【前言】

世俗化的生命张力

蔡文星 广州雕塑院院长

许鸿飞的"非常男女"系列雕塑作品登入广州艺术博物院的大雅之 堂。为金秋十月广州丰富多姿的文艺风景添抹了浓烈的亮色。后现代主 义的浪漫精神弥漫在铜雕石刻的非常男女之间,洋溢着无限的生命气息, 充满了诗意的诱惑。这是一种世俗的高雅、现实透过艺术的提炼得以升 华、融会成了对于纯净的生命的礼赞,也形成了"非常男女"系列独特的 艺术品格。

近年来, 许鸿飞峥嵘崭露, 为美术界甚至时尚界所瞩目。在大型城市 雕塑现代风格的探索、历史人物道义人格的刻画以及架上雕塑纯艺术的 追求, 均有斐然的成就。而贯穿其中的, 是一种博大的气度。即使在"非 常男女"这类主题性创作中, 也能使人感受到一种混沌初开、浑然天成的 宇宙的元气。

康定斯基在《艺术的精神性》一书中关于艺术借由简化形式达到本质 的理想,被许多现代主义艺术家奉为圭臬。"非常男女"系列显然在这方 面也有其影响。男人的浑厚朴拙。女人的丰腴柔美,都通过简约的形式达 到表现的极致。至于是否达到男女的本质和艺术的本质,则是见仁见智。 《金刚经》曰:若见诸相非相,即见如来。倘能如此,已是非常的境界。

[Introduction]

TENSIONS IN ORDINARY LIFE

By Cal Wenxing (Presiedent of Guangzhou Sculpture Academy)

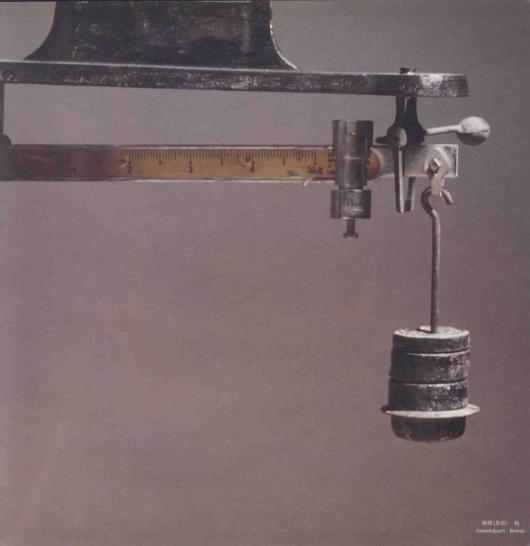

Xu. Hongle's sones of soutplure works named "Fashlonable Boys and Glife's no display in The Caungarbou Art Museum, which and a lot of strong brightness to the colorful literary sonersy in golden October in Guangarbou. The bronze and stone works of "Fashlonable Boys and Glife's are penetrated with the romantic spirit of the Post-Modern and are permeated with a boundless breath of life and popiet famplation. They represent an elegant taste through which reality can be refined in the elevation of the art process, merging into a great pratee of pure life and in this way characterize artistic style of the "Fashlonable Boys and Glife's."

In the recent years Xu hongler earned great acclaim for his work that is on increase and is appreciated in and cricies, even in the fashionable world. He achieved a great accomplishment in the development of the contemporary sculpture style. He portrayed the character of historical personalities, especially in only districts. Among them there is a great large-mindedness, even though during the main creation of "Fashionable Boys and Girlds". Which also conjeve you a wild seasished or their activity field even before you get conscious of it. The main folia of the art process is from simple to essential: Kandinskiy's "Spirit of Art"and many realistic artists regarded them as influenced work. The "Fashionable Boys and Girls" obviously have a great influence, such as male kindness and purify, female beauty and slenderness, in a good shape, using a simple way to the best. If it has neiched to essence among male and female, there were act lot different points of view. "孙常男士"条列
