序言

中华民族文明的历程,于今已达数千年之久了。中国书画作为民族文化艺术的重要部分,为促进人类文明和社会进步发挥了巨大的历史作用。独特的中国书画艺术,造就了许许多多伟大的艺术巨匠,他们为我们留下了极其丰富的艺术瑰宝。

胡锦涛总书记在中国文联第八次全国代表大会、中国作协第七次全国代表大会上指出: "全面建设小康社会、开创中国特色社会主义新局面的历史进程必将推动我国文艺事业全面发展繁荣,中华民族的伟大复兴必将伴随着中华文化的伟大复兴。" 建国后,尤其是改革开放 30 年来,社会稳定,国民经济飞速发展,党和政府对文化建设的高度重视,促使了文化艺术产业的大力发展。人民群众生活水平随着经济的发展,得到了很大的提高,收藏书画艺术作品已经成为很多人尤其是企业家、收藏家重要的文化生活内容。艺术品市场已经成为不可或缺的投资市场之一。

为了让广大书画爱好者及企业家、收藏家更好、更准确地了解把握书画艺术品市场,了解书画家的艺术风格、特点、市场认知度及收藏价值,提高书画收藏的水平,我们特邀请了全国著名书画艺术家、文化部文化艺术评估委员会的专家以及拍卖行业的专家,组织编撰了《当代中国书画名家作品收藏指南》一书,供社会广大书画艺术品投资者、企业家、收藏家参考。

Preface

Chinese civilization has a history of thousands of years, and being an indispensible part of national culture and art, Chinese painting and calligraphy have been playing an important role in the promotion of human civilization and social progress in history. Numerous great art masters have contributed to the unique art of Chinese painting and calligraphy, leaving later generations with art treasures of extremely abundance.

President Hu Jintao, General Secretary of CPC, said in the Eighth National Congress of China Federation of Literary and Art Circles and the Seventh National Congress of the China Writers Association, "The historical process of building well-off society in an all-round way and creating a new situation in building socialism with Chinese characteristics is bound to promote the overall development and prosperity of our literature and art, and the great rejuvenation of the Chinese nation will be accompanied by the same great rejuvenation of the Chinese culture." Since the People's Republic of China was founded, especially the three decades after China's reform and opening up, China has been enjoying a long-term social stability and rapid development of national economy; meanwhile, our Party and governments have attached great importance to the cultural construction, which has vastly promoted the development of arts and culture industry. With the great improvement of people's living standard benefited from the economic development, it has become the primary culture life for people, especially for entrepreneurs and collectors, to collect calligraphy and painting works; consequently, the art market has also turned to be indispensable for investment.

With the aim of benefiting all the painting and calligraphy enthusiasts, entrepreneurs and collectors and providing with professional information on painting and calligraphy art market, the artistic style, characteristics and market awareness of the artists and the collection value of their works to ensure high-level painting and calligraphy collections, national renowned artists and experts from Arts Assessment Committee of Ministry of Culture and from the auction industry as well are invited to compile Collection Guide to Contemporary Chinese Painting and Calligraphy Works for the reference of art investors, entrepreneurs and collectors.
