为了统一装订规格,本专辑一律采取竖排版形式装订,对横排版亦按此形式处理,即封面倒装。

本专辑的编印,旨在为研究工作提供参考,限于内部发行。请各订阅单位和个人妥善管理,慎勿丢失。

American Colleges & Universities Rated 全美大學排名評析

C.S.K. Ching

台灣每年都有數以千計的學子赴美深造，或許您也嚮往新大陸的學生生涯，但是却擔心無法躋身名校，或者負擔不起昂貴的費用。其實，美國各州大學林立，只要掌握各校特色，知道自己的目标，就可以找到合適的好學校，一償宿願。本文根據「美國新聞與世界報導」雜誌去年底所做的評估，提供您最新的美國大學排行，並附上各校地址，方便您直接去函詢問。

In the November 25, 1985 issue of U.S. News and World Report, there appeared a very useful section on American colleges and universities. Extensive surveys were used to compile lists that rate the many different schools in the United States. Considered were quality of

curriculum, teaching staff, approach to education, relationship between faculty and students, and general atmosphere for learning.

The survey was meant to be more a guide to help American students decide on which school to apply for undergraduate study. We know that many students here

in the R.O.C. are interested in graduate study, but felt that the survey and its accompanying commentaries would be of value.

Ultimately you must decide which school is best for your individual goals and purposes, so it is highly recommended that you personally write to the school for further information and assistance. For your convenience, we have published an alphabetically arranged list of the schools and their addresses on page 46.

To begin, the survey put forth the following schools as major research universities and leading grantors of doctoral degrees.

1. Stanford University
史丹福大學
2. Harvard University
哈佛大學
3. Yale University
耶魯大學
4. Princeton University
普林斯敦大學
5. University of Chicago
芝加哥大學
6. Duke University
杜克大學
7. Brown University
布朗大學
8. University of California, Berkeley
加州大學柏克萊分校
9. University of North Carolina,
Chapel Hill
北卡羅萊納大學
10. Dartmouth
達特茅斯
11. Massachusetts Institute of
Technology (M.I.T.)
麻省理工學院

Most expensive of the above listed schools: Harvard University, \$11,340 (1985-86 tuition fees). Least expensive: University of North Carolina, Chapel Hill, \$772 (in-state tuition fees)

The following schools tend to emphasize the liberal arts. These schools are known for their excellent faculty--scholarly, but "rarely too busy to see students."

1. Williams (Massachusetts)
威廉(麻薩諸塞州)
2. Reed 里德
3. University of Colorado 科羅拉多大學
4. Mount Holyoke 哈里歐克

There is definitely a trend among many students to choose a program of study leading to a marketable occupation. The following list of schools are located in different regions of the U.S. and are noted for granting more than half their bachelor's degrees in occupations.

1. Villanova 維拉諾瓦
2. Rochester Institute of Technology
羅徹斯特理工學院
3. Ithaca 伊薩卡
4. Trinity 崔那提
5. James Madison 詹姆斯麥迪森
6. Stetson University 史德史東大學
7. Pepperdine 潘柏汀
8. Valparaiso 維波萊索
9. Bradley 布萊德利
10. San Diego State 聖地牙哥州立大學

It might be a good idea to

consider a smaller school: they are no less effective, and oftentimes they offer their students a far more comprehensive and rewarding educational experience. Being smaller encourages some schools to be more progressive and willing to consider innovative methods of teaching. Again, these schools are located in various regions of America.

這項調查不只是美國學生決定申請哪所大學
的指南。許多有志於進研究所深造的中華民國學
生，也覺得這份調查和附帶的評論很有價值。

你終究必須自己決定那所學校對你個人的目
標最有益，因此，你必須親自寫信到各校詢問更
進一步的資料及協助。為了您的方便，我們將各
校名稱及校址依字母順序排列於第46頁。

這項調查首先以下列學校做為主要的研究對
象及博士學位的頒授者。(請見原文)

上列學校中學費最貴的是哈佛大學，要
11,340美元(1985至1986年的學費)，最便
宜的是北卡羅萊納大學，只要772美元(本州學
生學費)。

下列學校則著重於文科，以學識淵博的優良
師資聞名，「不會忙得無暇留意學生」。

(請見原文)

