自序

一部展示龙江风情的钢笔画写生作品问世了,这是我几十年严格磨砺、勤奋追求的结果。

黑龙江省位于祖国的东北部,是我国位置最北、纬度最高的省份,系由省内最大河流黑龙江而得名。黑龙江古称黑水,满语为"萨哈连乌拉","萨哈连"是"黑"的意思,"乌拉"是"江"的意思,清初期名为黑龙江。从地图上看,黑龙江形如一只展翅腾飞的天鹅,形象地反映了她富饶美丽的风貌。

黑龙江的自然美景闻名遐迩,碧波荡漾、山峰耸峙、林海雪原、生态奇异。这里是动物王国,更有一派千里冰封的北国风光;这里有壮美的大界江、广袤的大森林、肥沃的大湿地、神奇的大冰雪、现代化的大农业;这里有多姿多彩的边疆少数民族风情;这里有充满生机和美好发展的黑土地……。

我出生在黑龙江,一生对家乡无比热爱,对自己家乡的山山水水情有独钟。走遍龙江、画遍龙江是自己一生的追求。退休后,用了几年的时间开始了梦想之旅。先是骑上单车,开始了画遍家乡之旅。从倭肯河的源头冷寒宫到西大门的恒山火山遗迹之间,从南部的群山到北部的平原之河,到处都留下了我的足迹,留下了自己画笔抚摸过的风景。

家乡走遍了、画遍了,又只身去实现走遍龙江、画遍龙江的设想,在几年时间里,走遍了全省13个地市,从东京城到大兴安岭,从乌苏里江到松嫩平原,龙江风情尽收眼底、均入画中,几千幅写生作品,使我的艺术人生步入辉煌。

苦尽甘来,在收获几千幅作品的同时,我还得到了更大的收获。其中,多幅作品参加省以上 展览并获奖,多幅作品在省以上报刊上发表,部分作品在《中国写生作品选集》《中国当代素描艺 术》《中国当代素描》《当代中国美术》《中国书画家志 (1949—2009)》等大型画集上发表,出版过《李义泉作品选集》。

现在,我从收获的几千幅作品中,选出 136 幅,按所涉及的区域分为几部分,将龙江大地的风情介绍给广大读者。

丁酉仲夏,《北国风光》钢笔画写生作品结集出版在即。但愿朋友们能通过这本集子更全面地 了解我的艺术生活,更深入地了解我的精神世界。同时,也愿自己在今后的艺术生涯中,有更多、 更好的作品问世。

李义泉

Preface

A pencil drawing which reveals the scenery of Heilongjiang came to light. It is an achievement from strenuous efforts over the decades.

Heilongjiang is the northern and easternmost Chinese province. Formerly known as Heishui, it is called sahaliyan ula in Manchu Language, sahaliayn means "Hei (dark)", ula means "shui (river)" On the map, the shape of Heilongjiang looks like a swan spreading its wings, vividly reflecting the province's fertility and beauty.

Heilongjiang is well-known for its beautiful scenery, clear water, steep mountains, snowy forests and a variety of species. It is an animal kingdom, with a splendid view of the frozen Northenland in China.

It has magnificent rivers, fertile wetland, vast areas of forests, mystical snow and modernized agriculture. It also enjoys a variety of minority folk customs and the black earth...

I was born in Heilongjiang and I love my homeland so much, especially the mountains and rivers. It has long been the pursuit of my life to draw the pictures of Long River (Dragon River). So after I retired, I began my plan of pursuing my dream by drawing and traveling. I cycled along the Long River and I drew with my pens whatever I saw, from Lenghan Palace, the source of the Weiken River, to the lava flows in Hengshan Mountain at the west gate; from the mountains in the south to the plains in the north, wherever I went, I never stopped drawing.

I travelled thousands of miles in my homeland and I drew thousands of sketches. I left my footprint in 13 cities, from Dongjing City to Greater Khingan Mountains, from the Wusuli river to the Songnen Plain. My dream of traveling the Long River came true and my art career has reached a new stage.

Hardwork pays off. Except for thousands of sketches, I managed to obtain greater achivements. Many sketches were exhibited and won prizes. Newspapers of provincial or above pbulished many of my works. Some are collected by large painting albums for instance, Chinese Selected Sketches, the Contemporary Sketch Art of China, Chinese Contemporary Sketches, the Contemporary Chinese art, the journal of Chinese Calligraphers and Painters (1949-2009). I published Selected Artworks of Li Yiquan.

I selected 136 pictures from the thousands of sketches I drew to share in this book. I divided them into several parts to better present the beautiful scenery of Heilongjiang to readers.

I am so glad that my pen drawing *Heilongjiang Scenery* will be published this summer. I hope readers will learn more about my art and get a glimpse of my spiritual world. Meanwhile, I hope to create more and better work in the near future.
