公元2002年，适逢北京大学图书馆建馆一百周年。作为中国第一所国立大学的藏书机构，历经百年积累，北大图书馆书刊收藏已达530万册。宏富的馆藏汇集着人类文明与智慧，蕴涵着五千年中华文化的博大精深，它滋养哺育了一代一代求知学子，见证了无数北大名师的执着求索，同时奠定了北大图书馆在图书馆界的重要地位。

北大图书馆藏书上钤盖的藏书印鉴也是方方面面、多姿多彩。它反映了百年来馆藏文献聚集的来源情况，伴随着一个世纪北京大学的艰卓与辉煌。回首以往，前身为京师大学堂的北京大学，经历过京师大学校、北平大学北大学院之短暂时期，国难岁月中也曾加盟于国立西南联合大学，1952年全国院系调整之际，又有燕京大学、中法大学的院系加入北大行列……因此这些珍贵的藏书印鉴，不仅是北大图书馆百年历程的浓缩，也是北京大学乃至中国近现代教育史的重要印证。

北大图书馆藏书印鉴，方寸之间，凝聚着图书馆人传播文明，奉献社会的理想；白纸红章，传承着中国印章艺术的优良传统。值此北京大学图书馆建馆一百周年之际，我们选取兼具代表性和艺术性的50枚藏书印鉴，配上50种馆藏善本书刊的书影，印制成藏书票献给社会，作为百年馆庆的纪念。

The Peking University Library turns 100 years old in 2002. As a book collector for the oldest national university in China, the library has in its possession 5.3 million volumes of books collected over the past 100 years. Reflecting the civilization of the world, the intelligence of the mankind and the traditional culture of China, the library's collections have nourished generations of intellectuals and facilitated the persevering search of many great scholars for new knowledge. With its huge collections and rich history, the library has occupied an important place in the Chinese library circles.

The ownership seals of the Peking University Library (PKUL) vary in content and style, reflecting different origins of collections and an eventful history of Peking University in this past century. Peking University was known as the Imperial University of Peking (Jingshi daxuetang) when it was founded in 1898. It began to use the present name Peking University (Beijing daxue) in 1912. In 1927, nine universities including Peking University in Beijing merged into a single university called National University of Peking (Jingshi daxuexiao). In 1928, the university was renamed Peiping University. In 1929, the original Peking University part of the university became an independent entity called Peking College. Later in the same year, Peking College was renamed Peking University. During the Anti-Japanese War, Peking University and two other universities formed the National Southwest Associated University, which lasted till the end of the War. During the nationwide readjustment of colleges and universities in 1952, Yenching University, the Chinese-French University and others were entirely or in part incorporated into Peking University. The ownership seals of PKUL are a condensed history of the Peking University Library, Peking University and even modern education in China.

The ownership seals of PKUL embody in square inches a librarian's ideals in spreading knowledge and serving the society and display in red and white the Chinese seal-engraving art. Many of the seals are masterpieces combining grace with simplicity in design. To mark the 100th anniversary of the founding of the PKUL, we present to you a set of Ex Libris prepared from 50 ownership seals, which were selected on the basis of their artistic and historical values and each decorated with the image of a rare book in its background.