現在許多學生顯然趨向於選擇有就業市場導

頒授一半以上與各行各業相關的學士學位而著稱。

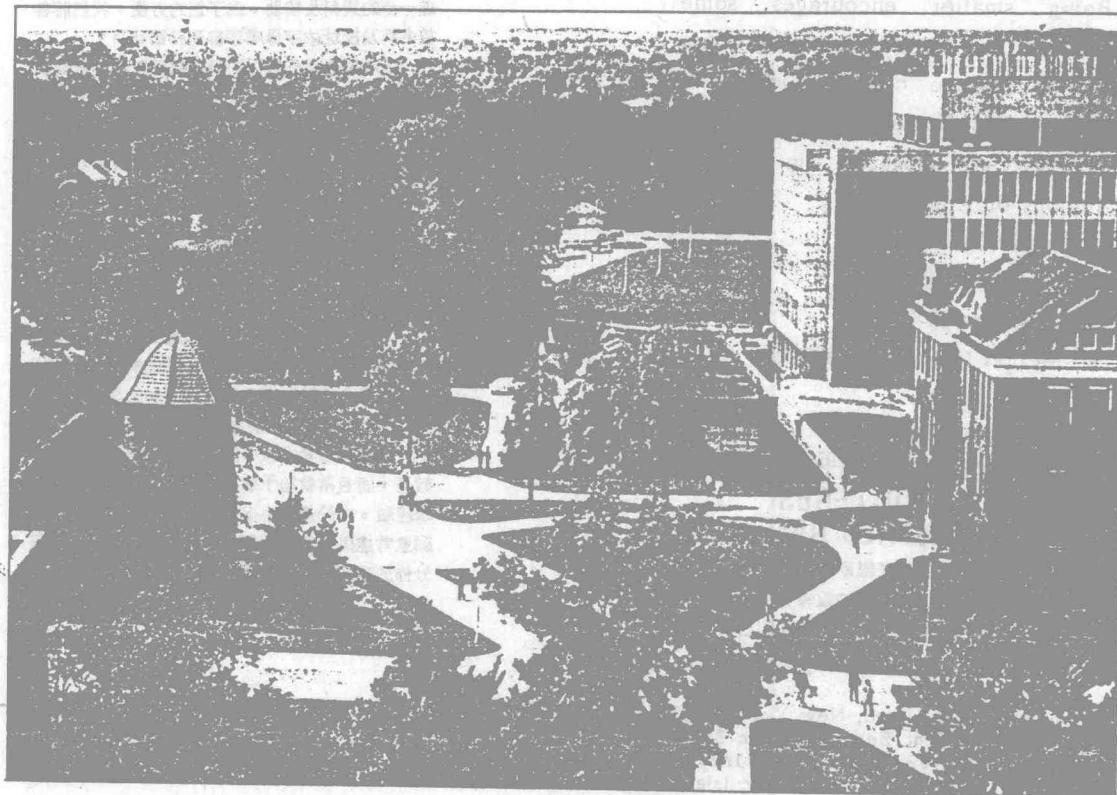

(請見原文)

其實可以考慮較小的學校，他們的效果未必
較差，而且常會給予學生更豐富、更有幫助的教
學經驗。由於規模小促使某些學校更求進步而且
願意考慮採用新的教學法，再者，這些學校一樣
分佈於美國各區域內。

Eastern Michigan University

教師的搖籃——東密西根大學

原以培育優良師資而聞名的東密西根大學，因應社會之需，正不斷擴展師資、設備、與教學。其入學許可分有學位與非學位申請。學風自由、課程富彈性，對有志於教學研究的人更不啻為理想的學府。

Carole Ching

Located in Ypsilanti amid the famous Great Lakes and less than an hour from "Motown"*** is Eastern Michigan University. Eastern Michigan University was founded by the State of Michigan legislature in 1849, and was originally established to train

teachers. Today, this purpose has been broadened to include instruction in the liberal arts, natural sciences, business, and applied science. Eastern Michigan cooperates with the University of Michigan at Ann Arbor located only 8 miles away.

New graduate programs are continually being established to meet the developing needs of students and society. Currently, the graduate school offers more than fifty graduate programs leading to a master's degree. In addition, Specialist in Arts degree programs have been added to a number of areas to provide advanced graduate study for those seeking professional careers in educational institutions.

The Graduate School administers all graduate education at Eastern Michigan. It is interesting to note that although formal graduate study programs have been established, there is sufficient flexibility in each program to enhance the professional goal of each individual student.

The academic degrees offered are: Master of Arts, Master of Science, Master of Business Administration, Master of Public Administration, Master of Business Education, Master of Fine Arts, Master of Individualized Studies, Master of Liberal Studies, and Specialist in Arts.

