I'm Janet, the monitor of the class. Today, another Janet comes to our class. I never met a girl with the same name as me. What kind of girl is she?

I'm Janet. I am new. I heard there was another Janet here. I'm curious. What kind of girl is she?

I hate to have another Janet in the same class.
To make a difference, I have a new name:
Little Janet. Huh! Have you ever heard any
monitor called "Little"?

Just because I'm taller, I am Big Janet now.
I don't like how it sounds. I hate having
another Janet in my class!

That day, Big Janet surprised Miss Green and the whole class. She solved the puzzle of the day in mathematics class at the same time as me! I was the quickest student before; now I am not the only No.1 student any more!

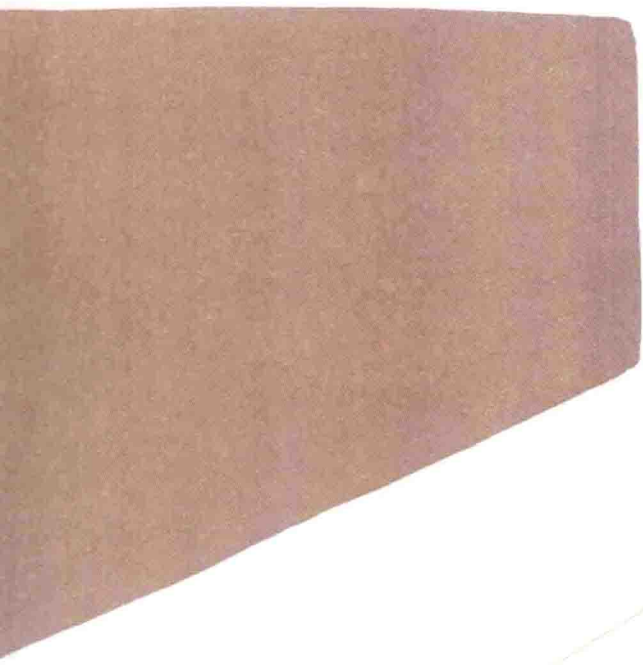

I figured out the award-winning puzzle in mathematics class today! It was interesting to hear Miss Green say, "The two Janets are winners!" I have to say Little Janet is very talented.

