"Help!" barked Hermann, the draught excluder.

"I've been tied in a knot!"

"快帮帮忙!"小狗希尔曼叫着,希尔曼变成了防风帘。

"我被打成了一个结!"

"Goodness!" twittered Muriel from her lampshade. "I've been scribbled on!"

"天贝牙!"小鸟穆里尔从它的灯罩里钻出来瞅瞅地叫着。

"我被涂鸦了!"

"ATISHOO!"

"阿嚏!

sneezed Roly,

the saltpot penguin.

"I've been filled with pepper."

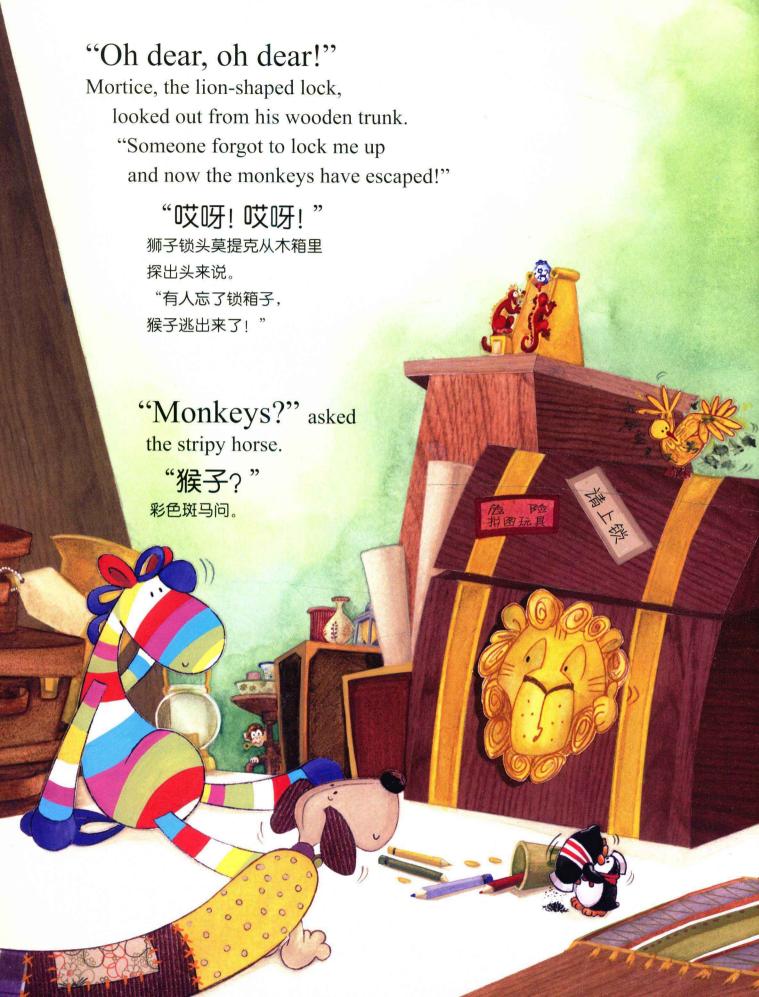

萝莉打着喷嚏,

它是一只企鹅形状的盐罐。"我被装满了胡椒粉。"

