第三部分 (U) 英语应用

UI. 阅读理解 (共20小题, 计分40%) :

阅读下列短文, 并做每篇后面的题目。从四个选项中, 选出能回答所提问题或完成所给句子的最佳答案。

(A)

The incident happened one morning outside Albert Schweitzer's hospital in the African jungle (密林). A patient had gone fishing in another man's boat. The owner of the boat thought he should be given all the fish that were caught. Dr Schweitzer said to the boat owner:

"You are right because the other man ought to have asked permission to use your boat. But you are wrong because you are careless and lazy. You simply twisted (缠绕) the chain of your canoe round a tree instead of fastening (栓牢) it with a lock. Of laziness you are guilty (有罪的) because you were asleep in your shed instead of making use of the good chance for fishing."

He turned to the patient: "But you were in the wrong when you took the boat without asking the owner's permission. You were in the right because you were not so lazy as he was and you did not want to let the night go by without making some use of it."

Dr Schweitzer divided the catch among the fisherman, the boat owner, and the hospital.

66. Dr Schweitzer settled the argument because

A. he was the judge (法官) there.

B. it took place at his hospital.
