多彩贵州·中国原生态国际摄影大展

序

当今世界，现代化和全球化进程不断加快，在给世界各国人民带来巨大福祉的同时，也对各民族传统文化的传承和发展带来了巨大的挑战。继承和保护千百年来人类各民族在发展历程中创造出的丰富多彩的原生态文化，对于保护世界文化多样性和创造性，促进人类共同发展、构建和谐世界具有十分重要的意义。

经中国国家文化部批准，由贵州省政府、国务院新闻办公室、国家旅游局、中国摄影家协会共同主办的第一届“多彩贵州·中国原生态国际摄影大展”，旨在通过搭建一个权威性、国际化、高水平、多层次的交流平台，展现贵州独特灿烂的原生态文化，展现世界各国各民族绚丽多姿的民族文化，以唤起国内外各界人士更加关注和重视对传统文化的保护，将保护传统文化、保护文化多样性真正变成全社会的统一认识和共同行动。

本届大展汇集了来自美国、英国、法国、俄罗斯、阿根廷等41个国家和地区，以及中国内地31个省（市、区）和台湾、香港、澳门等地区共1万余幅摄影作品。这些作品生动地再现了不同国家和地区的社会风貌、民风民俗、历史古迹和自然风光。同时，参展的国内外摄影家和摄影爱好者还通过民族文化、自然风光、野生动物、艺术创意、多彩贵州、手机影像等6大系列、14个类别的摄影作品，向观众充分展现了摄影艺术的巨大魅力。使得本届大展成为了一次具有国际水平的摄影盛会。

本书收集了此次大展参展作品中挑选的数百幅精品之作，希望这些作品能给读者带来美的感受，使读者从中汲取传统文化的伟大精神力量；更希望借此呼唤更多的人士加入到我们的行列中来，与我们一起携手努力，共同保护和发展传统文化，为人类文明的发展和进步作出自己的贡献。

贵州省省长 林树森

Foreword

Nowadays, the process of modernization and globalization has been accelerating. While it has offered enormous benefits to all people throughout the world, it has also brought huge challenges to the heritage and development of ethnic and traditional cultures of all nations. It is of great importance to inherit and preserve colorful and aboriginal cultures formed in a significantly long course of evaluation so as to maintain diversity and creativity of different nations' cultures, to promote common development of mankind, and to build a harmonious world.

Approved by the Ministry of Culture of China, Colorful Guizhou • PhotoChina Original, the first session of photographic exhibition, is jointly hosted by the People's Government of Guizhou Province, the Information Office of the State Council, the National Tourism Administration and the China Photographers Association. The exhibition provides an authoritative, international-standard and a high-and-multi-level platform to display the unique and splendid cultures of Guizhou province and to show rich and indigenous cultures of all nations worldwide to raise awareness of different peoples from home and abroad about traditional cultures so that people can arrive at a common consensus and take a concerted action to preserve traditional culture and cultural varieties.

Contributing from forty-one countries of the United States of America, United Kingdom, France, Russia, Argentina, etc, from thirty-one provinces, municipalities and autonomous regions in China, as well as from Hong Kong, Macao and Taiwan, this photographic exhibition has received more than 10,000 photos vividly reflecting social complexion, ethnic customs, historic relics and natural scenery in various countries and regions. At the same time, Chinese and foreign photographers reveal endless charm of photographic art through fourteen types in six categories, namely, ethnic culture, natural views, wild animals, artistic original, colorful Guizhou and pictures taken by cell phone. This exhibition has become an international-level photographic festival.

Hundreds of awarded images have been selected from exhibited photos for publication of this picture album. I hope readers will enjoy aesthetic beauty from these works to appreciate great spiritual power of traditional culture. Moreover, I sincerely hope that more and more people will, hand in hand, participate in the action to preserve and develop traditional culture and make their own contributions to the progress and advancement of human beings' civilization.

Lin Shusen
Governor of Guizhou Province

Care and Blessing

Congratulations! Colorful Guizhou • PhotoChina Original has been successfully held in Guizhou province, thanks to its abundant resource of ethnic culture. I hope that Guizhou can promote its rich and colorful ethnic culture across the entire world, with the platform of the international photographic exhibition so as to strengthen exchange and communication with countries all over the world, to further promote nations worldwide to know more about China.

-----Wang Chen, Minister of the Information Office of the State Council

Colorful Guizhou • PhotoChina Original international photographic exhibition gives a vivid and impressive display of native culture, specific environment and ethnic custom of Guizhou province, which makes travel enjoyable in a province full of cultural charm. I hope that Guizhou will start from this new point to constantly integrate tourism with culture and to continuously accumulate its cultural profundities for tourism.

-----Shao Qiwei, Minister of the National Tourism Administration

What belongs to a nation is a part of the world. Being one of the best known regions for its ethnic properties, Guizhou has a unique karst landscape and 18000 villages with historical, cultural and ethnic features. Colorful Guizhou • PhotoChina Original international photographic exhibition not only expressively shows endless charms of natural beauty and ethnic culture to the outside world, but also raises the worldwide awareness to preserve cultural diversity.

-----Wang Fuyu, Deputy Secretary of the CPC Guizhou Provincial Committee

Green mountains and crystal-clear rivers mirror untouched natural beauty everywhere in Guizhou. Every picture, black-white or colored, presents an image of nature, people or custom. All these give Guizhou a colorful image, whereas Guizhou makes these images more beautiful.

-----Li Qiangang, Vice President and Secretary General of China Photographers Association