There are two admission categories: Degree admission or Special Student status*. Degree admission

requires that the applicant hold a bachelor's degree from an accredited* college or university and possess a minimum undergraduate grade point average of 2.50 or 2.75 in the last half of the undergraduate program. Applicants who do not meet these criteria* may wish to pursue degree admission through a procedure called alternate admission. You should write to the Graduate School office for further information on alternate admission policies. Special Students may enroll for any of the semesters or sessions and there is no limit to the number of hours a Special Student may earn. Under Special Student status, a student may not earn a degree. Students can transfer from Special Student status to degree status if they meet departmental and Graduate School requirements.

The process for graduate admission is typical of most institutions. You must complete and submit an application form to the Graduate School office. At this time, you will also need to send in official transcripts of all undergraduate and graduate credit at each institution attended. For international students, TOEFL

scores of 500 and above will free you from having to take additional remedial* English courses, although scores of 390 to 500 are considered as well. Your TOEFL score is looked at before your application is even considered. Other items to be submitted are: a statement of financial responsibility; two letters of recommendation from administrators or professors from the school you received a bachelor's degree from; and official scores in either GRE, GMAT, or MAT (determined by each degree program).

All requirements for a master's degree are expected to be completed within six years from the time of first enrollment.

Informational brochures* dealing with specific services such as university services for graduates, minority graduate assistantships, career perspectives, as well as fact sheets and brochures about each of the graduate programs at the University are available upon request at the Graduate Office. Their address is:

UNIVERSITY

U.S.A.

The 1984-1985 tuition fees for non-residents are based on US\$147** per credit hour. The usual full-time load during the fall or winter semester is 12 credit hours. The full-time load for the spring or summer session is 6 credit hours. It is possible to get permission from the coordinator of graduate advising and the dean of the Graduate School if you think you can handle more than the usual full-time credit load.

All application materials should be received by the Graduate School thirty days prior to the beginning of the semester or session in which you choose to enroll. The 1986 summer session begins on June 30. Anything sent to the Graduate School becomes their property and will not be returned to the applicant. Applicants must receive a written notification of acceptance from the Graduate School to be considered officially admitted.

We strongly suggest you send for your own Graduate School Catalog by writing to the Graduate School Office.

If a teaching career is your goal, perhaps you should look seriously into Eastern Michigan University. Its roots lie in the education of future teachers.

EASTERN MICHIGAN UNIVERSITY

教師的搖籃——東密西根大學

東密西根大學位於著名的大湖區伊匹斯蘭弟城，距底特律不到一小時車程。該校於一八四九年由密西根州議會創立，原是訓練師資之用。如今，已擴展為包括教授文藝、自然科學、商業、及應用科學。東密西根亦與八哩外安亞伯市的密西根大學有合作關係。

為迎合學生與社會發展的需要，已不斷設有了新的研究所課程。最近研究所設立五十多種碩士學位研究計劃。另外還增加許多藝術專才的學位課程，以供應謀教職的人深造。

研究所管理東密西根所有的研究教育。值得一提的是僅有正式研究計劃皆已設定，每項計劃

仍有充分彈性以成全每個學生的求職目標。

提供的學位計有：藝術碩士、科學碩士、企管碩士、公共行政碩士、商業教育碩士、美術碩士、個案研究碩士、文藝碩士，以及藝術專家。

入學許可有二種：學位許可與特別學生身份。學位許可須的申請人須有經認可的大專院校學士學位，而且大學後半段學業成績至少在二點五或二點七五。未達標準的申請人可經由交替認可的手續取得學位許可。你應寫信至研究所辦公室索取進一步關於交替認可政策的資料。特別學生則可在任一學期或上課期間註冊而且上課時數也不受限制，但特別學生身份無法取得學位。但倘若符合了各院系及研究所的要求，就可由轉成學位身份。

研究所許可的手續是大多數機構的典型代表。你得填寫並寄出申請表至研究所辦公室。此時，你還必須寄所填過每個學校的所有大學及研究所學分之正式副本。至於外籍學生，托福成績須五百分以上才能免於參加額外的英語課程，而成績在三百九十至五百分也可以被考慮。在斟酌你的申請之前，會先看托福成績。另外得提出的項目有：財力證明、兩封你主管、或畢業學校教授的推薦函，或 的正式成績（由各研究單位決定）。

獲碩士學位的所有條件都須在初次註冊後的六年內完成。

有關特別服務如研究生校方協助、少數研究生獎助金、就業的資料手冊，連同該校每個研究課程的詳情簡章和手冊皆由研究所提供。他們的地址是：

（請見原文）

一九八四至一九八五年外地生的學費是每學分一百四十七美元。通常在秋季或冬季學期的專任時數是十二個學分，而春季與夏季課程則是六個學分。如果你認為能比一般專任者更多的學分，可能會得到研究顧問與所長的許可。

