序——

随着我国改革开放的不断深入，当代摄影已直接进入大众的日常生活。许多热爱生活的专业和业余摄影艺术工作者，对摄影艺术事业的追求事实地成为他们的生活方式和生活态度，又必然地成为他们步入艺术殿堂的不竭动力。一幅幅真情写照、讴歌奉献、赞美山河的摄影佳作，与时俱进，走向生活，走向社会，走向世界。一张张生动画面，在让人们充分领略美丽的自然风光和独特的民族风情的同时，也让人们了解到生活多姿多彩的需要，从而捕捉到人们精神生活、精神交往和精神享受的多样性。

摄影艺术创作的源泉根植于我们的现实生活、现实社会和现实时代。摄影艺术活动提升了人们的生活质量，拓展了人们的生活空间。一方面，摄影追寻真、善、美相统一的境界；另一方面，摄影又揭露假、恶、丑的社会阴影。在这种情形下，贺震阳同志拍摄的个人摄影作品集一书的出版发行，无疑是积极地转向了人与自然、人与社会、人与艺术的方向定格，留下了瞬间艺术的美。这本书以敏锐的视角、新颖的构图、充分地表现了作者的摄影艺术水平，倘若对这本书做进一步品味，将可提供艺术欣赏和相互学习交流，共同提高摄影创作水平。

该画册汇集作者的100幅摄影作品，有诗情画意的山川草木；有绚丽斑斓的民俗风情；有激昂动人的体育竞技；有天真无邪的童真情趣；有家乡建设的丰硕成果……该画册语言生动流畅，格调清新典雅，色彩莹泽瑰丽，内容丰富，含意深邃，足见作者深入生活，匠心独到，把尊重自然、尊重生活、尊重艺术兼收并蓄于科学之炉，又以大众乐于接受的摄影形式将瞬间变为永恒，每幅作品都折射出作者之功力。

这些摄影作品映衬出人们生活中自然形态的东西，但表现手法却是细腻的，因而也是生活中富有价值的元素。这些作品集中、典型和富有活力的抓拍，是耐人寻味的。因此，作者以热爱生活的思想感情，向人们展示了人与自然的和谐相处和构建社会主义和谐社会的憧憬，并将之浓缩成一幅幅优美的作品。

祝愿震阳同志的摄影创作永不歇息，追求永不停步，为繁荣我国摄影艺术事业再创佳绩。

The Foreword

With gradual deepening of China's reform and opening to outside world, contemporary photography has become part of people's daily life. For a number of photographers, professional or amateur, their pursuit for the photographic art has as a matter of fact reflected their way of living as well as their attitude towards life, and will be surely an enduring impetus for them to enter the palace of the art, with excellent photos in praise of dedication by the people and magnificence of the mountains and rivers of the country, all true to life and up to date and oriented to the needs of the people's daily life. In addition, the photos, through a full display of natural attractions, distinctive ethnic cultures and various needs of the people, these photos have seized the right moments of the people's spiritual life, association and enjoyment.

The photographic art originates from our actual life, society and time, and photographing activities help improve the quality of the people's life and expand their scope of activities. On one hand, photography integrates truth, goodness and beauty, on the other hand, it also exposes the false, the evil and the ugly over the society. Under such a circumstance, Zhenyang's Photos Album leaves us the beautiful moments of man's relation with nature, society and art in a positive manner. The photographer's keen vision, new brand conception, and elaborate choice of colors, all fully show his brilliant attainment in photography. Thus this album is worthwhile recommendation to the lovers of the art as artistic appreciation and study for the album will be helpful for them to improve their photographic level.

In Zhenyang's Photos Album are 100 photos taken by the photographer. They unfold before our eyes picturesque scenery, colorful ethnic cultures, exciting sports tournament, fun, innocent and pure children, and great change which has taken place in his hometown. Moreover, with smooth, elegant and profound captions by Mr Liu Hongyu, a well-known poet, the photos show that the photographer goes deep down to the people's daily life and skillfully turns every moment into perpetuity in the form of photography widely accepted among people while valuing nature, life and art in his own style.

