Rob the rabbit is a clever engineer.
He makes a lot of great machines.

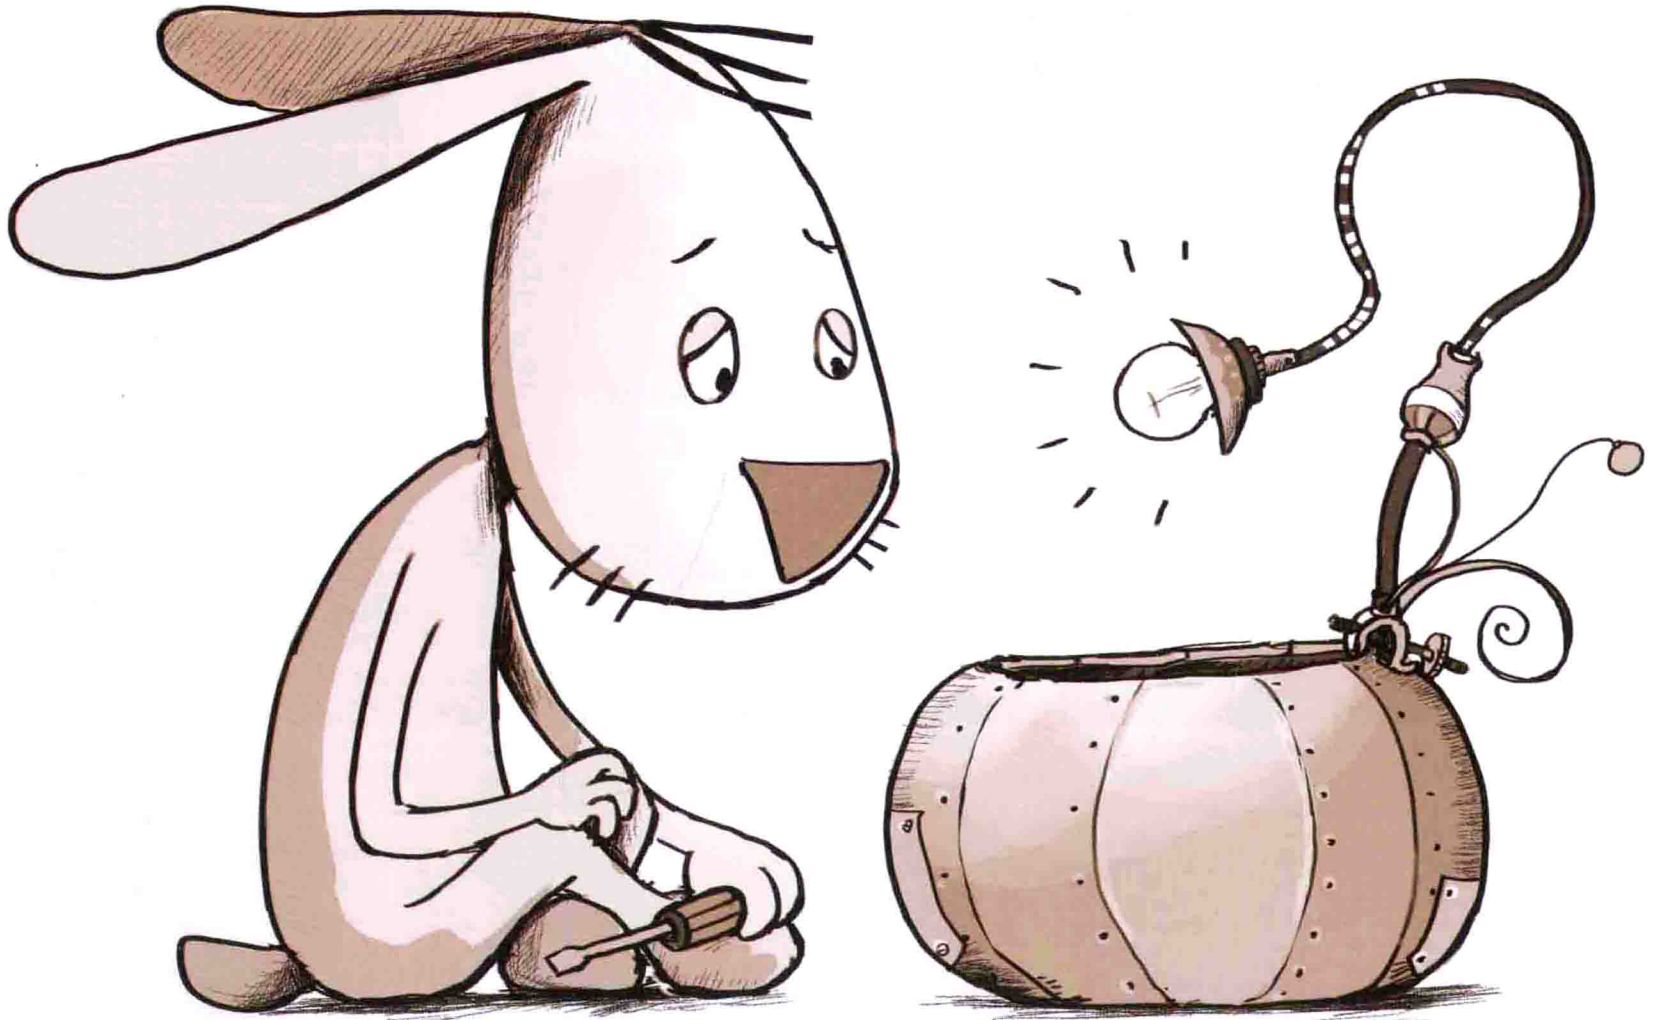

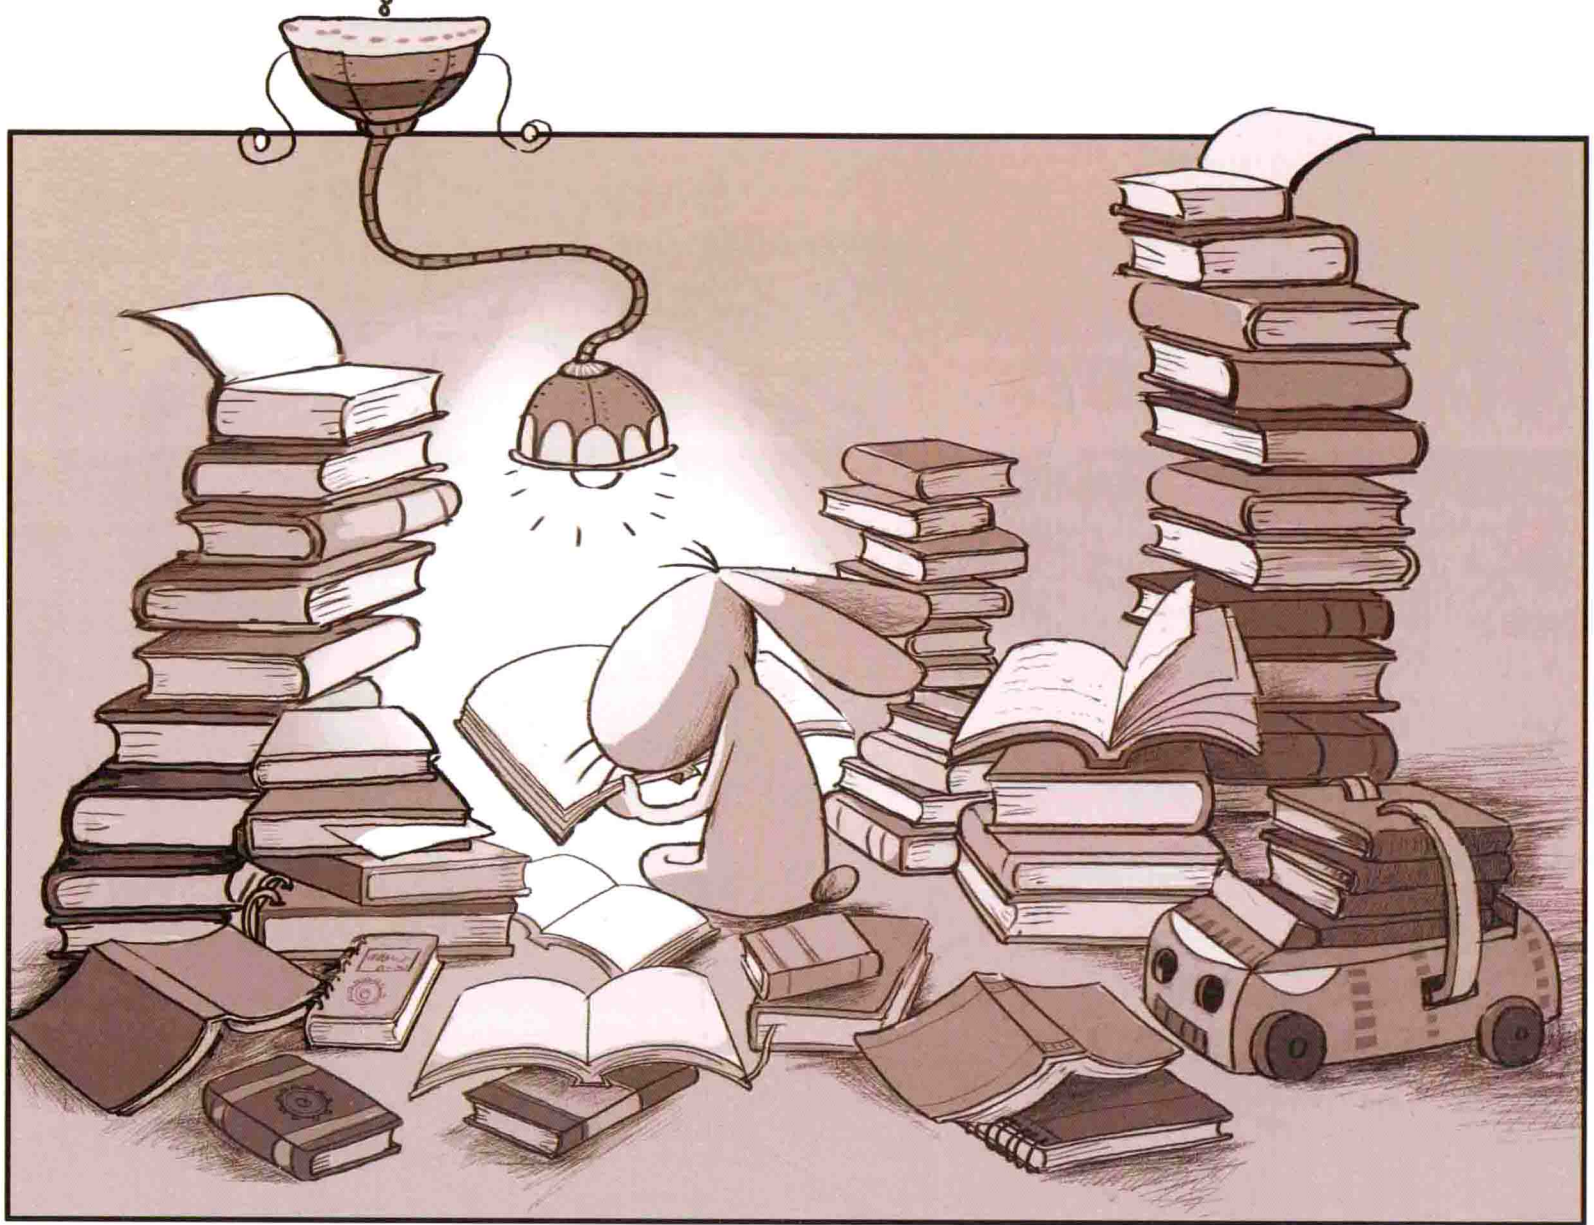

But Rob has no friends.