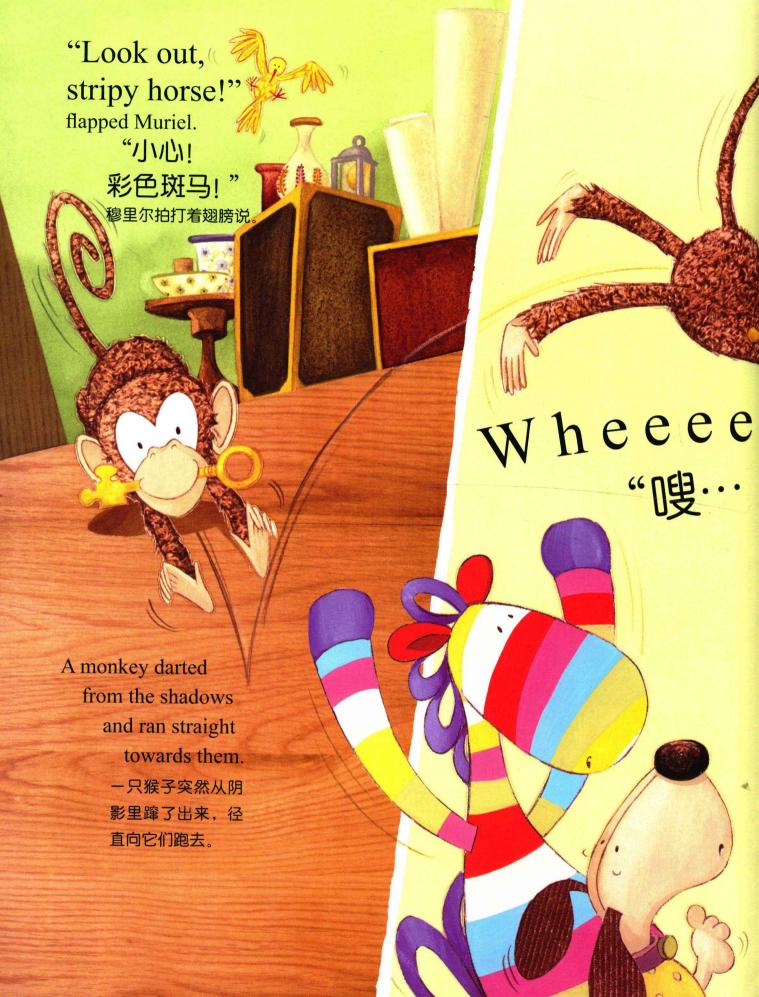

"And I've been filled with salt," groaned his pepperpot partner, Pitch.

