japanese war began, my brother and I took refuge in Tiantai, Zhejiang with our aunt. Our aunt was a drawing teacher, who taught me how to draw. She brought me pictures from the church and let me copy. She is my first teacher of drawing.

After returning to Nanjing, considering my poor health, I stopped schooling, staying at home to recuperate. Then I was admitted to join the eighth grade in Jinling High School with equivalent educational level. During my drop-out period, I taught myself Chinese painting at home, copying *Mustard Seed Garden Painting Collection* and other sketch painting illustrating books. I was also doing great in the painting classes in high school.

I entered university in 1949. Tingbao Yang, Jun Tong and Jiancheng Li were all masters of painting, especially Professor Yang who painted with lines to architects' standards. My watercolor and pencil drawing were also outstanding. Later I have drawn illustrations for Professor Dunzhen Liu's book *An Overview of Chinese Housing*, which used single line pen drawing, and it was my first time doing pen-and-ink drawing.

Painting and drawing were my best company. On business trips, I used paintings and sketches to illustrate scenes at the time. Southeast University Press has published my drawing books such as *The Memory of Painting*, *Picturesque Stroll*, *Picturesque Scenery*, *Charm of Watercolor Painting*.

This time, Southeast University Press published my pen and ink drawing collection *Charm of Pen Drawings*. I really appreciate it.

Thanks for the support from my family and colleagues. Thank you all! Thank you!
