期待每一束独到的目光

给漫画画等级,不是我们的愿望。叫“世界当代顶级漫画巡礼”,不只是说你捧在手上的这套书一定值得你看下去,还因为它包容了来自 82 个国家的漫画作品。掏几十元钱,原地不动巡视这么多国家的作品,这种待遇目前来看应该算是顶级了。

《漫悟》丛书是以搜罗和编创天下漫画为宗旨的大型书系。你所看到的这些来自世界众多国家的作品,是身处世界不同角落的画家们从不同角度观察世界的结果。他们用慧眼看到了别人看不到的景致,他们的作品就成为考量人性的一束束独到的目光。

漫画的历史不长,尤其是和人类的文明史去比较。漫画是一种自省和自责的视觉文化,即使某一类漫画尖锐地刺痛了某一类人的行为,其实也是对我们自己的针砭。同样,即使某一类漫画体现了画家充满想像力的幽默,那种会心之笑,也是预备给大家分享的。因为人类是个整体。

漫画是通俗而简洁的艺术,每一个有洞察力的人都可以拿起画笔表现自己的人生洞见。假如这套书变成你的枕边书,说不定哪天你就成了《漫悟》的作者。

Ranking for the cartoons, is not our desire. Why is this series called World Best Cartoons Scout? It's not only for the series is worthy of reading, but also it includes works from 82 countries. To expend several dozens yuan, you can enjoy works of so many countries in one place, and this treatment should be the best.

The great series of 'Apperception for Cartoons' aims at collecting and editing the world cartoons. The world works from many countries that you have read, is the fruit of the world cartoonists' observation from different angle. They have watched the view unseen by ordinary people, and their works become the unique sight to inspect human nature.

Compared with history of human civilization, the history of cartoon is not long. Cartoon is an introspective and self-condemned visual culture. Even some kind of cartoon stab the activities of some people acutely, actually it is criticism for ourselves. In the same way, if one kind of cartoon manifest cartoonist's humor with great imagination, this smile is also prepared for readers, for human is holistic.

Cartoon is a popular and compact art, and every person with discernment can express his point of view with paint-brush. If this series becomes your pocket book, perhaps you will become the author of Apperception for Cartoons.
