## 前 言

我们很高兴能把《中国对外经贸机构大全》(1996—1997)这部工具书献给海内外工商界的同行和朋友们。

出版这部书的目的是为了促进中外经济、贸易、技术的交流与合作,在海内外同行之间架起一座互通信息的桥梁。书中不仅汇集了中国对外经济贸易的政府主管部门和驻外机构,各类贸易促进机构和商会、经过清理整顿后保留进出口经营权的各类外贸公司、工贸公司、自营出口生产企业和国际经济技术合作公司,而且还包括了与经贸业务密切相关的海关、商检、保险、中国银行、国际运输、动植物检疫等机构的名录。它实际上概括了每位从事中国对外经贸工作的业务人员都要走过的重要工作程序和环节,是一部很有实用价值的参考书。

## P R E F A C E

We are very happy that we can offer "Guidebook for Chinese Foreign Economic And Trade Institutions" (1996-1997) to our colleagues and friends in business circle at home and abroad.

Purpose of "Guidebook" is to promote the interflow and cooperation of economy, trade and technology, to establish a bridge for communicating information mutually. In this book we have collected government departments and organizations stationed abroad in charge of foreign economic relations and trade, together with trade promotion bodies, chambers of commerce, import/export corporations, industrial & trading corporations, self-managing manufacturers of export products, international economic and technology cooperative companies remaining after rectification and consolidation, and authorized with the right of import and export. It also includes institutions of custom, commodity inspection, insurance, bank of China, international transport, animal and plant quarantine. They all have close relations with economic and trade business. In fact, this guidebook has summed up all the main process and links that everyone engaging in China's foreign economic relations and trade has to deal with.

## 编辑说明

《中国对外经贸机构大全》(1996—1997)是一部集中国对外经贸行业及相关部门机构名录之大成的大型工具书。本书在 1992 年版的基础上进行了较大变动,是 1996 年的最新版本,供读者在 1996、1997 等年使用。现共收入近 6000 个条目,按机构工作性质和企业经营范围分类编排。各大类的机构排序,按国家行政区划编排。

本书所收录的企业分类,原则上以其经营范围划分,不受隶属关系限制。书中所列对外经贸企业共分 20 类。即:国际运输与外轮代理、粮油食品、土产畜产、纺织品、丝绸制品、轻工业品、工艺品、化工产品、机械产品、五金矿产、仪器、医药保健品、技术、包装、综合性贸易公司、工贸、自营出口生产企业、经济技术合作、广告、展览、咨询及出口商品基地。

本书全部条目均为中英文对照,以便于中外用户检索查阅。本书截稿日期为 1995 年 10 月 16 日。

本书在资料收集方面,得到国务院有关部门和各省、自治区、直辖市、计划单列市经贸主管部门的大力支持和协助,在此一并表示感谢。

在编辑过程中,由于时间较紧,企业变动较大等因素,本书难免有疏漏和错误,欢迎读者提出意见,以便在再版时补充修订。

编 者

## EDITOR'S NOTE

THE GUIDEBOOK FOR CHINESE FOREIGN ECONOMIC AND TRADE INSTITUTIONS (1996—1997) is a sizable reference book that lists chinese foreign trade sections and related departments and institutions. It has been considerably revised on the basis of its former edition in 1992, and it is the up-to-date edition in 1996, for readers' reference in 1996~1997 period. Now this edition contains 6000 entries which are classified according to the business nature and scope of the institutions and enterprises. Units of each categories, are listed in the same order of China's administrative areas.

All the enterprises registered in the Guidebook are classified, in principle, according to their business scopes rather than jurisdictional relationships. They fall into the following 20 categories: international transportation and foreign ship agency; cereals, oils and foodstuffs; native produce and animal by-products; textiles; silk products; light industrial products; arts and crafts; chemicals; machinery; metals and minerals; instruments; technology; packaging; medical and health-care products; bases of exprotr commodities; advertisement; exhibition; consultation; comprehensive trade companies; companies for economic and technical cooperation; manufacturing-trading companies and manufacturers authorized to export products.

All the entries are printed in both Chinese and English to facilitate the use by Chinese and foreigners alike. The informations in the Guidebook are up to 16 Oct. 1995.

Thanks should be extended to the government departments responsible for foreign trade in each of the provinces, autonomous regions, municipalities directly under the Central Government and cities granted special status as well as departments concerned under the State Council for their full support and aid in the collection of informations.

Careless omissions and mistakes are hard to avoid due to the relatively short time for its compilation and alterations among the enterprises. Readers are welcome to make comments and suggestions so that revisions can be made for the next edition.