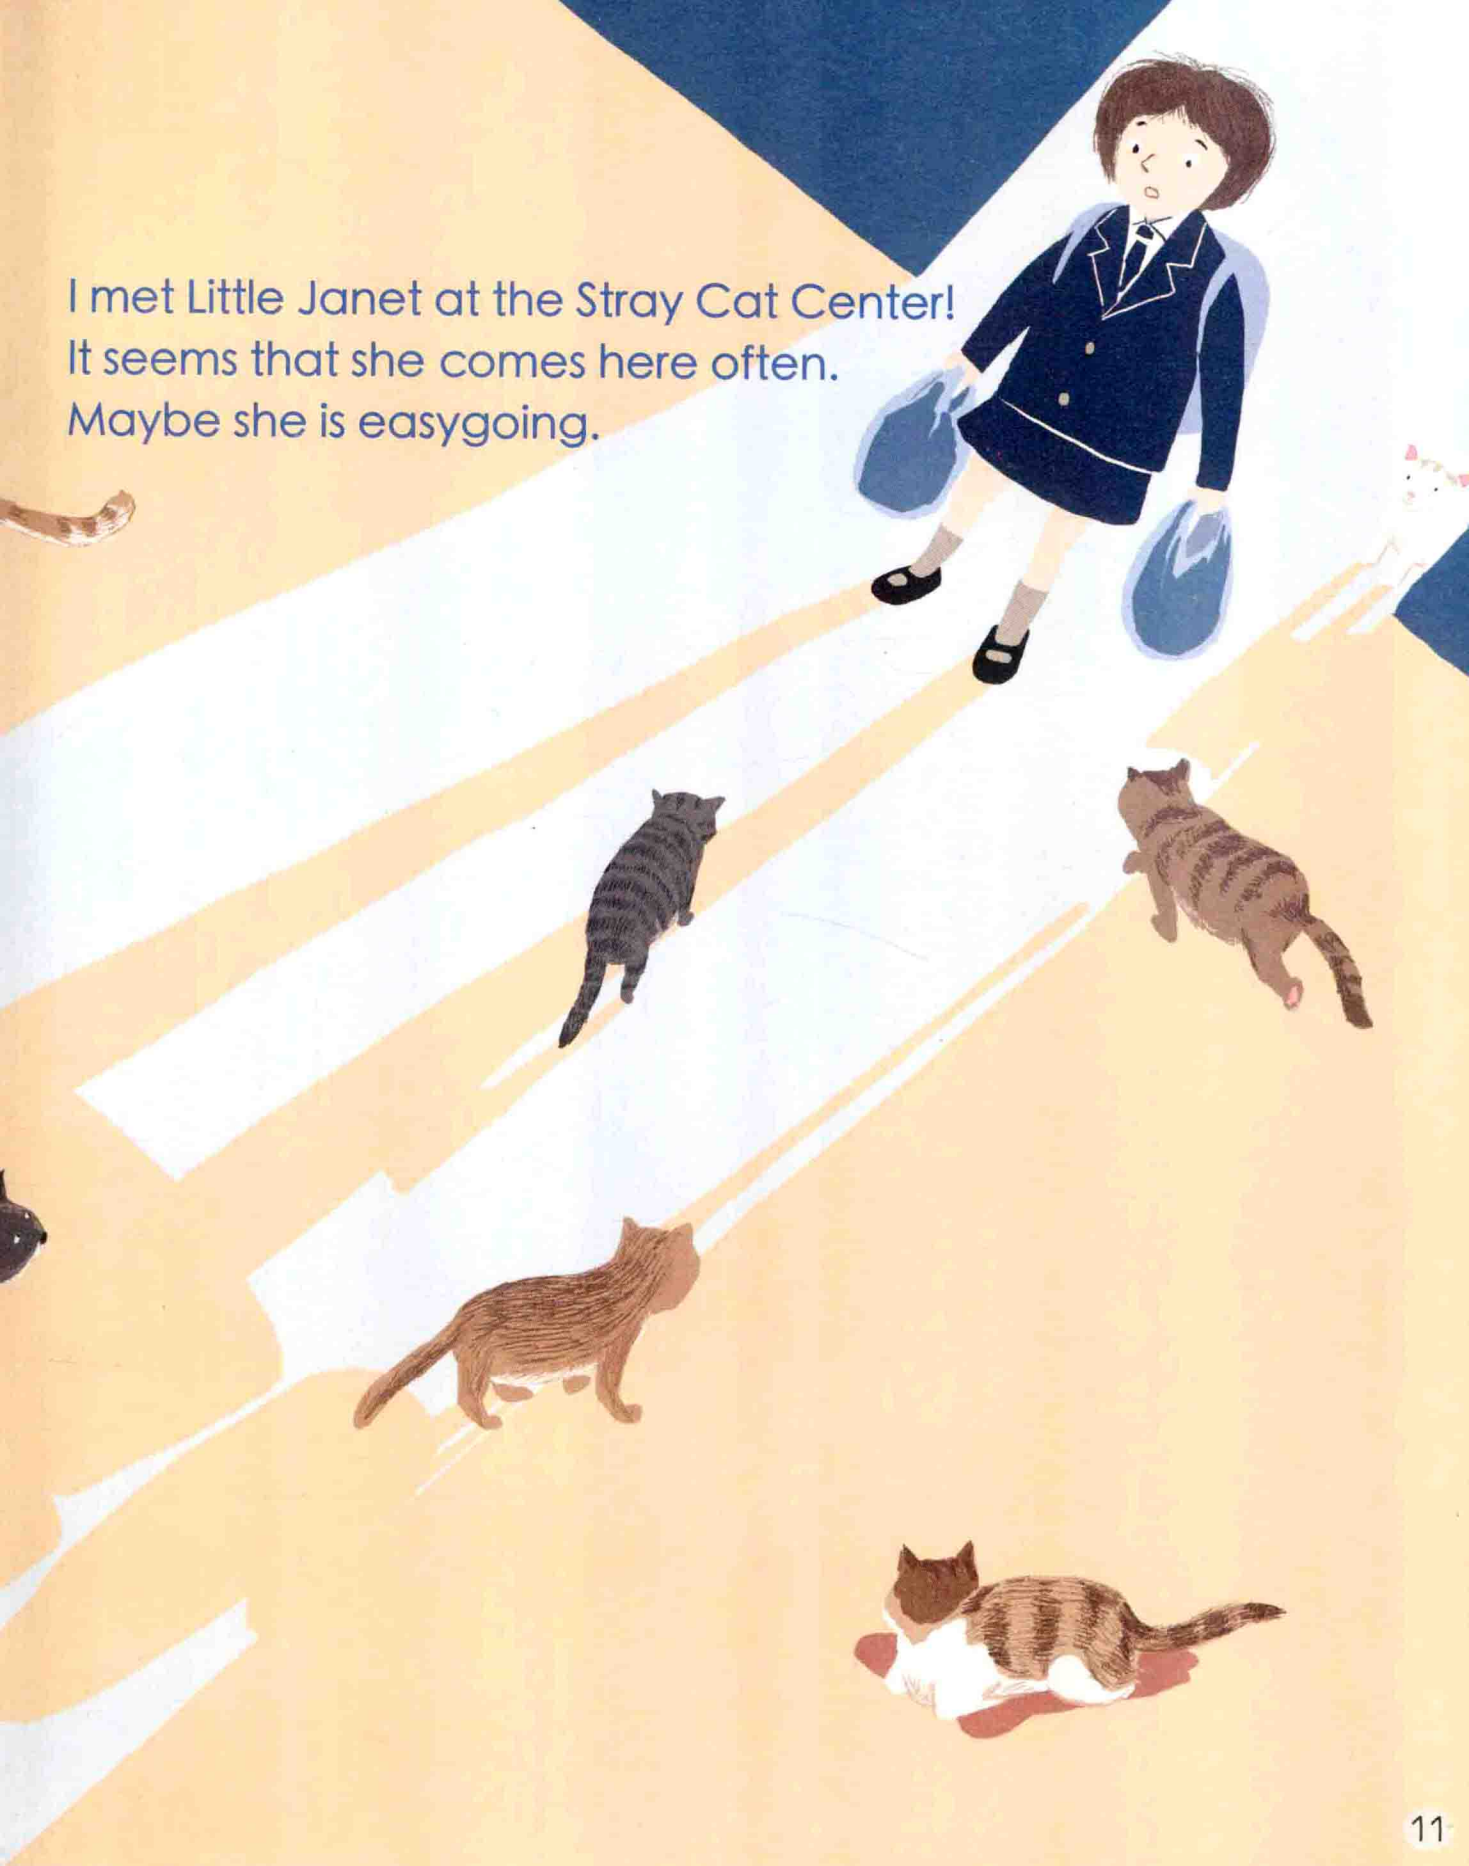

Big Janet is not only good at mathematics, she is also a good painter. Maybe I should ask her to help in our class newspaper. Will she join us?

