海洋 世界

STUDENTS ARE REQUIRED TO RECOMMEND MASTERS SERIES || 孙兴智◎编著 下

吉林人民出版社

The background of the cover is a vibrant underwater photograph. In the upper left, there is a dark, porous rock formation. Below it, a large, branching coral structure is covered in numerous small, bright red polyps. A small, yellowish fish is visible swimming near the coral. The overall lighting is dramatic, with strong highlights on the coral and deep shadows in the surrounding water.
