这套书就是一个小舞台, 让古老的故事活起来, 在纸上表演一出精彩的图画剧。 这就是我设计这套书的用意, 吸引孩子主动阅读下去。

画蛇添足

The Excessive Final Touch

绘画/马玉 改编/奇异堡 翻译/范晓星

从前,有几个人得到一壶酒, 大家都想自己独喝。

Once upon a time, several men came across a pot of drink. Each one wanted the drink for himself alone.

于是,他们决定比赛画蛇,谁 先画完蛇,酒就归他。

They decided to hold a contest. Whoever could first finish a drawing of a snake would get the whole pot for himself.

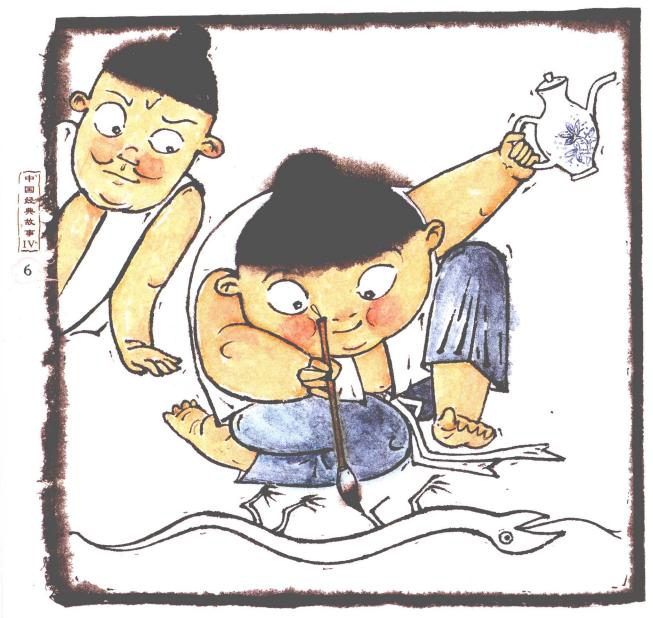

有个人首先画好了蛇。

One man was the first to finish his snake drawing.

他抓起酒壶, 高兴地说:"这酒归我了!"

He grabbed the pot, and announced triumphantly, "The drink is all mine!"

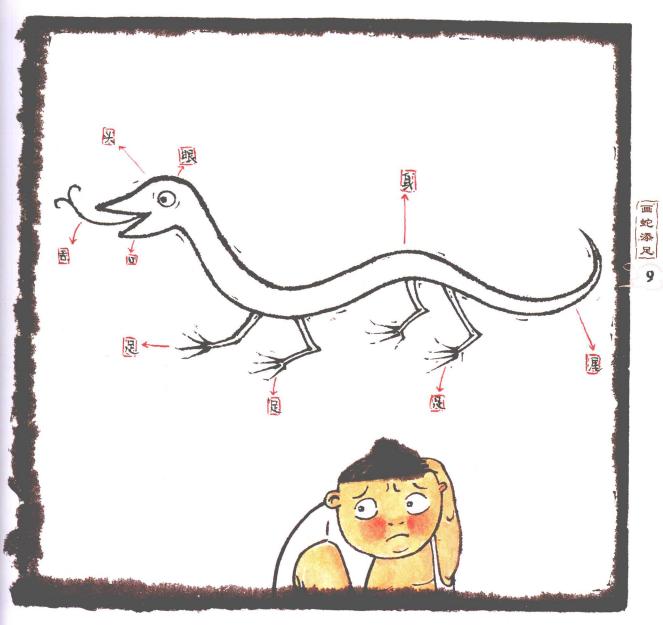

他看见别人都还没画好, 就得意地说:"我还能替蛇画上 脚呢!" But when he saw the others were still drawing, he laughed, "Oh well, I still have time to add feet to my snake."

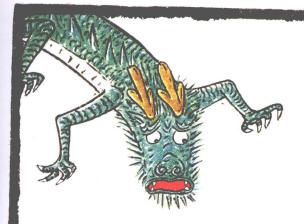

蛇脚还没画完,另一个人已 经画好了蛇,一把夺过他手里的 酒壶。 He was still adding feet to his snake, when another man finished drawing. That man snatched the pot from the first man's hand.

"蛇本来就没有脚, 你偏偏 要画脚, 这酒归我了。" "Snakes don't have feet at all. You wanted to add feet to your drawing, so now the drink belongs to me!"

这个人懊恼地说:"我真 是多此一举!" The man said regretfully, "I really should not have gone to that extra trouble!"