Thanksgiving is coming.
Rob feels lonely,

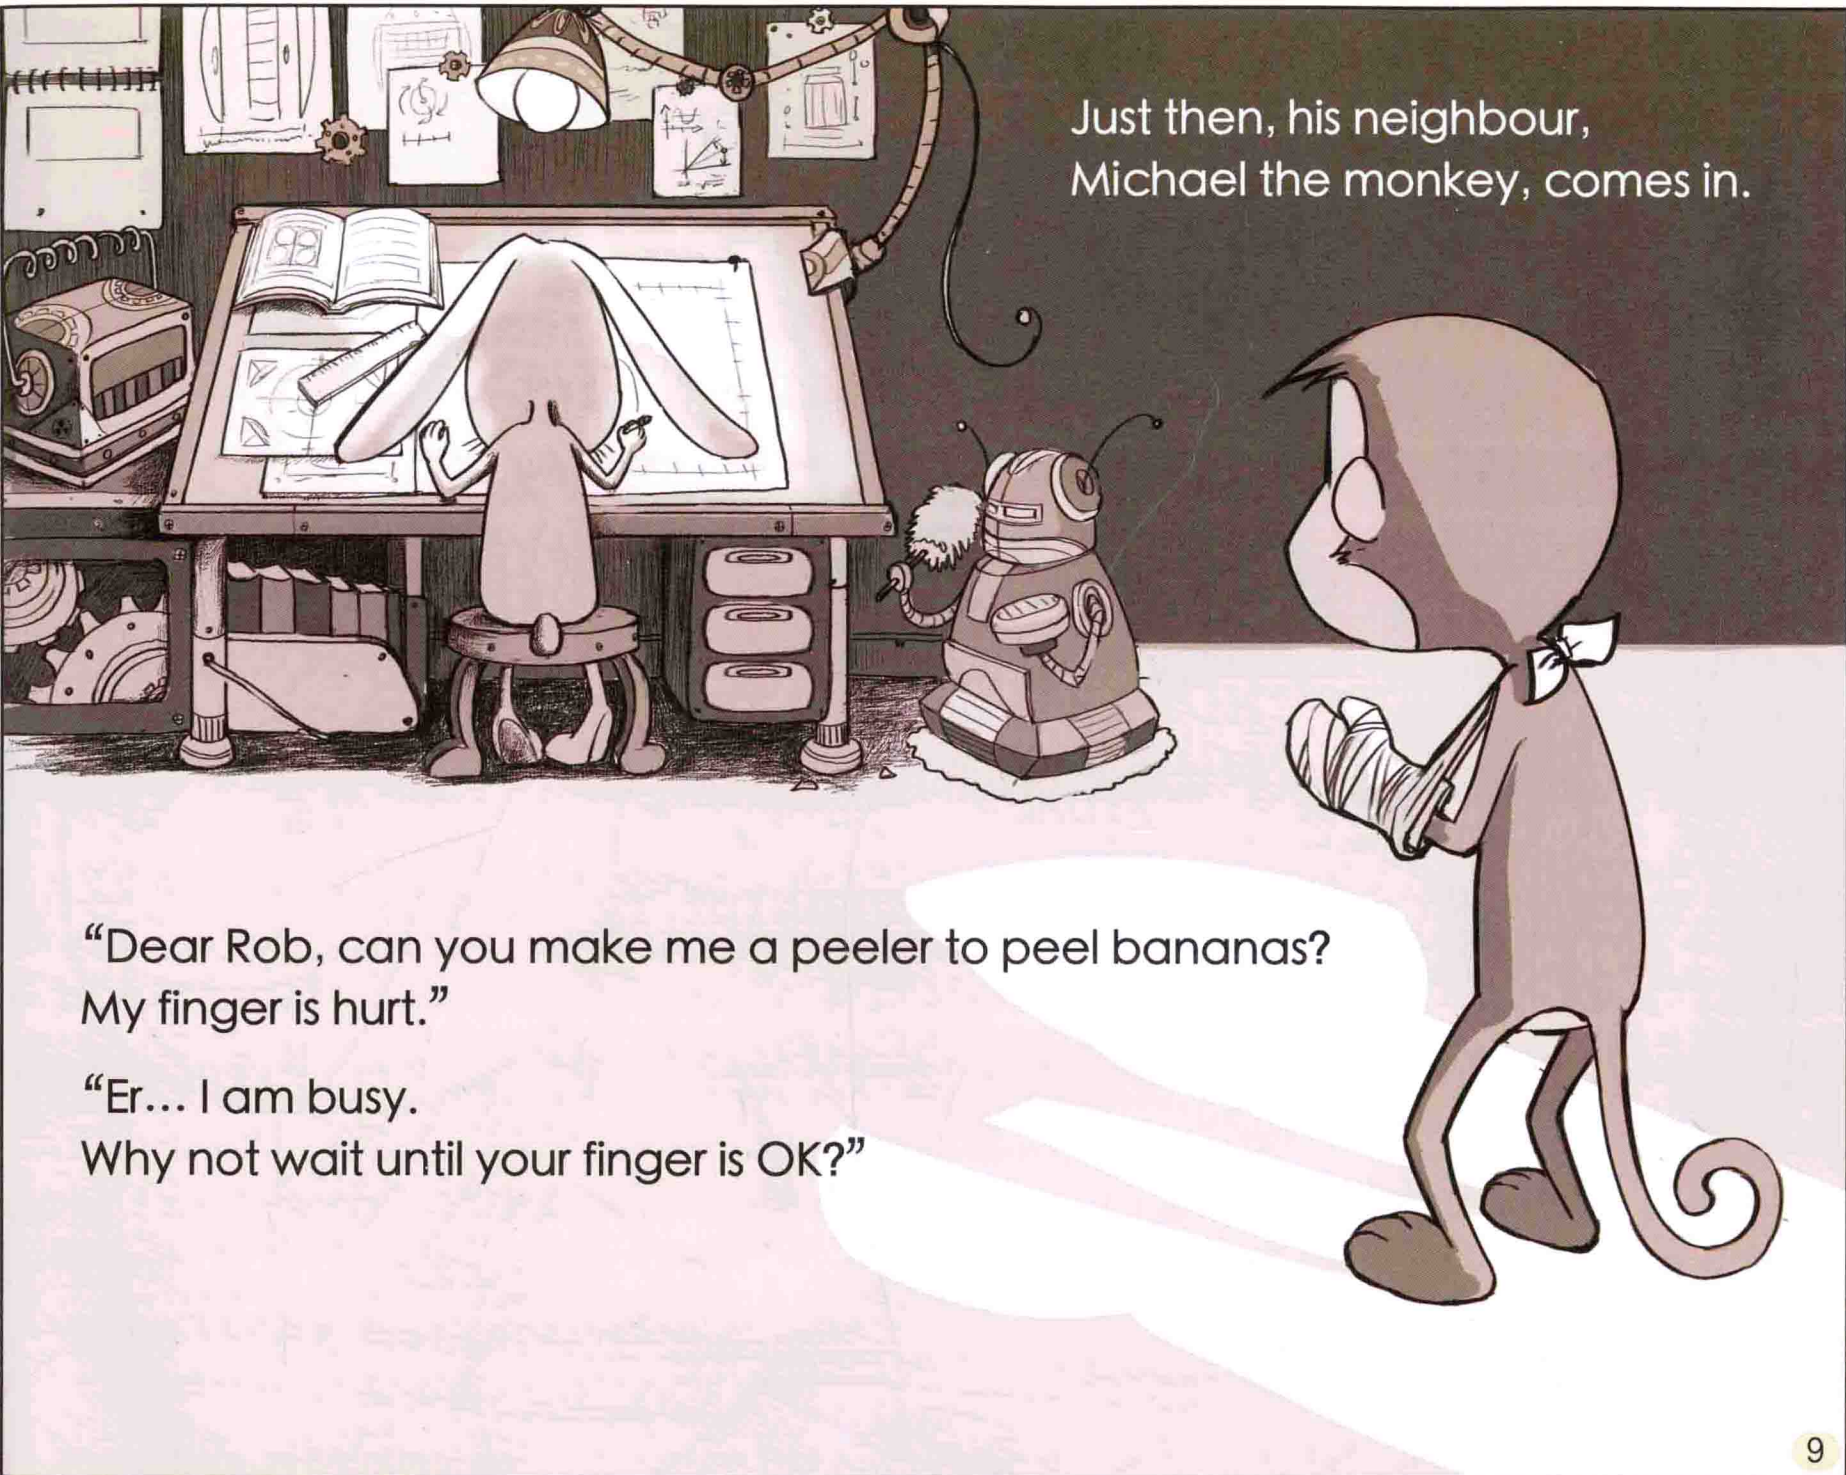

so he decides to make a “friend-making machine”.

This is not easy.
Rob keeps on thinking, but he has no idea.

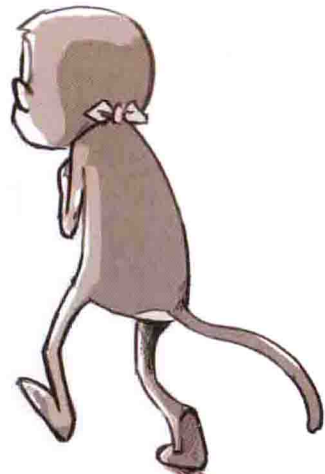

Just then, his neighbour,
Michael the monkey, comes in.

“Dear Rob, can you make me a peeler to peel bananas?
My finger is hurt.”