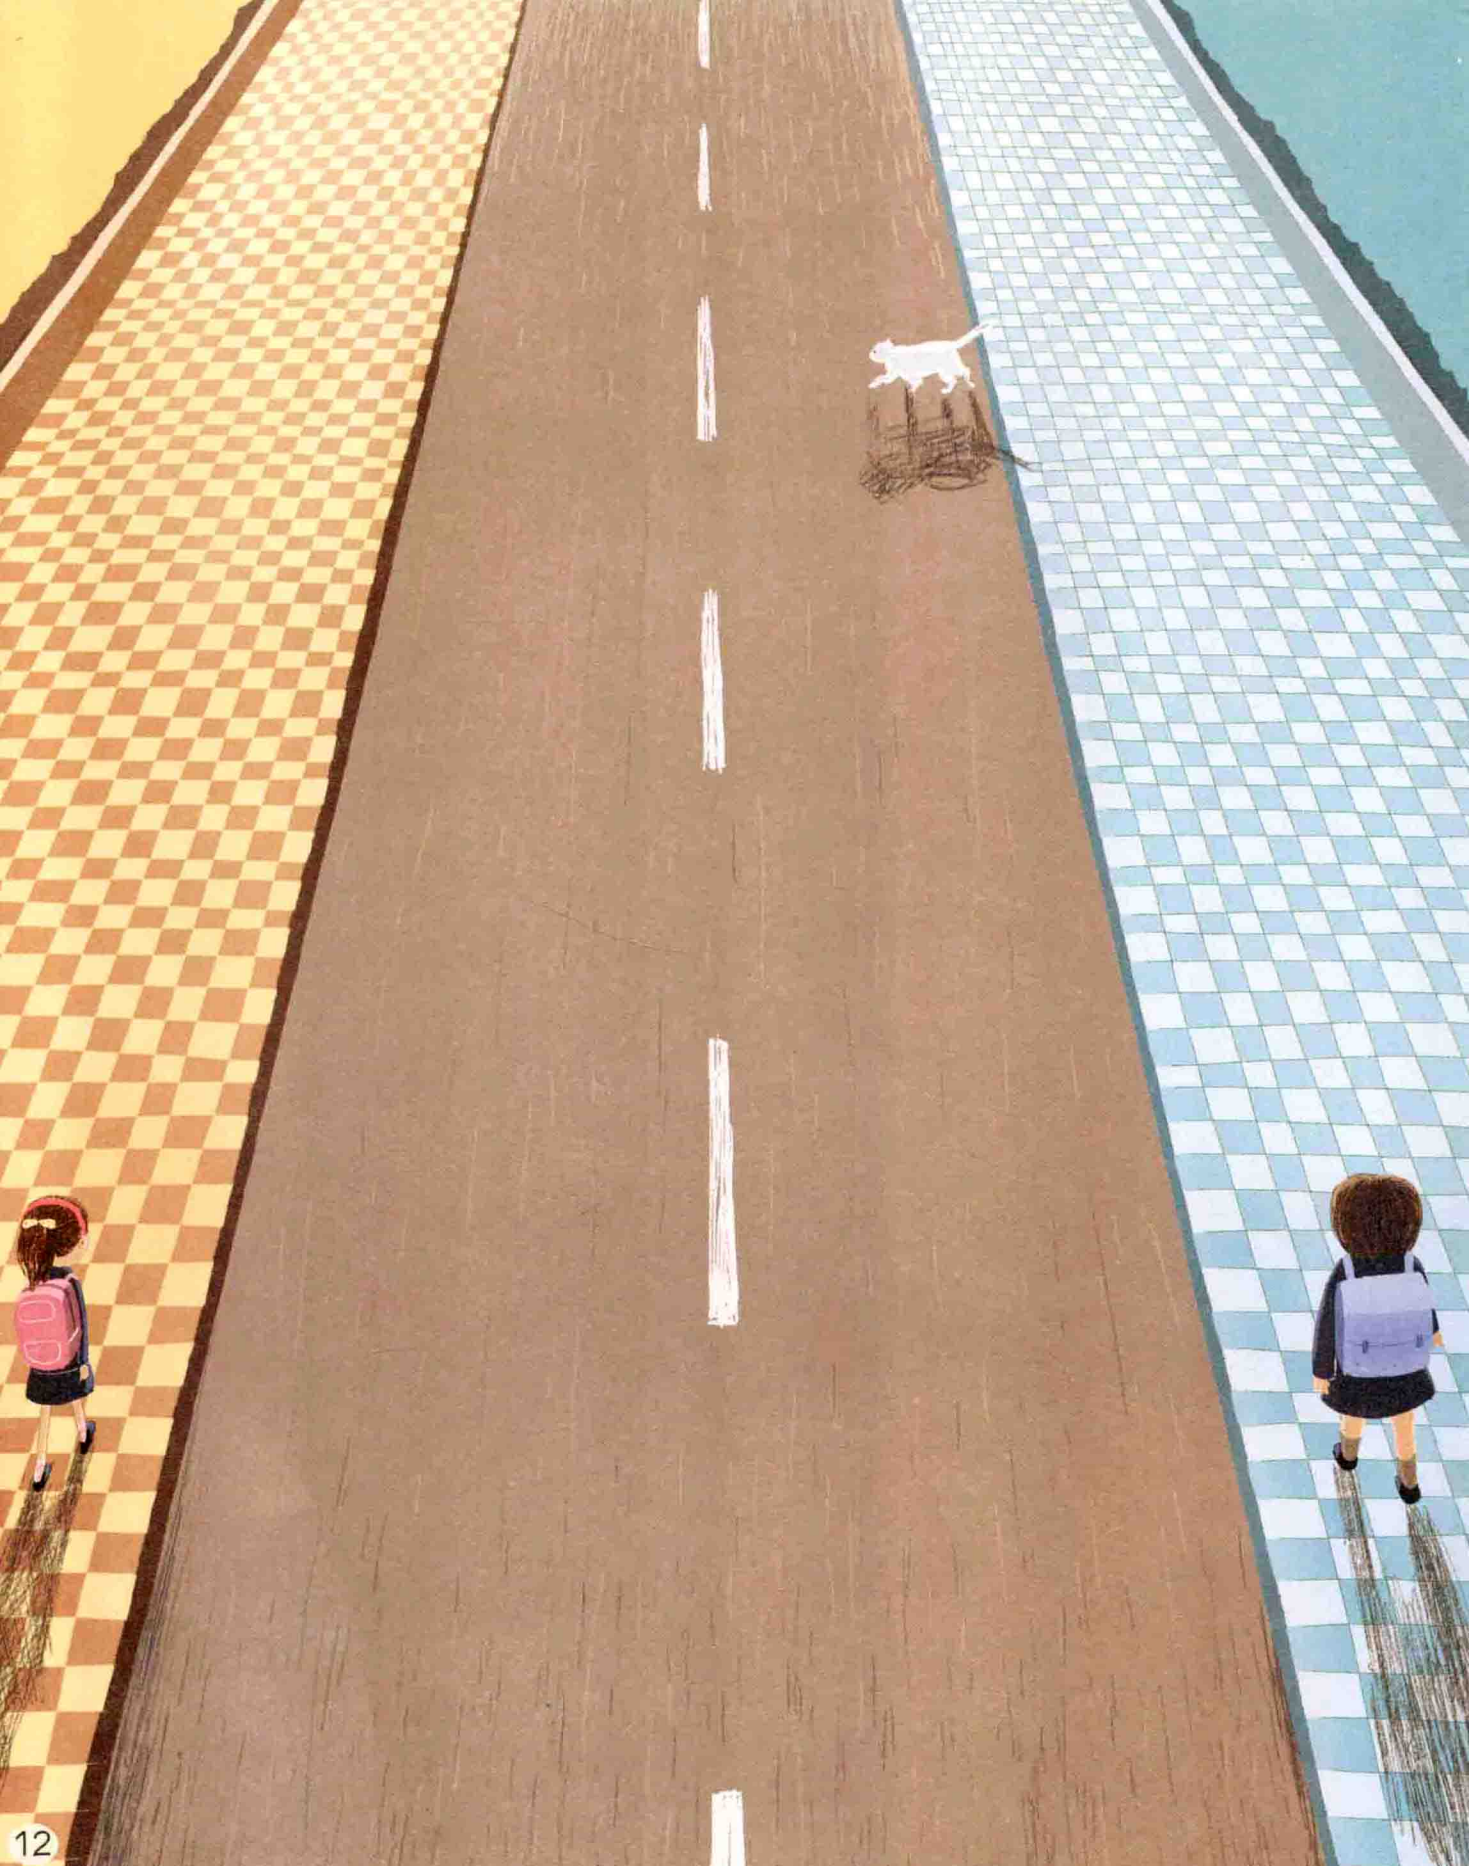

I appreciate Little Janet. She is also a good painter and the chief editor of the class newspaper. I want to give a hand with the newspaper. Will she take me?

