表示动作的词叫动词。英语句子没有动词部分就不完整了。动词是儿童常用词汇的一个重要部分，它能够让孩子们叙述别人所做的事情和周围发生的变化。

编写本书有三个目的：

- 增加儿童的动词词汇；
- 指出同义词间微妙的差别，如 see, look, glare, stare;
- 让孩子们学习常用的短语动词，如 get away, get off, get on, get up。

每个动词都附有一个例句，显示如何在日常生活用语中应用有关的动词。生动有趣的插图定会对孩子充满魅力，让他们在学习新的动词时感受无穷乐趣。

Action words are verbs—those important words in the English Language without which no sentence is complete. Verbs form an important part of a child's vocabulary. They help children to talk about the things that people do and the things that happen around them.

The book has been prepared with three principal aims in mind:

- to enlarge the child's vocabulary of verbs;
- to show the subtle differences between verbs that are similar in meaning, e.g. **see**, **look**, **glare**, **stare**;
- to introduce to the child the meanings of useful phrasal verbs such as **get away**, **get off**, **get on** and **get up**.

Each entry is accompanied by a sentence which demonstrates the way in which the action word is typically used in the context of everyday speech. The lively and amusing illustrations will certainly appeal to children and make the learning of new action words an enjoyable experience.
