Yesterday, Dad came back from Germany. Mom, Ann and Ken went to the airport to meet him. Mocky went with them, too. Mocky saw Dad first and ran to him quickly. He was very excited and he wanted to help Dad with his bag. Soon, Mocky came back with a blue bag, but it wasn't Dad's bag. Dad's bag was green.

Mocky went away again. This time he came back with a green bag. He opened it but there were only women's clothes. It wasn't Dad's bag either. A woman walked to them. She had a green bag in her hand, but it wasn't hers. Finally, Mocky gave his green bag to the woman and the woman gave her green bag to Dad.
