自序

新题与老题

新托福考试（TOEFL internet-Based Test）2005年9月率先在北美地区登陆，2006年8月席卷中国，号称托福考试的一场划时代的变革。在此变革中，最引人注目的部分当然是由6道题组成的口语考试，尤其值得关注的是，2008年有多次考试的题目是以前考题的原题重现，例如：

2008年1月5日大陆新托福考题与2006年12月16日大陆新托福考题完全一样；
2008年1月13日大陆新托福考题与2006年10月21日大陆新托福考题完全一样；
2008年1月19日大陆新托福考题与2006年11月5日大陆新托福考题完全一样；
2008年2月2日大陆新托福考题与2007年1月19日大陆新托福考题完全一样；
2008年2月16日大陆新托福考题与2006年12月3日大陆新托福考题完全一样；
2008年2月24日大陆新托福考题与2006年10月29日大陆新托福考题完全一样；
.....

2008年口语考试多次重题，这就提示我们要对以前两年曾经考过的题目格外重视，尤其是口语第一题和第二题，许多所谓的新题其实就是以前老题的翻版甚至是原题重现。因此，了解历次考题的体裁、题材，熟练掌握历次考题的场景、词汇、题型、答题步骤和技巧就成为顺利取得高分的关键。

本书结构

PART I: TOEFL iBT口语真题及高分宝典。自2005年9月以来，作者积累了丰富的北美第一手教学和研究资料。本书第一部分以机经全面回顾的形式帮助考生先对历次考题有一个全面的了解，并在此基础上针对TOEFL iBT口语考试的6个题型逐一进行押题预测，这些题目都是历次考试的热点，也是未来的考点所在。

PART II: TOEFL iBT 新托福口语详细解析，试题6套。本书的第二部分推出6套完整的TOEFL iBT口语2006至2008年机考同级别试题、满分答案和录音原文。这6套试题均以历次考试信息为核心资源，题源权威，直击考试得分点，帮助考生真正达到事半功倍的效果。

PART III: TOEFL iBT口语考试最新解析。本书的第三部分切中TOEFL iBT口语考试的出题宗旨和评分要点，针对中国大陆考生在语音语调、情感表达、逻辑思维、口语词汇、论点展开等诸多方面的问题进行讲解，逐一介绍了TOEFL iBT口语考试6种题型各自的特点、答题思路 and 结构以及必备闪光词汇（形容词）和承上启下词汇等。

PART IV: 附录。本书的第四部分简要介绍了TOEFL iBT口语的特点、评分标准、题型一览和高分必备武器，还归纳了中国考生常犯的语法错误和常见容易混淆的发音（confusing pronunciation），可谓画龙点睛。

本书又历时一载，字字斟酌，句句推敲。书中素材曾帮助数以万计的加拿大考生取得满意成绩，多名考生在短期内取得了口语29分和28分的理想成绩。希望本书能够帮助更多的中国考

生克服TOEFL iBT口语恐惧症并迅速取得优异成绩，实现留学梦想！

谨以此书奉献给所有奋战TOEFL iBT的考生，希望TOEFL iBT口语不再是你解不开的心结；希望大家能够对答如流，出口成章。

特别感谢长期以来给我支持和鼓励的加拿大阳光国际学院徐开宏院长、各位老师和工作人员，以及我的家人、朋友和全体阳光学员。

二、Task 1 真题及满分答案

以上统计研究表明,新托福考试出题是具有可预测性的,一些重点题目在考试中会再次甚至多次重复出现,这种现象在口语考试的 Task 1 和 Task 2 中尤其明显,甚至经常会以原题的形式出现。考生要对 2006—2008 年曾经考过的题目格外重视,许多所谓的新考题其实就是以前老题的翻版或者是原题重现。因此,了解历次考题,并对其中的一些重点题目有所准备,是快速取得高分的捷径,对于一些基础较差的考生就更是如此。

下面的 23 个题目大部分是历次考题的题目,已经标出曾经出题的日期,有的题目没有标明出题日期,但仍然是常考话题,也是备考的重点内容。这些题目在接下来的考试中还会以原题或翻版的形式再次出现,请考生认真准备,灵活运用,定能达到事半功倍的效果。

1. Describe an important subject and explain why it is so important to you.

English was a required course throughout my high school years in China and the class was essential.

What I learned in the class was English grammar, vocabulary and composition, which laid a solid foundation for me to command the language.

Moreover, English class was inspiring. For one thing, it was an eye opener, helping me understand western cultures, particularly songs and movies as both the lyrics and the lines made more sense to me. For another thing, I chose English as my undergraduate major and later became an English writer in China's national news agency. (95 words)

出题日期: 2007 年 7 月 7 日, 2007 年 7 月 21 日, 2008 年 1 月 12 日

2. Describe the holiday you enjoy celebrating.

The holiday I enjoy celebrating is Christmas.

First, Christmas is about family reunion. No matter how far away you are, you go home on Christmas and have dinner with family and friends. People are smiling, places are decorated and Christmas songs are heard everywhere. It is indeed the most wonderful time of the year.

Second, Christmas is the best time for children who have been looking forward to Santa Claus's "coming to town", for the entire year.

Third, Christmas is about shopping. In Canada, there is a huge Boxing Day or Boxing Week sale and you can get many good deals. (101 words)

出题日期: 2006 年 12 月 3 日, 2008 年 2 月 16 日

3. Describe a celebration that is memorable.

The Christmas of 2007 was memorable because it reminded me of family and friendship.

First, it was indeed a family reunion. I went back to China to see my mother and also got to see many friends who took me to fancy restaurants, malls, bars and clubs, and we had a wonderful time.

