Leo Goes

Camping

Leo has a great time camping... until it gets dark! When Leo tries to sleep in the tent, he sees all kinds of strange and scary shapes. Are they real? Leo finds out and learns how to be brave, too!

It's Leo's first camping trip.
He's very excited.

It's bedtime.

Time for bed.

They say good night
to each other.

Good
night!

Leo sees a monster.
He's scared.

It's a tree. There's no monster.

Mom, HELP!

Leo sees a monster.

That's Lucky.
There's no monster.

Leo sees a monster again.

Hmm?

It's a squirrel.
There's no monster.

Mom sees a monster.

What's that?

There's no monster, of course.