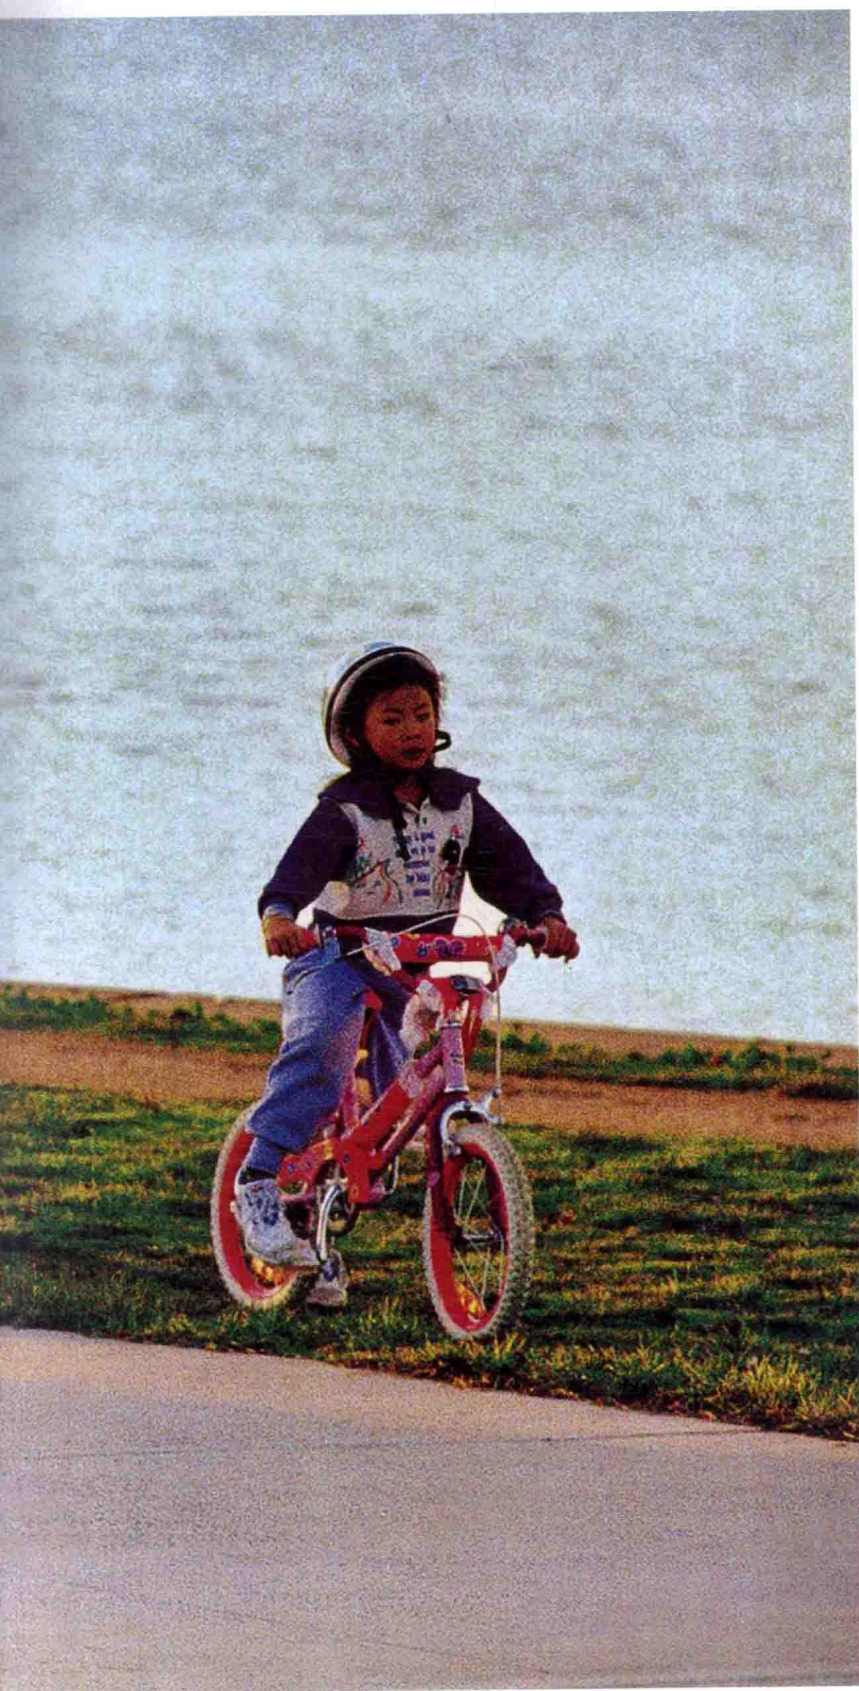

These photos are valuable as they exquisitely reflect people's life; they are also meaningful and thought-provoking thanks to the photographer's integrated, typical and lively snapshots. With his deep love for life, the photographer spreads out in his album an eye-catching miniature of the people's living with nature in harmony and their longing for a harmonious socialist society.

May Zhenyang's photographic creation and pursuit never end with greater achievement for prosperity of the photographic cause of the country!

赛车虽小，装备可好，
专业帽，运动鞋，还有高档的运动装，
今天，只是在原野上逗耍，
明天，将驰骋在奥运会的疆场。

春天到了，树木要发芽了。
小和尚站在树下，遥望着远方，
那是他的家乡，他心中充满了绿色的渴望。

会当凌绝顶，一览众山小。站在思想的高端，极目四顾眺望，纵横一万里，苍山如海；上下几千年，烟云如潮。

从山林出来，在这里痴情地等待……

不需要有多敏锐的眼睛，因为鲜花离你是这么的亲近。
你可以随手剪下一片，都是黄灿灿地扣动心扉。
你可以随口呼远唤近，都是活鲜鲜的有生命的灵性。