Second, the Christmas dinner was fabulous as we had such a deluxe and diversified menu. There were traditional Chinese foods such as dumplings and egg rolls, and there were steaks and salads. I even cooked Italian meatballs and pastas.

In addition, the shopping experience was unforgettable. I went shopping with my friends every single day and got many good deals. (113 words)

出题日期: 2006 年 12 月 3 日, 2008 年 2 月 16 日

4. If you had a chance, where would you like to go and why?

If I had a chance, I'd visit Las Vegas, a place that is sleepless, romantic and entertaining.

First, I'd visit the dazzling casinos. If I was lucky, I would win some money; if not, I'd just experience the atmosphere and have some fun.

Second, I'd watch the fantastic shows such as singing, dancing, acrobatic and magic shows. Plus, since Vegas is one of the most popular destinations for tourists, tremendous promotion packages are available. Not only could I get good airfare deals, but also hotels and car rental's deals.

Las Vegas is my dream destination. (95 words)

出题日期: 2006年11月17日, 2007年1月19日, 2007年8月11日, 2007年8月17日, 2007年12月1日, 2007年12月15日, 2008年3月8日

5. Describe the city you live in. (Describe a city or town you have lived and you like.)

Toronto is the city I live in and I love the city very much.

First, Toronto is famous for its cultural diversity. When you walk down the street, not only can you see different faces and clothes, but also hear different languages. Sometimes you hear everything but English.

Second, Toronto enjoys a fantastic reputation for great foods, such as Chinese, Korean, Italian and Greek. You name it. You don't have to travel very far to taste the delicious food across the world.

In addition, Toronto is beautiful. The downtown skyline, Centre Island, the CN Tower and the beaches make Toronto a wonderful cosmopolitan scene. (104 words)

出题日期: 2007年12月1日, 2007年12月15日, 2008年3月8日

6. Describe the person who has influenced your life.

The person who had influenced my life was my father.

First, he taught me to be a brave girl. At the age of 8, I was already a swimmer, however I was afraid to get rid of the inner tube. In fact, it took him the entire afternoon to encourage me to throw the inner tube away and eventually I did and swam like a fish.

Second, he taught me to love music. He said: "Music is knowledge, music is company, and music is power." If it weren't for my father, my life wouldn't have been so enjoyable.

Most importantly, he taught me to love life and live it to the fullest. (111 words)

出题日期: 2007年6月24日, 2007年10月20日, 2008年2月23日

7. Describe an important book you read recently.

An important book I read recently is *The Five People You Meet in Heaven* by Mitch Albom and I like this best-selling novel which is philosophical, profound and inspiring.

What I've learned from this book was how to appreciate, how to forgive and how to understand. In fact, there were things that were hard to forget and difficult to accept and for many years I've been trying to search for an answer to questions like "Why that happened to me?" The book provides a solution to many puzzles and reminds me to be grateful about what we have before it is too late to do so. (106 words)

出题日期: 2006年12月8日, 2006年12月10日

8. Describe the most important decision you made in your life.

The most important decision I made in my life was to immigrate to Canada. This decision was a turning point in my life because it ushered in opportunity, hope and dream.

First, I wanted to turn over a new leaf in my life and forget about all my sorrows and pains. Immigrating to Canada allowed me to start all over in a whole new world.

Second, I wanted to pursue my new dreams and get myself to the next level: improve my English, go to a university, and find a better job or a new relationship. Everything appeared so promising. (100 words)

9. Describe a memorable political event in your country.

The most memorable political event in my country was the ceremony marking Hong Kong's official return to China on July 1, 1997.

First, the event was unprecedented because it signified the end of British rule after 99 years, and the beginning of a new era of "One Country, Two Systems", namely both socialism and capitalism work together in China, a creative political strategy initiated by the late Chinese leader Deng Xiaoping.

Second, the event was epoch-marking for Hong Kong's people because for a century, as colonists, they had neither a country nor a national flag. Starting 1997, Hong Kong's people became part of a bigger family and the Chinese were united. (111 words)

出题日期: 2006年12月1日, 2006年12月3日, 2007年8月25日, 2007年9

月8日, 2008年3月30日

10. Describe an object, plant, or animal that represents your native country and explain its significance.

The special animal in China is none other than China's national animal — the giant panda. The giant panda is special for many reasons. It is unique to China; and it looks cute, kind of slow, mild and content. The giant panda is special also because it is on the verge of extinction. There are roughly 1,000 giant pandas left in the wild because the lack of food and the threat of illegal hunting activities have given them a tough time. Furthermore, the giant panda is the diplomatic symbol of China. From time to time, pandas are sent to many countries for exhibition, serving as the ambassadors to the world. (109 words)

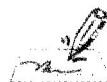

11. If you could know something about your future, what would you like to know? Why?

If I could know something about my future, I'd like to know the following things. First, I'd like to know my future career. Career is my priority and the foundation of a happy life because I want to feel accomplished and recognized. After all, I don't want my life to go unnoticed.

Second, I'd like to know my future family. I am family-oriented and I want to know when I will be married, whom I will be married to, and how many children I will have. Only when I have a family and become a mother will my life be complete.

Third, I'd like to know how long I can live. Am I going to be healthy and trouble-free? (119 words)

12. Describe the most efficient transportation in your country.

The most efficient transportation in my country is the bicycle.

First, it is hassle-free. I don't have to worry about rush hours, traffic jams and accidents; I am always free to go, and always be on time.

Second, it is convenient for short trips. People do everything by bike, go to work, pick up groceries, go to school, etc. You name it. I used to go to school by bike throughout my high school years.

Third, it is economical and environmentally-friendly. I don't have to buy any ticket, never worry about gas, parking, insurance, and it requires little maintenance. (98 words)
