序 PREFACE

Jane European Style blends Classical European Style and modern life together. It makes residences luxurious and romantic. In recent year, a ever-growing number of people favour this style in China, due to its elaboration, concision, elegance, nature and fashion. Spaciousness is the elementary characteristic of Jane Europe Style in. Spacious space reflects its momentum. The fresh window, the shape of the fireplace, decorative plaster lines... are also striking characteristics of Jane European style.

For another, Jane European style largely depends on the combination of various furniture. Such as the concise sofa, the matching of dark and light colors, showing the clearness and nature. Not only does it conform to the aesthetic standard Chinese, but also it reflect the European style.

This book shows the characteristics of Jane Europe style from various aspects with several highly representative works. Designers are so ingenious that they satisfy Chinese people's taste perfectly and embody the modern fashion.

简约欧式风格融合了古典欧式风格和现代生活的元素,让居室既显得豪华大气,又不失浪漫写意。凭着它精雕细琢、简练优雅同时贴近自然、携手潮流的特质,近年来受到越来越多国人的青睐。简约欧式风格的空间特色首先体现在宽敞、充足的空间足以体现它的风格气势。落地的玻璃窗,壁炉的造型,带有花纹的石膏线勾边,等等,均是简约欧式风格的亮眼特点。

其次,简约欧式风格很大程度上取决于各种家具的组合。如简约的沙发,或浅色或深浅的搭配,清新自然,既符合国人内敛的审美观念,又兼带欧洲风格。西方风情造型的壁灯,金属框裱起的抽象画或是一幅摄影作品点缀在墙上就能营造出浓郁而具有人文风情的欧式情调。

本书精选了多个极具代表性的作品,多方面展示了简约欧式风格的特点。设计师们在此风格上的匠心独运,既满足国人的品位,又展示了现代流行。

Ayazpasa house is back again with a fresh new makeover.

Displaying pieces from Autoban's newest collection including the cosy Nest Chair and a specially enlarged version of Deco Sofa, the house has been given a sleeker, more dramatic look. The house has an extremely high ceiling, a dramatic feature that originally set the scene for the design of the space. The kitchen has an ornate gold

ceiling as its central feature, with the designs at floor level simpler in form— all the appliances are integrated in a single large marble block. Wood is used for the cupboards for a stunning contrast of materials, while providing a breath of warmth to the space. The marble bathroom bears a strong reference to Hamam culture, and features a massive washbasin with brass legs and a thick marble framed mirror hanging above.