"我被装满了盐,"它的同伴比奇,

一只企鹅形状的胡椒粉罐抱怨道。

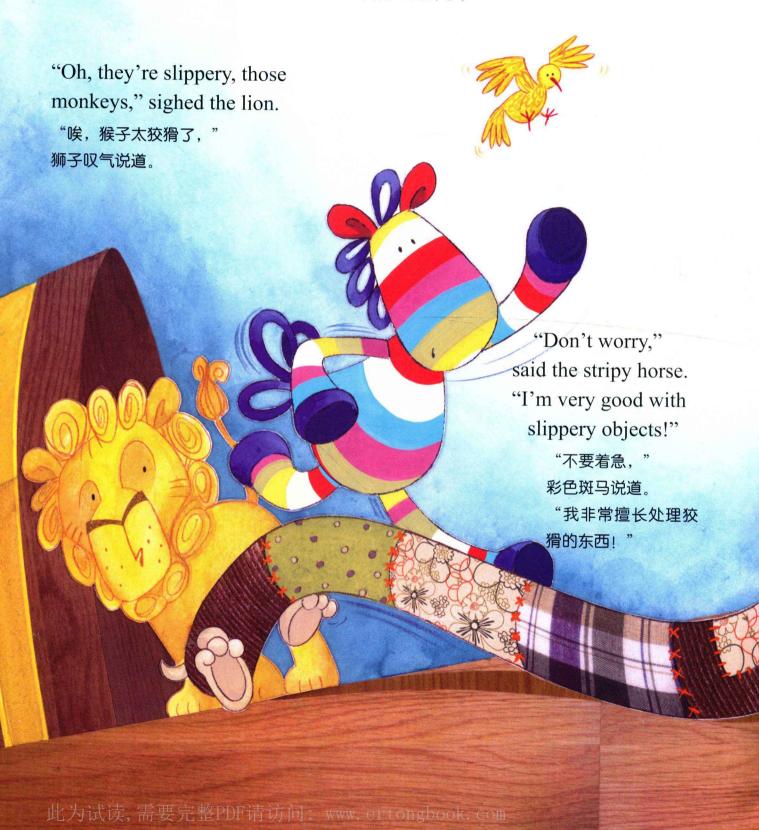

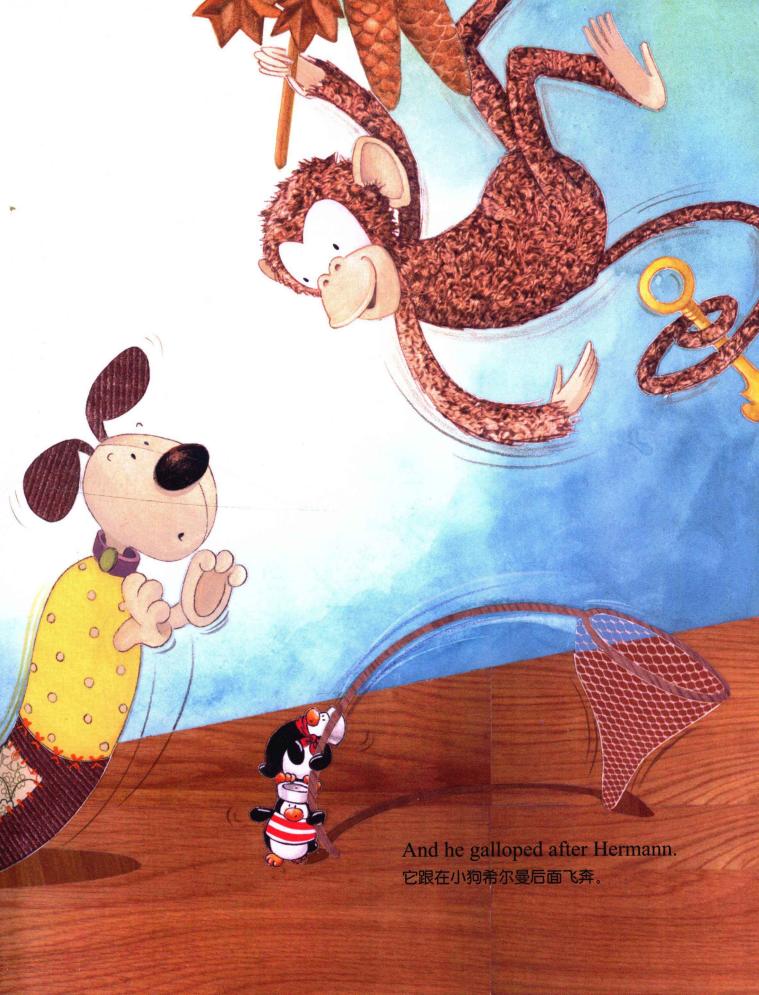

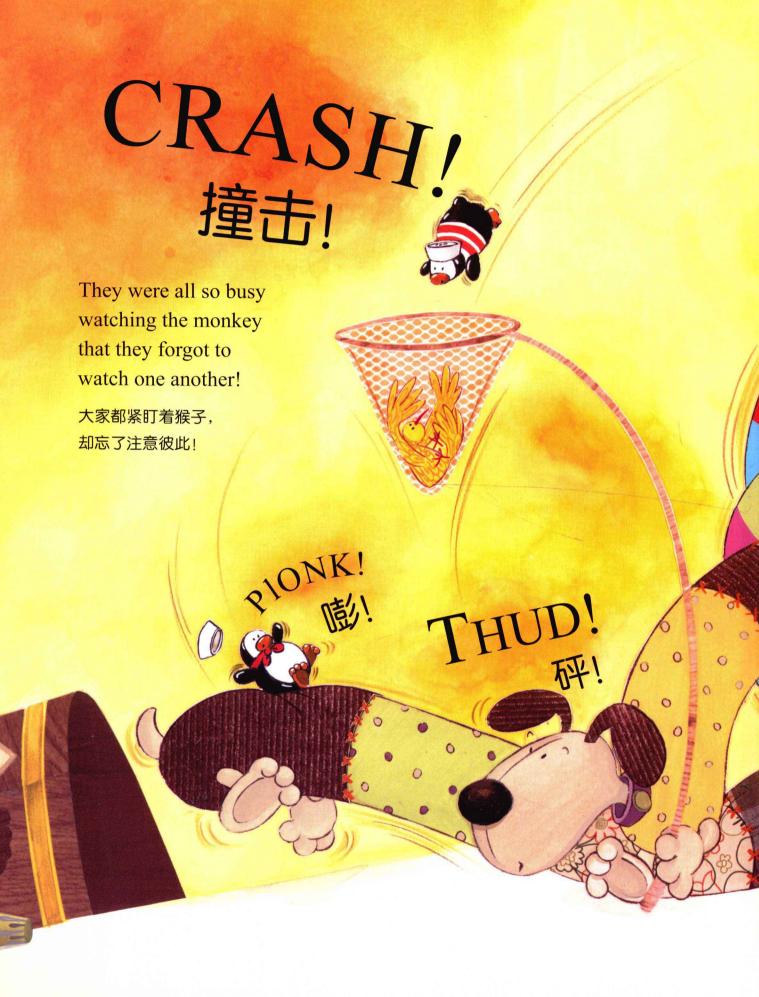

"Stop thief!" bellowed Hermann, as the mischievous monkey swung up and away.

