Dear Sirs,

In the last few months 1 noticed that some of your Corporations deducted the commission for me in the invoices.

You know very well from our long years experience that my Company is only dealing on the basis of an Agent. It is also well understandable that the buyers do not need to know how much commission 1 get. Therefore be so kind as continuation as in the past not to show commission in the invoices and separately transfer the commission to me.

1 thank you very much for your endeavours.

meanwhile 1 remain.

Yours faithfully, (Signature)

b.Full Block Form

It is a modern form in business letters and started to be used in America. For its features, please read the following specimen letter.
