Macro Marvel
(billionaire inventor)

Welcome to Micro World!

Macro Marvel invented Micro World – a micro-sized theme park where you have to shrink to get in.

A computer called **CODE** controls Micro World and all the robots inside – MITEs and BITEs.

A MITE

A BITE

Disaster strikes!

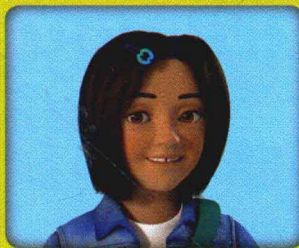

CODE goes wrong on opening day.
CODE wants to shrink the world.

Macro Marvel is trapped inside the park ...

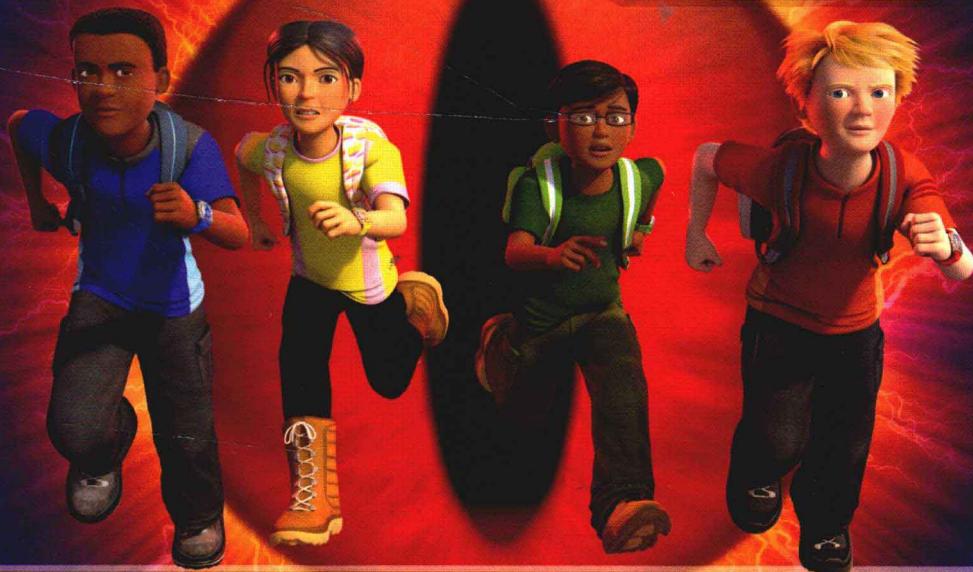

Enter Team X!

Four micro agents – **Max**, **Cat**, **Ant** and **Tiger** – are sent to rescue Macro Marvel and defeat CODE.

Mini Marvel joins Team X.

Mini Marvel
(Macro's daughter)

In the last book ...

- The Ice-BITE had turned the huskies into ice!
- The BITE rolled a huge snowball downhill. Tiger and Mini got out of the way just in time!
- Rex melted the ice to free the huskies.

Into the zone

How can Tiger and Mini warn the others about the Ice-BITE?

Watch Out!

Tiger, Mini and Rex were at the Husky Rides. The husky dogs were jumping up and down.

“The huskies are excited. They need to go for a run. Let’s hook them to their sledge and go for a ride!” urged Tiger.

“We’ve got a job to do first,”
said Mini. “We must tell the
others about the Ice-BITE.”

Mini spoke to Max using her Gizmo.
“Where are you?” she asked.

Max's watch flashed. It was Mini. Max quickly replied, "We're on the Skyway. Have you seen the BITE?"

“Yes,” Mini replied. “It’s a large Ice-BITE. Get ready to dodge it. It can turn everything into ice and it’s in a rage!”

Now you have read ... **Watch Out!**

Take a closer look

Tiger said, "The huskies are excited." How did he know this? Think about what he can see and hear.

Thinking time

Read Mini's warning again on page 10.
How do you think Max will reply?

Into the zone

Do you think Max, Cat and Ant will be safe from the Ice-BITE?

Skyway Plunge

Max, Cat and Ant were riding on the Skyway.

“I can see the Ice-BITE near the cables!” said Cat. “What is it doing?”

The Ice-BITE was using its sharp icicles to cut the Skyway cable.