"站住!小偷!"希尔曼大吼着,

而这只淘气的猴子悠悠荡荡地跑掉了。

"Well, you won't catch a monkey like that," said Mortice.

"哦,**像**那样你们一只猴子都抓不到," 莫提克说。

"We must get all the monkeys to stand on top of the jigsaw," explained Mortice. "Then shout, 'ELZZUP YEKNOM' as loudly as we can and the monkeys will be pulled back into the puzzle."

"我们必须让所有的猴子都站在拼图玩具上," 狮子莫提克解释说。"然后—起大声喊'**艾尔厄皮丫克努**'(咒语), 这样猴子们就会被吸进拼图当中。"

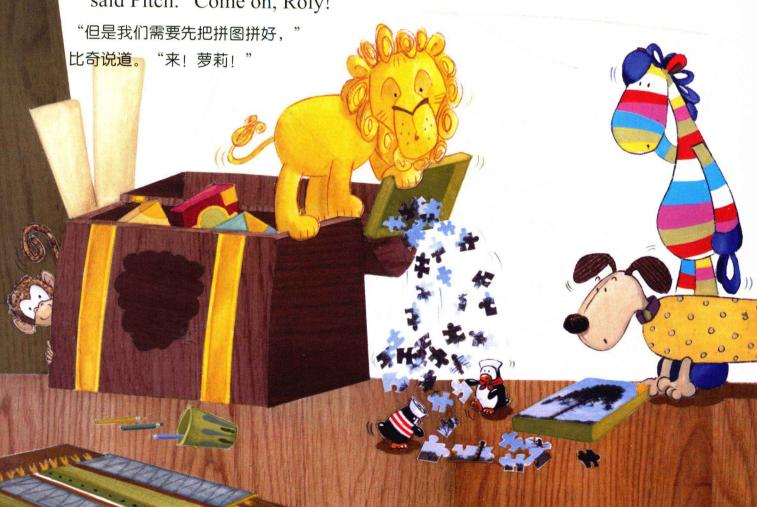

### "ELZZUP YEKNOM?" said Hermann.

"That sounds like fun!"

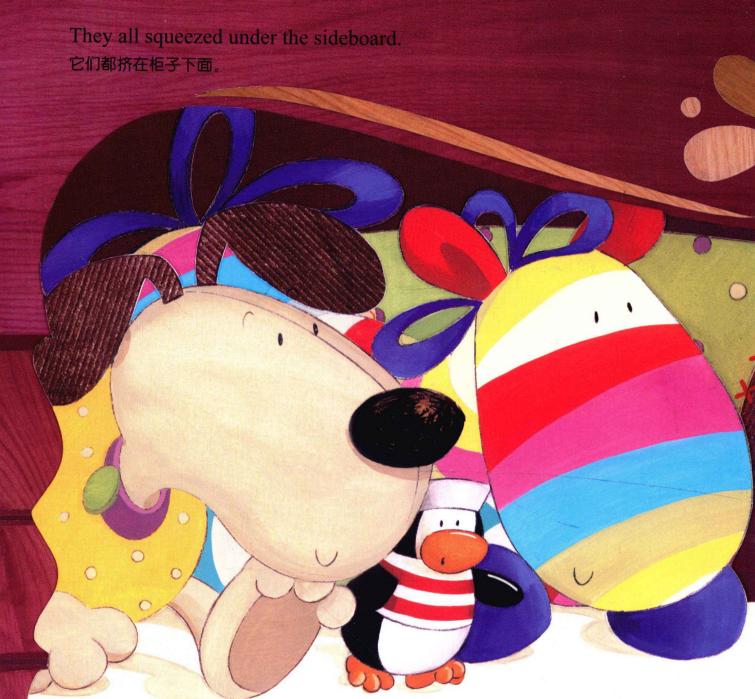

"艾尔匝皮丫克努?"小狗希尔曼说道。

"听起来好像很有趣!"

"But we'll need to make the jigsaw first," said Pitch. "Come on, Roly!"

"To get the monkeys back on top of their puzzle," whispered Muriel,

"we'll need something they can't resist."

"为了使猴子们能站回到拼图上,"小鸟穆里尔小声地说,

"我们需要一些它们无法拒绝的东西。"

"What do you mean?" asked Pitch.

"BANANAS!" woofed Hermann.

"这是什么意思?"比奇问道。

"香蕉!"小狗希尔曼深沉地说。
