七、阅读理解。

根据对话中所说的位置确定图中几个方框分别表示哪些机构或场所。发挥你的想象,将它们在各个方框中描绘出来,并在一边的横线上用英文注明机构或场所名称。

John: Nora, do you live near here?

Nora: Yes, my house is on Green Street, next to the bank.

John: I know there is a small park on Green Street.

Nora: Yes. I went there last Sunday.

John: Is it far from your house?

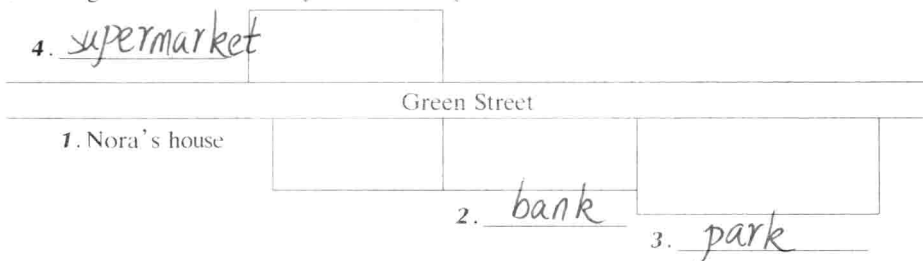

Nora: No, it's near my house. It's just next to the bank.

John: Then the bank is between your house and the park, right?

Nora: Yes, you're right. Is there any park near your house?

John: No, there isn't. You're lucky. But there is a post office across from my house.

Nora: Oh, that's good. Across from my house is a supermarket.

根据短文内容判断句子正(T)误(F)。

When you are in England, you must be very careful in the streets because the traffic drives on the left. Before you cross the street, you must look to the right and then to the left.

In the morning and in the evening when people go to or come from work, the streets are very busy. Traffic is the most dangerous.

When you go by bus in England, you have to be careful, too. Always remember the traffic moves on the left. So you must be careful. Have a look first or you may go the wrong way.

In many English cities, there are big buses with two floors. You can sit on the second floor. From there you can see the city very well. It's very interesting.

- (F) 1. Buses and cars drive on the left in all countries in the world.
- (T) 2. In England, before you cross a street, you must look to the right first.
- (F) 3. In England the traffic drives on the right side of the road.
- (T) 4. The streets are very busy in the morning when people go to work.
- (F) 5. The road aren't busy in the evening when people get back from work.
- (T) 6. In England, many cities have big buses with two floors.

七、阅读理解。

Do you think animals can tell you what the weather will be like? Some people believe that the groundhog (土拨鼠) can. The groundhog is a small furry animal. There is a special day in America called the Groundhog's Day, which falls on Feb. 2. On that day, if the groundhog comes out of his home in the ground and sees his shadow, he will be frightened and hurry back into his hole. People say that this means there will be six more weeks of winter to expect. But if he cannot see his shadow and stay out of his hole, it means that spring will be here soon.

(D) 1. Which of the following is NOT true?

A. The groundhog is not a small hibernating animal. ✓

B. The groundhog can be used for the weather report. ✓

C. The groundhog has an underground home. ✓
