# 热爱和平热爱家园

童心如鸽似雁，掠过平原，飞越高山，越过海洋，翱翔蓝天。在孩子们的心目中，人类共同生活的星球，是一个五彩缤纷的欢乐人间。这里和平的旋律优美，友谊的花朵鲜艳，幸福的笑脸喜人，勤劳的生活美满。这一切，在孩子们质朴纯洁的心灵里，萌发着许许多多奇妙的梦幻。

和平、友谊、幸福是各国儿童最美好的愿望，共同的向往，牵动着一颗颗稚嫩的心弦，他们用灵巧的小手，描绘出一个灿烂的和平世界，编织出一座座幸福和谐的家园。这里选编的47个国家和地区的100幅儿童画，如同一曲曲悦耳的和平颂歌，一首首赞美友谊的诗篇，天真浪漫，童趣盎然，充满了对未来生活的憧憬，真诚地表达了他们渴望世界和平的心愿。

把地球建设成宇宙间的和平、友谊、幸福的宫殿，是各国人民一代接一代的共同事业，五大洲的儿童从小就为这项宏伟工程增砖添瓦，令人振奋！我们衷心希望孩子们画面上的理想能成为生活中的现实。

# LOVE PEACE LOVE HOMELAND

The childish heart likes pigeon and wild goose, making a roc's flight over the plains, Flying over the mountains, sweeping past the seas and soaring in the blue skies. In children's minds, the heavenly body, in which the human beings live together, is a multicoloured and joyful world of mankind. Here the melody of peace is graceful, the bloom of friendship is bright-coloured, the smiling face of happiness and well-being is satisfactory, and the diligent life is happy. All these things sprout a number of beautiful dreams from children's unaffected and pure hearts.

Peace, friendship and happiness are the best wishes and common desires for the children of all countries that pull the childish hearts' cords. They use their ingenious hands to depict a splendid and peaceful world, to make up a happy and harmonious homeland one by one. 492 pieces of children's drawing displayed here are like pleasant peace odes, poems of praising friendship, innocent and romantic, full of childish delight, imbued with aspiration for future life, and truly expressing their desires of hoping for world peace.

To build the earth to become a peaceful, friendly and lucky palace in universe is a mutual work of the people in all countries. Children from five continents increase bricks and tiles for this magnificent construction in early childhood, it makes one so exciting! We sincerely expect that the ideal on children's drawing will come to reality in life. We wish the exhibition meets with success, and the fragrance of this little bloom of art drifts overseas.