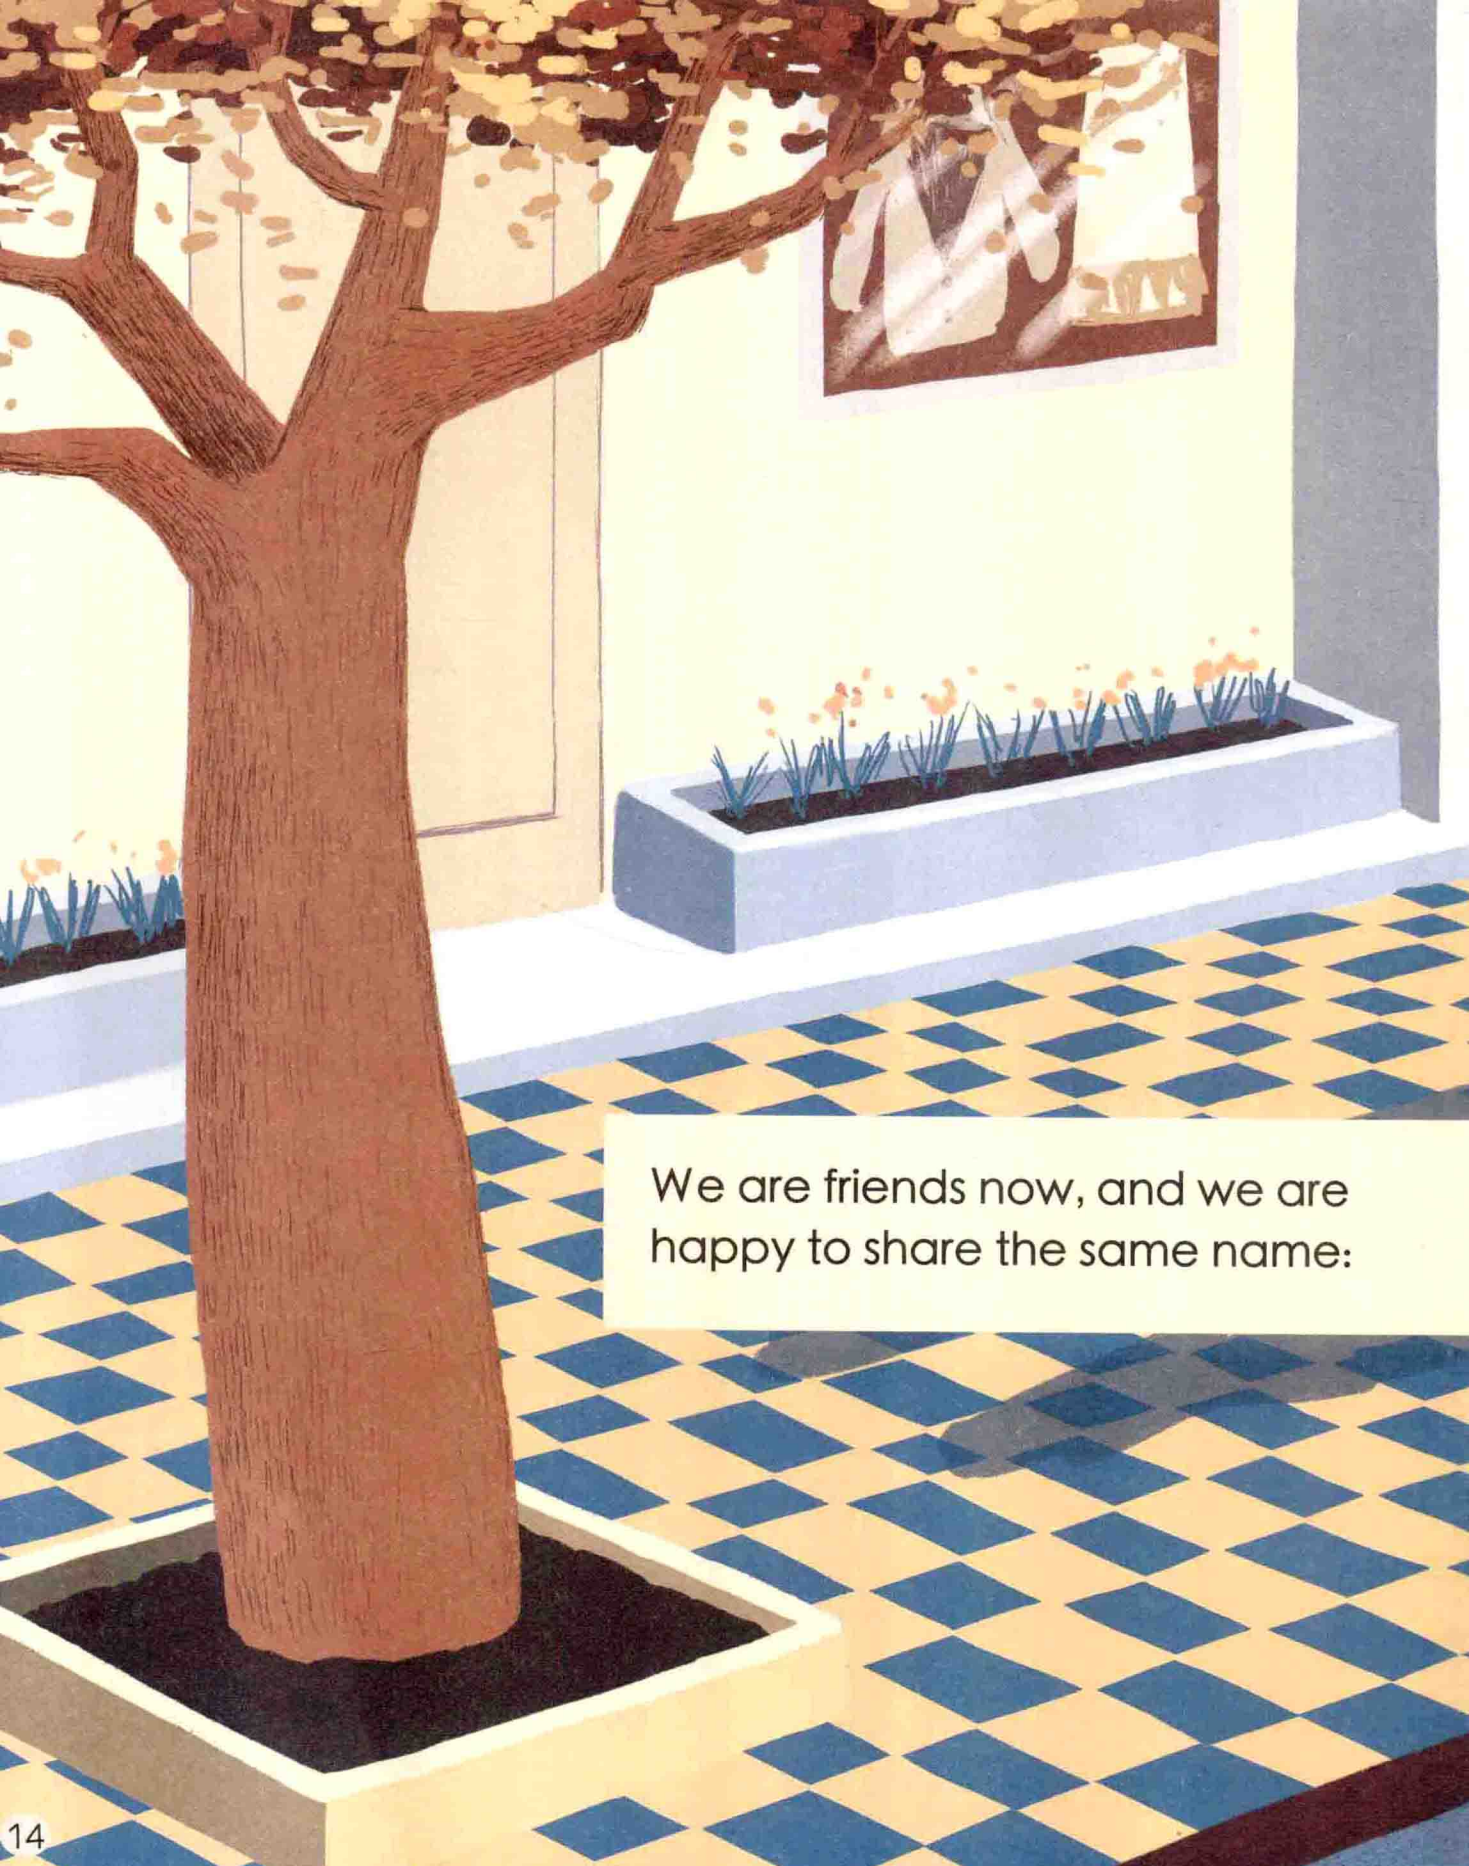

I met Little Janet at the Stray Cat Center!
It seems that she comes here often.
Maybe she is easygoing.

We are friends now, and we are
happy to share the same name:

JANET!
