## 前 言

这里收集的儿童画，作者都是年龄很小的孩子，有的刚刚开始幼儿园、小学或少年宫的课余美术小组学画。尽管他们在艺术上刚刚起步，都以细致的观察力和儿童特有的表现手法反映了他们自己的生活、兴趣和理想。这些作品里洋溢着孩子们天真烂漫的思想感情和大胆稚气的想象，使人喜悦，给人希望。在1979年国际儿童年之际，谨以这本小画册献给各国儿童和关心儿童的朋友们。

## FOREWORD

The pictures in this collection were drawn by Chinese children from 3 to 14 years old, some of them have just started to learn drawing in kindergarten and primary school, others belong to after-school painting groups at children's palaces. Though they are beginners, they have successfully pictured their own lives, interests and aspirations in these pictures marked by careful observation and children's characteristic manners of expression. These drawings alive with children's simple and unaffected sentiments and bold and naive imagination give people joy and hope. On the occasion of the International Year of the Child (1979), we wish to present this little picture album to children of various countries and our friends who care for them.
