Sir,

With reference to our recent conversations regarding a settlement of the question of land tenure in the British Concession area at Amoy, I have the honour to request Your Excellency's confirmation of my understanding that the documents of title to the lots of land in the said area issued by His Majesty's Government in the United Kingdom to nationals other than Chinese will be exchanged for Chinese deeds of perpetual lease, a registration fee of \$1 per mou being charged, and that the said Concession will cease to exist and the Exchange of Notes of 1852 embodying the agreement covering the leasing of the said area to His Majesty's Government will be cancelled as from the date on which the Chinese deeds of perpetual lease for the lots above referred to have been duly executed and issued and handed to the British Consul at Amoy for transmission to the lotholders other than Chinese in the said area, and that as regards the Chinese lotholders in the said area appropriate documents will be issued to them by the Chinese authorities on the production of the deeds issued by His Majesty's Government, which shall forthwith be returned to the British Consul to be cancelled in the same manner as similar deeds issued to nationals other than Chinese.

I avail myself of this opportunity to renew to Your Excellency the assurance of my highest consideration.