研究所應該在你選擇註冊的學期或課程開始的三十天前，收到你所有的申請資料。如一九八六年夏季班在六月三十日開學，任何寄給研究所的資料都歸他們所有且不再寄還給申請者。而申請者須收到研究所接受通知才算正式獲可。

我們極力建議您寫信到研究院辦公室索取自己想要的研究目錄。

若教書生涯是你的目標，那你不妨考慮東密西根大學，它的根本原植於未來師資的教育。

OKLAHOMA CITY UNIVERSITY

在奧克拉荷馬市立大學 如沐春風

奧克拉荷馬市立大學是一所校風優良而典雅的學府，座落於四季分明的奧克拉荷馬市區，使學校洋溢著清新與中西部的親切氣氛。校園內學生與老師都非常友善，並積極參與活動，使所有學生於課內、課外都能不斷地學習。該校現有來自世界各地五十三國的外籍學生，其中來自中華民國台灣者占最多數。本文就該校生活、課程、入學申請、學費、以及住宿問題做詳細的介紹，對於有志出國進修研究者將是最實用的參考。

If you want to go to a school where the atmosphere is friendly and individually oriented, then Oklahoma City University may be what you are looking for.

Located in Oklahoma City, the capital of Oklahoma, life can be quite a pleasant mixture of western hospitality* and big city life. You can watch the seasons change at OCU, which is a phenomenon* worth witnessing. Oklahoma City is a delight to live within, offering a wide variety of cultural, civic, religious, entertainment, and sports events all year long. OCU itself is set in a residential area with shopping areas and buslines close at hand. The school was first chartered* in 1904 under the sponsorship of the Methodist Episcopal Church.** Today OCU is also known as the United Methodist University.

The philosophy of OCU encompasses* three main points:

1. You learn both inside and outside of the classroom;

Average Weather of Oklahoma City
(centigrade)

January:	0° - 7°
February:	-7° - 5°
June:	30° - 32°
October:	23°
November:	15°
December:	1° - 6°

2. To learn, you need to personally involve yourself;
3. Christian philosophy is an essential aspect of life, therefore students are encouraged to be conscious of the value of humane and ethical* behavior.

Because OCU is a smaller campus, there is a sense of friendliness and desire to be involved with activities. This in many ways allows positive reinforcement of the three philosophical points just mentioned.

The graduate degrees, available at OCU are:

1. Master of Arts** in Teaching (MAT)
2. Master of Business Administration (MBA)
3. Master of Science in Accounting (MSA)
4. Master of Liberal Arts (MLA)
5. Master of Criminal Justice Administration (MCJA)
6. Master of Music (MM)
7. Master of Performing Arts (MPA)
8. Juris Doctor (JD)
9. Master of Arts in Religion (MA)

OCU also offers joint degree programs which lead to the following:

1. Master of Arts in Teaching English as a Second Foreign Language in Asian Countries (MAT in TEASL in Asian Countries)
2. Master of Business Administration in Asian Business (MBA in Asian Business)
3. Master of Liberal Arts in Asian Political Studies (MLA in Asian Political Studies)
4. Master of Arts in Comparative Religion (MA in Comparative Religion)

Of OCU's scholars, some are primarily concerned with solving practical problems, while others are concerned with theories. Forty-seven percent of OCU's student body are graduate students.

When choosing graduate applicants to be admitted, there are certain aspects that are carefully considered. First, your undergraduate records are very important --what and how you did in your undergraduate years. Your scores in the Graduate Management Admission Test (GMAT), the Graduate Record Examination (GRE), TOEFL (500 or higher) or certification that you have completed a recognized English Language School are also important. In addition, you must submit* recommendations from your academic counselors. Your character and personality are looked into, as well as your interest and goals as related to OCU's graduate program. The graduate committee basically is seeking those who have the potential to succeed as degree candidates*, besides those who will bring honor to the school. For special English courses at OCU.

As for housing, graduate students are not required to live in the school's dormitories*, but many do choose to, because it is very convenient. If you are married, you will need to seek housing outside the campus, as there are no facilities available for married students. It should be mentioned that finding housing for married students with children is difficult.

If admitted to OCU, you will need to submit a certified letter of support from a sponsor, family, or other source showing you have funds to study at OCU. It is not a good idea to rely on scholarships which are limited in funds, or campus employment. As you probably already know, off-campus employment is unauthorized.

applications, students from Asian countries should write to:

Oklahoma City, OK 73106
U.S.A.

