Dear Timothy:

What can I say to express my pleasure with and enthusiastic approval of your latest recognition? I think you are truly deserving of the confidence and respect which your associates and students feel for you. I know that the Time Institute of the American Language will prosper under your effective leadership.

Again, congratulations on your honor. I am humbled that you took the time to write me of your good news.

Respectfully,

Dear Dr. Chung:

I want to thank you for the information regarding "Time Institute". Congratulations to you on being appointed Dean. We will look forward to your continued assistance.

It would be interesting to visit Taiwan again and to talk with your students as you suggested by phone. However we do not have any vacation plans in the near future which would bring me to Taiwan. In fact we are going in the opposite direction to Italy this summer and to Germany in 1980.

You may not be aware that I will be retiring from full time work at La Verne on December 31, 1979. I am not sure just what I will be doing but hope to continue my association with La Verne and with Education on a part time basis.

It appears, from the title of the Institute that you will be involved in training students to prepare for admission to colleges and universities in the United States. This appears to be an additional idea from your former work. If we can be of any help in this area please let us know. It would be interesting to know how you prepare students to apply to universities and what material you use to improve their English. From time to time we have instructors who might be willing to accept a "short term" teaching assignment in teaching English.

Thanks again for your continued interest in the University of La Verne. We are indebted to you for sending many outstanding students to us. We hope the education they have received has been helpful to them.

Sincerely,

Clark Lewis  
Assistant Dean

Dear Tim:

I have finally arrived back in Los Angeles and work in the office. My stay in Taipei was certainly a memorable one for me and I cannot tell you how much I appreciated your generous hospitality. I only wish I had had more time to see more of Taipei, it was really great.

I am unable to give you any definite answer on the scholarship question. In one month they are going to consolidate all foreign student offices under Dr. Jerry Wulk and I am going to move on to another section of the university. Possibly I may have some decision making power in this area in the future, in which case I will let you know immediately.

Thank you very much again for everything and I hope to see you in Los Angeles again soon.

Dear Dr. Chung:

In answer to your recent letter to Mr. Elliott Taylor, this is to inform you that as yet we have not received a formal application from Miss Lynda Lin-Mei Chiu. After her application is received, as well as the other required materials (letters of recommendation, transcripts, TOEFL scores, essay of purpose, and the \$10.00 application fee), her file will be reviewed by the Graduate Admissions Committee for a recommendation on admission status and possible financial assistance.

Graduate School scholarships, in the form of teaching assistantships, are awarded only after a careful review of the applicant's need and scholarship ability.

If I may be of further assistance, please do not hesitate to write.

Sincerely,

Dear President Chung

Thank you for your letter of May 18, 1965 recommending Mr. Jesse Shaw who has applied for admission to Lewis and Clark College.

I was glad to have your recommendation and to know that Mr. Shaw had done well in the English tests which you gave him.

I had written to Mr. Shaw on May 11, 1965 indicating that we would like to have him take the College Entrance Examination Board tests, if possible, in July. We are hesitant in accepting Mr. Shaw as our college work here, in English, of course, is very difficult even for some of our American students. The transcript of Mr. Shaw's undergraduate work indicated that he had not had background that would be very helpful to his work here, a Liberal Arts college.

We thank you again for your interest and will expect to hear from Mr. Shaw as soon as possible in answer to my letter of May 11.

