前 言

为了适应市场经济发展的需要,提高冶金企事业单位在国内外的知名度,扩大国内外冶金工业界的联系和交往,应广大读者要求,我们发挥《中国钢铁工业年鉴》覆盖面广、信息准确、渠道规范的优势,编辑出版了《中国冶金企事业单位名录》(以下简称《名录》),作为1994年《中国钢铁工业年鉴》下册发行。

《名录》共收编了全国(含部分驻外机构)主要的冶金企事业单位1861个,包括重点钢铁企业、地方钢铁企业、矿山企业、辅助材料企业、冶金机械修造企业、冶金建设公司、地质勘查单位、科研设计院所、大专院校、冶金行政管理机关和黄金系统的部分厂矿及行政管理机构,其中还编入了重点钢铁联合企业的主要生产厂矿和担负对外经营的二级公司以及参加冶金企业集团的部分成员单位。《名录》收编的企业的产品产量为1993年底的统计数据。为了便于国外读者使用,《名录》采用中英文对照形式。

为了便于查索,《名录》内容的排序是:在各大区和省、市、自治区、直辖市内,按重点钢铁(含特钢)企业、地方骨干钢铁企业、地方钢铁企业、矿山企业、辅助材料企业、冶金机械修造企业、冶金建设公司、冶金地质勘查单位、科研设计单位、学校、经营性公司、各地方冶金行政管理机关和部分黄金矿山、黄金冶炼厂、黄金行政管理机构。

在《名录》编辑过程中,得到了有关省、自治区、直辖市、计划单列市冶金厅(局、公司)和冶金企业的大力支持协助,在此表示衷心的感谢。

由于时间紧促,如有漏误之处,敬请读者赐正。

一九九四年八月三十日

Preface

In order to meet the demand of the market economy, to raise fame of metallurgical enterprises and institutions both at home and abroad, as well as to establish links and broaden exchanges among domestic and foreign metallurgical industry sectors, at the request of our readers, we take advantage of many readers, accurate information, governmental sources of our yearbook to publish "Directory of Chinese Metallurgical Enterprises and Institutions" (hereafter called the Directory), which is also named as "The Yearbook of Iron and Steel Industry of China in 1994 (2nd volume)".

The Directory has contained 1861 major metallurgical enterprises and institutions and some representative offices in foreign countries, including the key and local iron and steel corporations, mining, auxiliary material production, machine building and repairing enterprises, construction corporations, geological prospecting and scientific research and design institutes, universities and colleges, government organizations of metallurgical and gold industries, major producing plants and branch companies affiliated to some key iron and steel complexes. The member enterprises affiliated to some metallurgical groups are also included in the Directory. All the information contained in the Directory was collected up to the end of 1993, which is in both Chinese and English languages.

For readers' convenience, the catalogue of the Directory is classified according to the administrative regions and municipalities, and the entries are listed in the sequence of key iron and steel complexes, key special steel works, local major iron and steel complexes, local iron and steel complexes, mining, auxiliary material production, machine building and repairing enterprises, construction corporations, geological prospecting, scientific research and design institutes, universities and colleges, business companies, and metallurgical administrative organizations in various areas, gold mining and smelting works, gold administrative organizations.

We'd like to extend our heartfelt thanks to metallurgical departments, bureaux and corporations of the administrative regions and municipalities, au-

tonomous regions as well as metallurgical enterprises for their great contributions to the publication of the Directory.

Mistakes in the Directory are unavoidable because of the time shortage, and therefore your comments are welcome.