It is the practice of the school to interview and test all international students upon their arrival. Those students who need additional training in English will be referred to the ELS Language Center or required to enroll* in

When reading about OCU, one is struck by the personal touch that is only found in a smaller campus. To a foreign student, this can be very important, especially if you have never been

so far from home. Take a look at OCU's philosophy once more, and think about it. Essentially, OCU believes a student is nurtured in both academic and non-academic ways, an approach to learning that you may find very valuable.

如果你想到一所氣氛和善又具個性化的學校，那奧克拉荷馬市立大學 (OCU) 也許正是你想要的。

該校位於奧克拉荷馬州首府——奧克拉荷馬市內，在此，生活兼具西方的親切與大都市生活的愉悅。在 OCU，你可觀賞值得一睹的四季變

化，奧克拉荷馬市則是令人愉快的居住之地，且終年舉辦文化、全民、宗教、娛樂以及運動等各式各樣的活動。OCU 本身則座落於離商店區與巴士路線很近的住宅區，該校於一九〇四年由衛理公會教會贊助成立，至今仍以美國衛理公會大

學著名。

OCU 的人生觀包含了三項重點：

1. 課堂內外的一切事物都要學習
2. 需全心投入來學習
3. 基督哲學是生活中不可或缺的，因此校方總鼓勵學生對人性與道德規範價值要有所認知。

OCU 的校園不大，但洋溢著友善的氣氛，學生亦積極參與活動，就許多方面而言，這使得上述的三項生活哲理受到正面的加強。

OCU 的研究所學位有：

- | | |
|---------------|-------------|
| 1. 教育文學碩士學位 | 6. 音樂碩士學位 |
| 2. 企業管理碩士學位 | 7. 表演藝術碩士學位 |
| 3. 會計學碩士學位 | 8. 法學博士學位 |
| 4. 人文科學碩士學位 | 9. 宗教文學碩士學位 |
| 5. 刑事司法管理碩士學位 | |

此外，OCU 亦提供下列的聯合學位之課程：

1. 亞洲國家英語教學碩士學位
2. 亞洲商務企管碩士學位
3. 亞洲政治研究文學碩士學位
4. 比較宗教文學碩士學位

OCU 的老師中，有些致力於實際問題的解

決，有些則著重理論。研究生共占全校學生人數的百分之四十七。

在申請研究所的入學許可時，有幾件事需特別注意：首先，你的大學成績非常重要——那代表你大學期間的所學內容與成果如何。再者，你的 GMAT, GRE, TOEFL (需五百分以上) 或是在獲得認可的英語學校結業證明都很重要。此外，你必須提出學校老師的推薦信。至於你的個性、人格以及對 OCU 研究課程的興趣及目標都是考慮因素。基本上，該校的研究所委員會希望招收具有潛力的人，此外亦歡迎能夠為校爭光的學生。

亞洲國家的學生若需申請函，可寫信至：

(如原文)

學校慣例在外籍學生到達後予以面談與測驗。需要額外英語訓練的學生則會被安排進英語語言中心或先在 OCU 的特別英語課程進修。

至於住宿，研究生不一定要住學校宿舍，但許多人為了方便仍申請住宿。若你已婚，便需至校外另找住處，因宿舍不方便供已婚學生居住。值得一提的是，要找供已婚學生帶著孩子的房子是很困難的。

一旦獲准入學，必須提出一份財力證明表示有贊助人，家庭或其他來源可提供你在 OCU 求學費用。最好勿太期望有限的獎學金或校園打工，同時，想必你已知道，校外打工是不合法的。

想申請任何財力援助要先填一份財力援助表格 (FAF)，此表可自該校財力補助處或入學許可處取得，申請的截止日期為六月一日 (申請次一學年的經費) 例如，你在一九八五年六月申請，則會於次年 (一九八六年) 九月收到財力補助。一旦提出申請，校方將自動考慮所能提供的所有獎學金、補助金、貸款，以及兼職工作等。

溫暖洋溢小校園 隆·摩里斯學院 Lon Morris College

Lon Morris College is very unusual, perhaps unique, among the colleges and universities in the American state of Texas. It

is a small, church-related, residential, liberal arts**, two year college. Allow me to expand that definition.

Lon Morris is small, usually enrolling only 400 students. Most of these live on the campus in dormitories. Because it is small, each professor knows each student in each class by name. The professors are available to assist students after classes with difficult assignments or other concerns about studies. Each student can get to know the other students and form lasting