Sincerely yours

# 序

自教育部公佈留學規程及根據美國教育評審會之發表， 671 所美國合格之各大學及獨立學院以來，我國有志赴美留學之學生欲找出一本包含這些全部大學及獨立學院之正確參考書甚感困難，編者自美國回來後接到了許多學生之來信，希望我能編出一本這些學校之詳細參考書。適值編者在美一年多的時間裏，遍訪了美國各州之許多大學及獨立學院，獲得了許多寶貴資料，同時又攜帶回 1971 年版之下列各種書籍：

- ①美國各大學及學院
- ②美國大學研究院指引
- ③美國各大學及學院指引
- ④美國各州立大學及學院
- ⑤美國各私立大學及學院
- ⑥美國大學及學院入學標準等書籍。使用上列這些參考書，編成本書，其內容如下：

- 1 如何選擇美國大學及學院。
- 2 如何申請入學證明及獎學金，
- 3 美國五十州及其他地區簡介。
- 4 美國五十州及其他地區教育概況，
- 5 教育部認可及根據美國教育評審會發表之美國各大學及獨立學院詳解。

本書編彙之目的是為一般準備赴美留學的青年在出國前對於欲申請之美國各大學及獨立之學院，及各該校特點有明確的認識及瞭解，同時亦能使讀者，估計本身之經濟能力，是否能負擔你欲進入之學校所需要之費用，同時亦可使你瞭解各校可獲得獎學金之情況，這樣才不致因隨便申請而誤進了一個學校。到達美國後，因學校不適合自己志趣。甚至因不能負擔學校之昂貴學費，又用盡了所帶去的錢，而流落海外，則更為可惜了。

爲了節省讀者之費用，編者特在各校注明入學所須之考試：  
例如 TOEFL（外國學生之英文能力考試）及 G. R. E  
（Graduate Record Examination 研究生入學資格考試）作爲  
讀者欲申請學校時之參考，而且編者又將本書使用之中英文系別  
列對照表，作爲讀者選擇科系時之參考。

本書在編輯期間，聘請了多位留美學者協助編輯及翻譯，全  
部耗費已超過新臺幣二十餘萬元，足見本書所具之價值及編者對  
本書編輯期間之嚴謹態度。若仍有謬誤疏漏之處，尙祈先進明達  
及讀者們不吝賜教匡正，則幸甚矣！

Graduate Record Examination

Test of English for foreign language

## 六 版 序

至本書六版問世爲止，教育部已重新認可 1504 所美國大學及學院。六版增訂兩篇（即第五十四及五十五篇），約 100 餘頁，以便詳細說明及校正教育部所認可之 1504 所美國大學及學院之資料。

編者爲了蒐集及訪問教育部新認可之美大學及學院，曾四次訪美獲取此一新資料。爲供欲赴美國留學之同學參考，編著特在本書所列前被教育部認可而現已被取消之美國大學及學院，特別註明「教育部已取消該校」之字樣，而且因美之跌價，美國本土通貨膨脹，本書所列之各校費用已不正確，但經編者調查，本書所列各校之學雜費及生活費用大約已增加百分之四十至百分之八十之間，故希同學們注意及之。但編著已在二版增訂之第五十四篇內將本年以前教育部認可之美國大學及學院之一覽表及編號印出，以供參考。

# PREFACE

This book aims to be a handy manual of essential information for the students who need aid and assistance in selecting American colleges and universities for their future studies in the United States of America or who desire to find necessary information of the colleges or universities they have decided to attend.

To publish a detailed directory on these 671 American colleges and universities accredited by the American Institutions of Higher Education and recognized by the Ministry of Education, Republic of China, requires co-operation of many persons: college and university officials, specialists in various aspects of higher education and data collection; and a dedicated staff of workers, editors, and proofreaders. The author is indebted to all those who participated in providing information and in editing the colleges and universities entered in this volume.

Special acknowledgement is made to Prof. H. Upchurch, University of Maryland and Prof. Athey of Miami University as well as those students at various American colleges and universities for their capable and essential work on this edition: Miss Ming-ho Hsiao, Miss Yen-ming Chung, and Miss Fung Chiang who helped collect and sort the source information; Mrs. J. Upchurch, and Prof. Chin-yi Ho who did a lot of typing and proofreading, and the officials of the American colleges and universities

who gave the information here presented; Mr. Shuan-tuan Liu and the printers for their patience and the help they have given me in matters of many other ways.