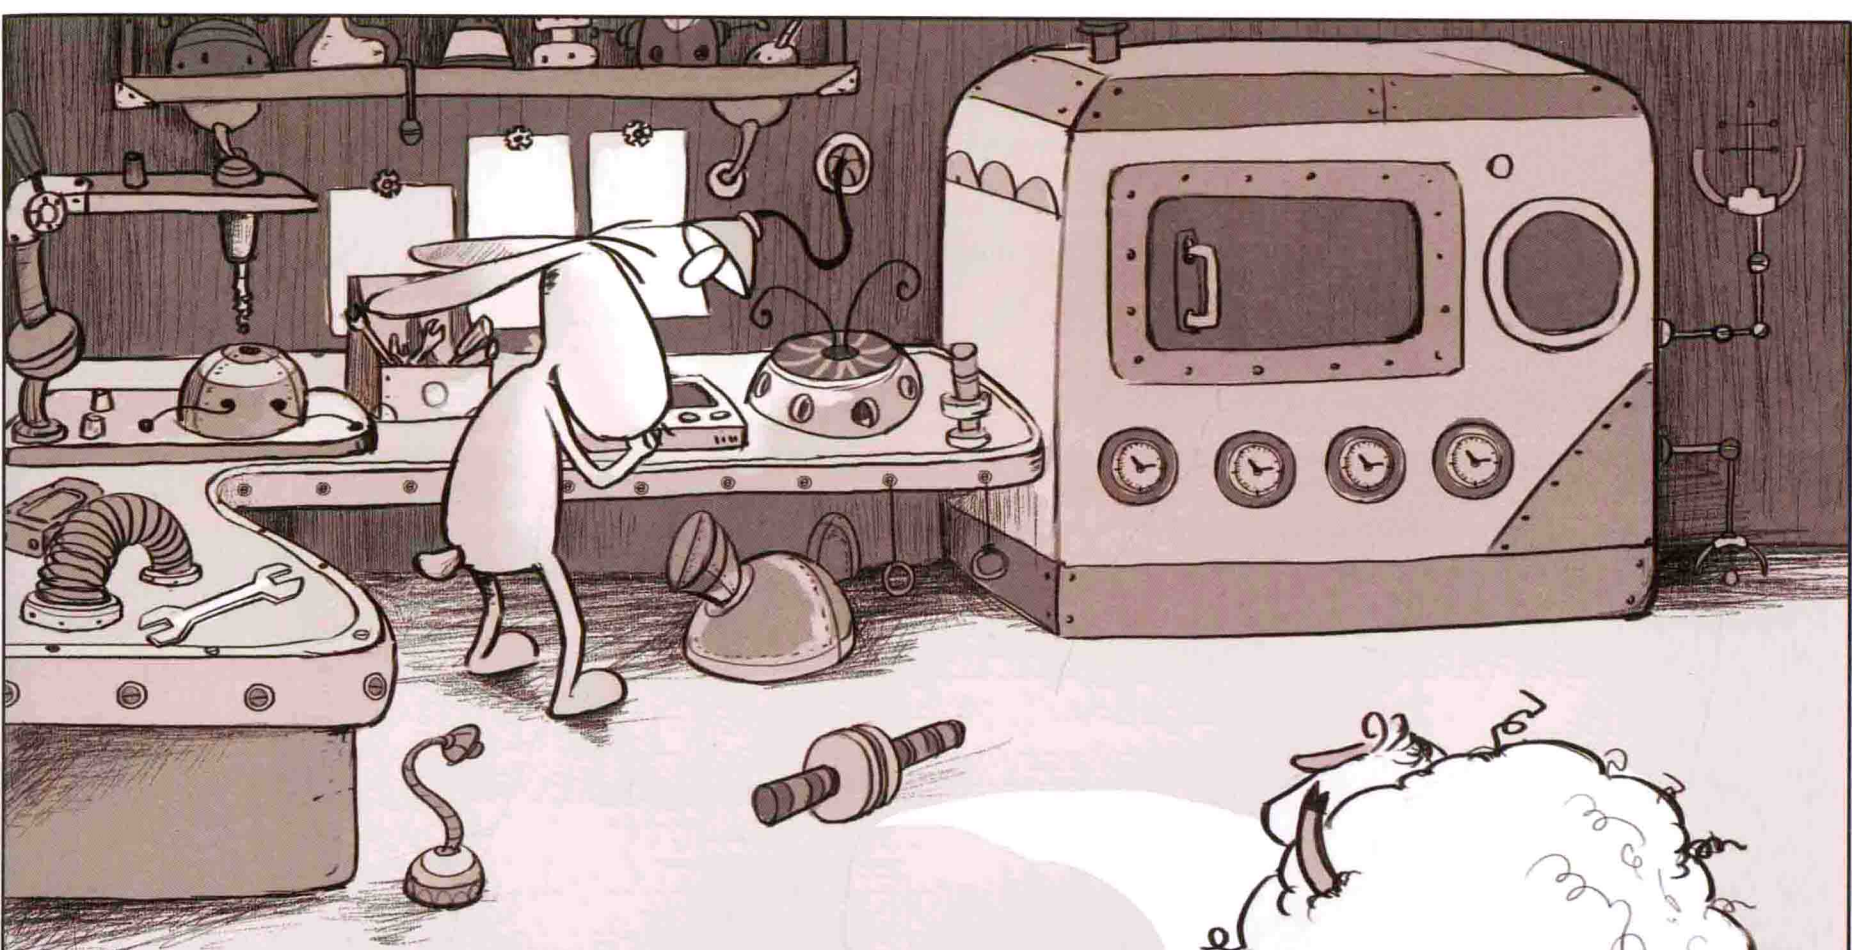

“Er... I am busy.
Why not wait until your finger is OK?”

Michael leaves.

**Hurry up!
Hurry up!**

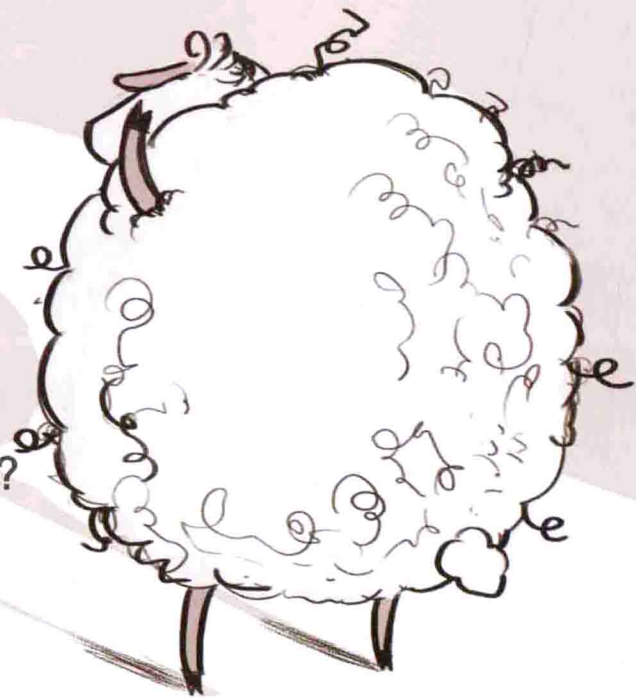

Shelly the sheep comes in.

