about this book

A collection of thoughts and sayings on the value of trying as a means of succeeding, *Go For It!* is a celebration of effort, determination, tenacity, perseverance, and hard work. Contrary to what most people feel, the majority of successful people aren't simply lucky—they have made their own luck through hard work and never giving up, no matter how insurmountable a problem seemed. These words of wisdom are designed to pick people up when they have been dealt a blow, lead them on when they want to stand still, and push them forward when they want to shrink back.

Complemented by gently amusing animal photographs, the thoughts and sayings here will inspire anyone to do and be their best, whatever their individual circumstances.