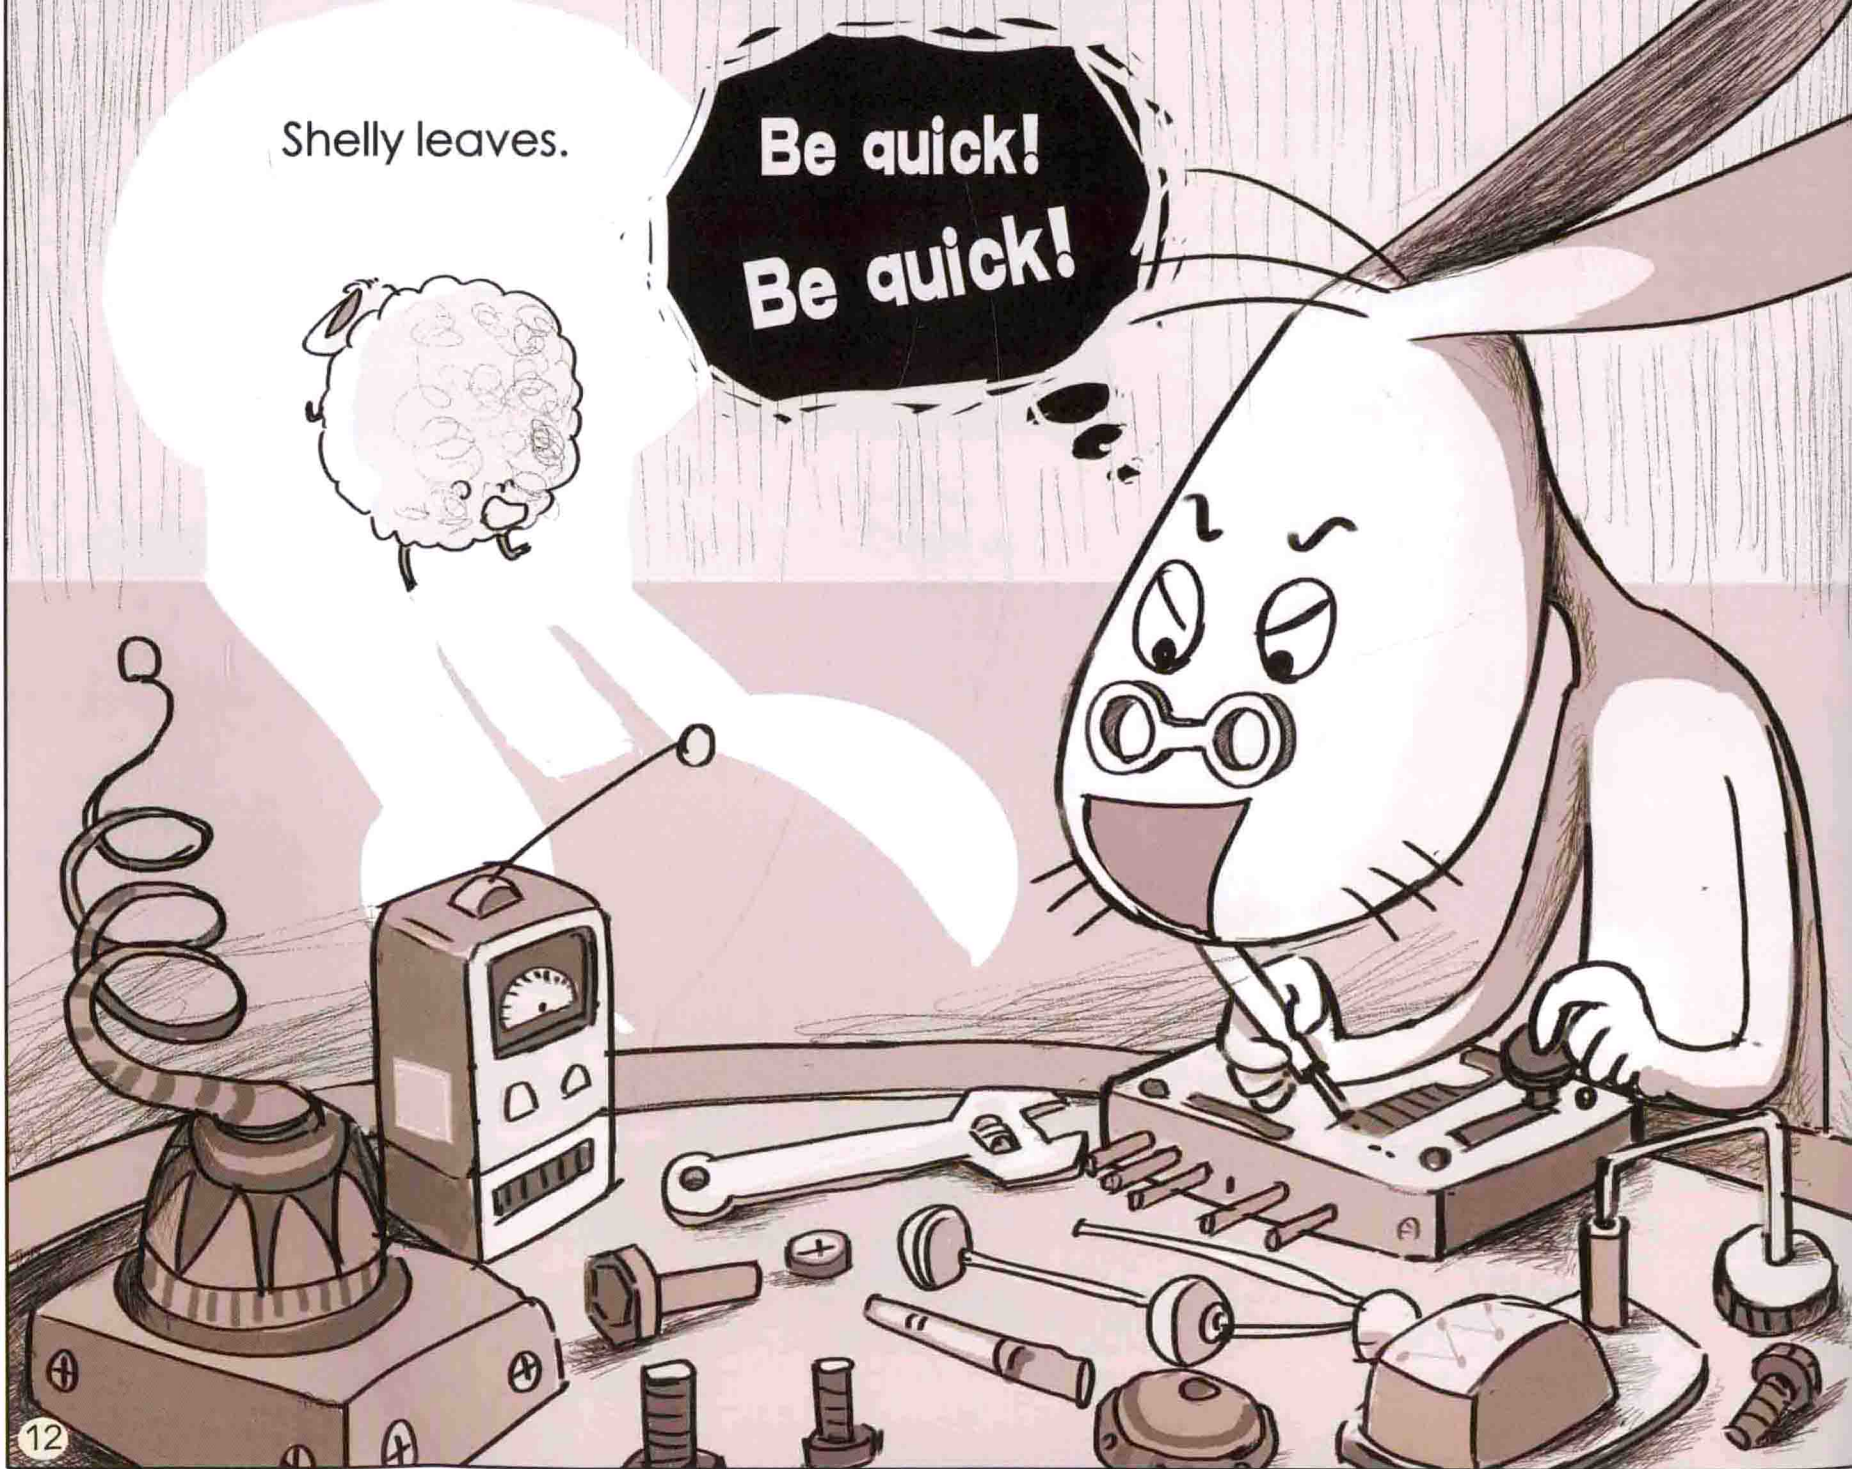

“Dear Rob,
can you make me an auto-comb to comb my hair?
My arm is too short.”

“Er... I am busy.
Why not ask other sheep to help?”

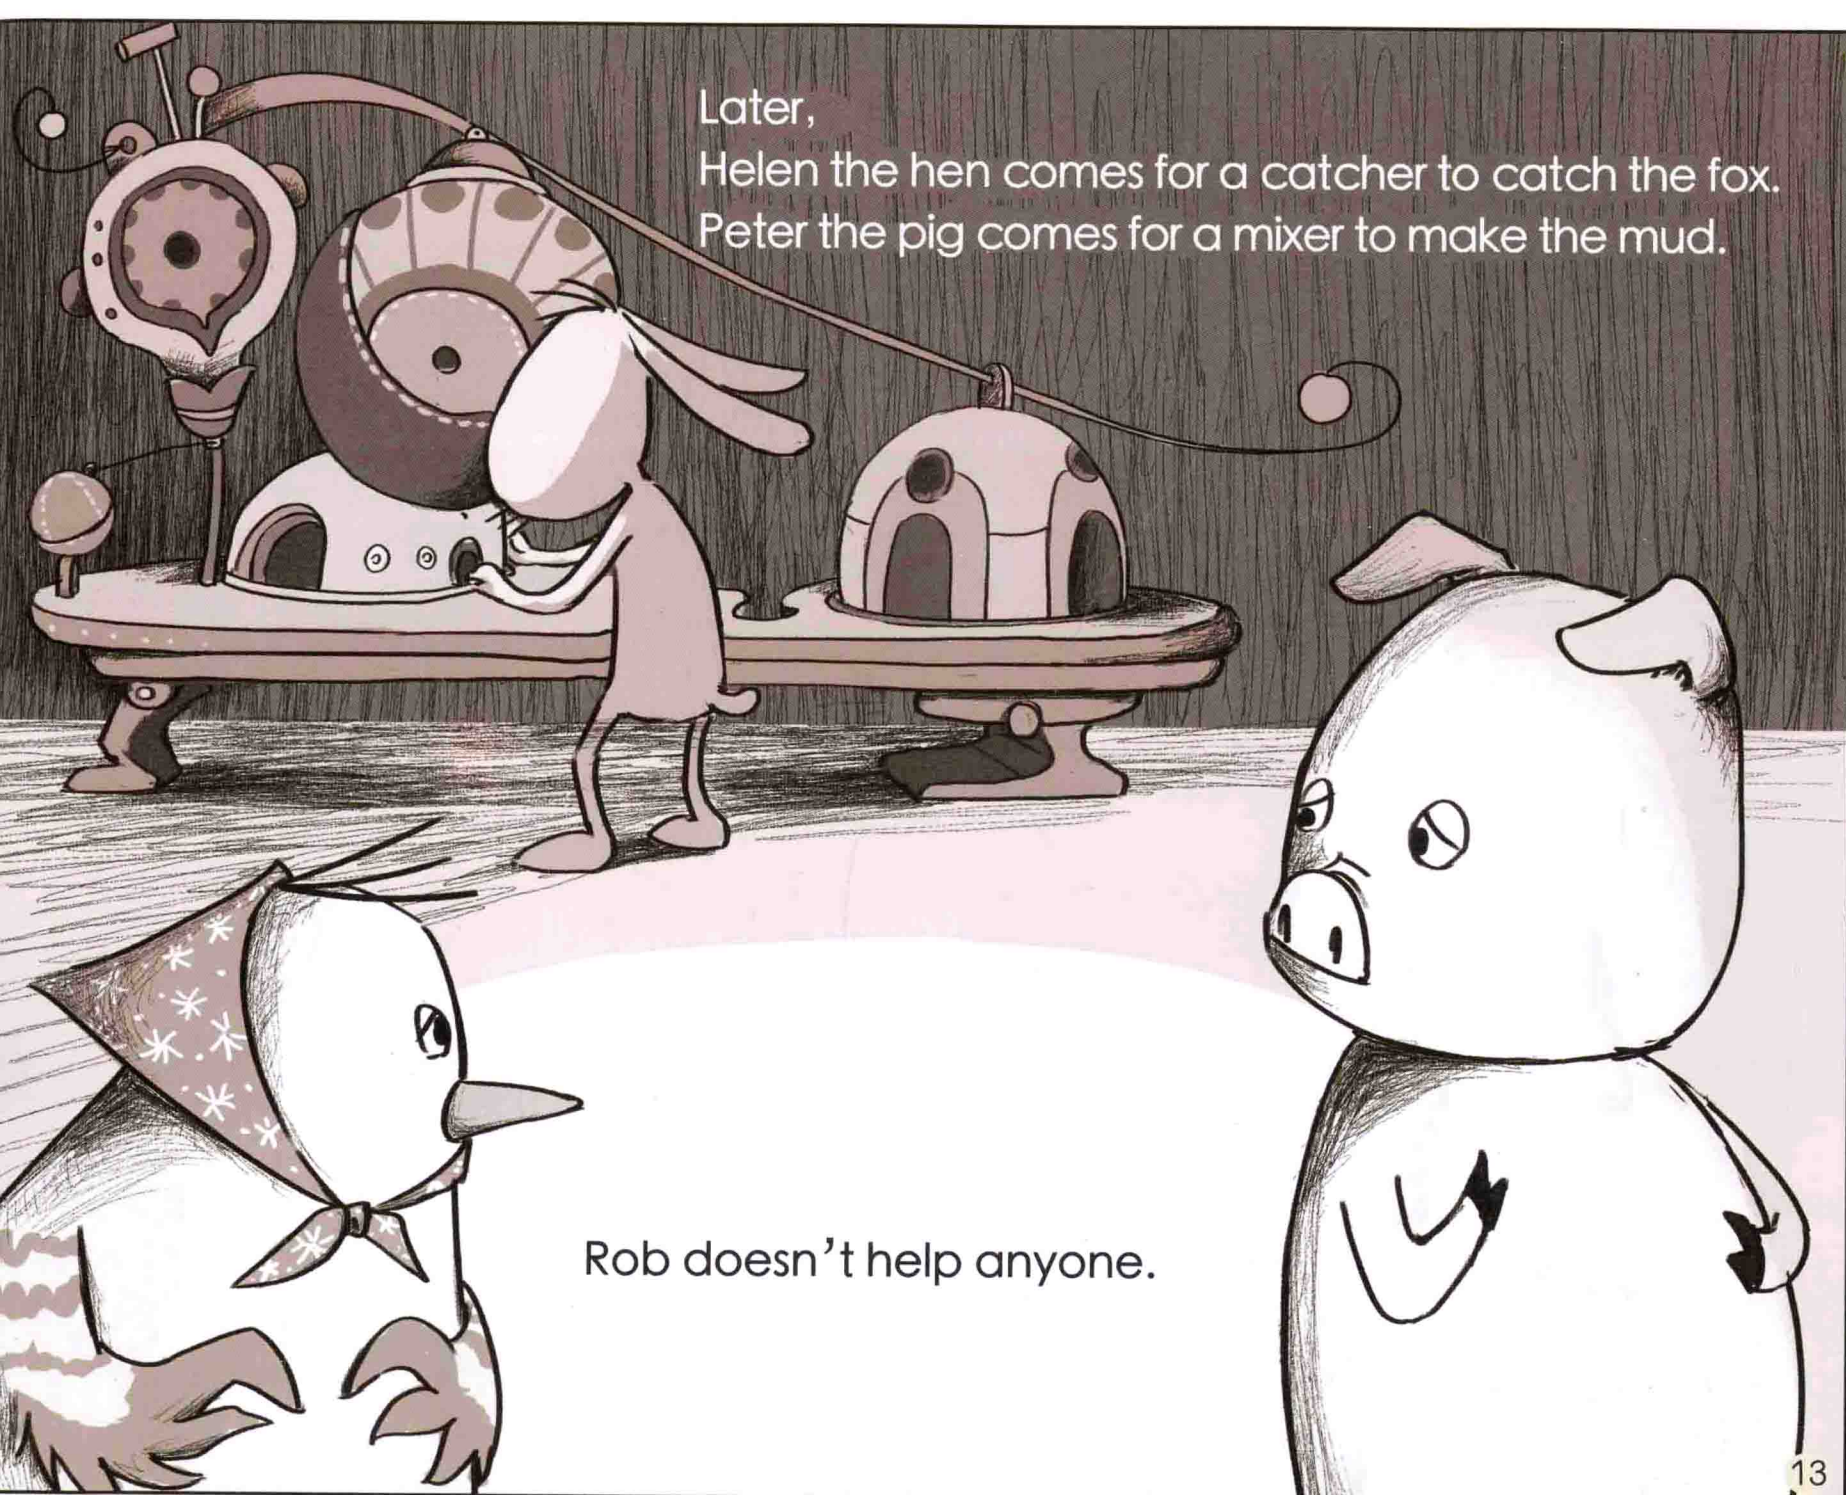

Shelly leaves.

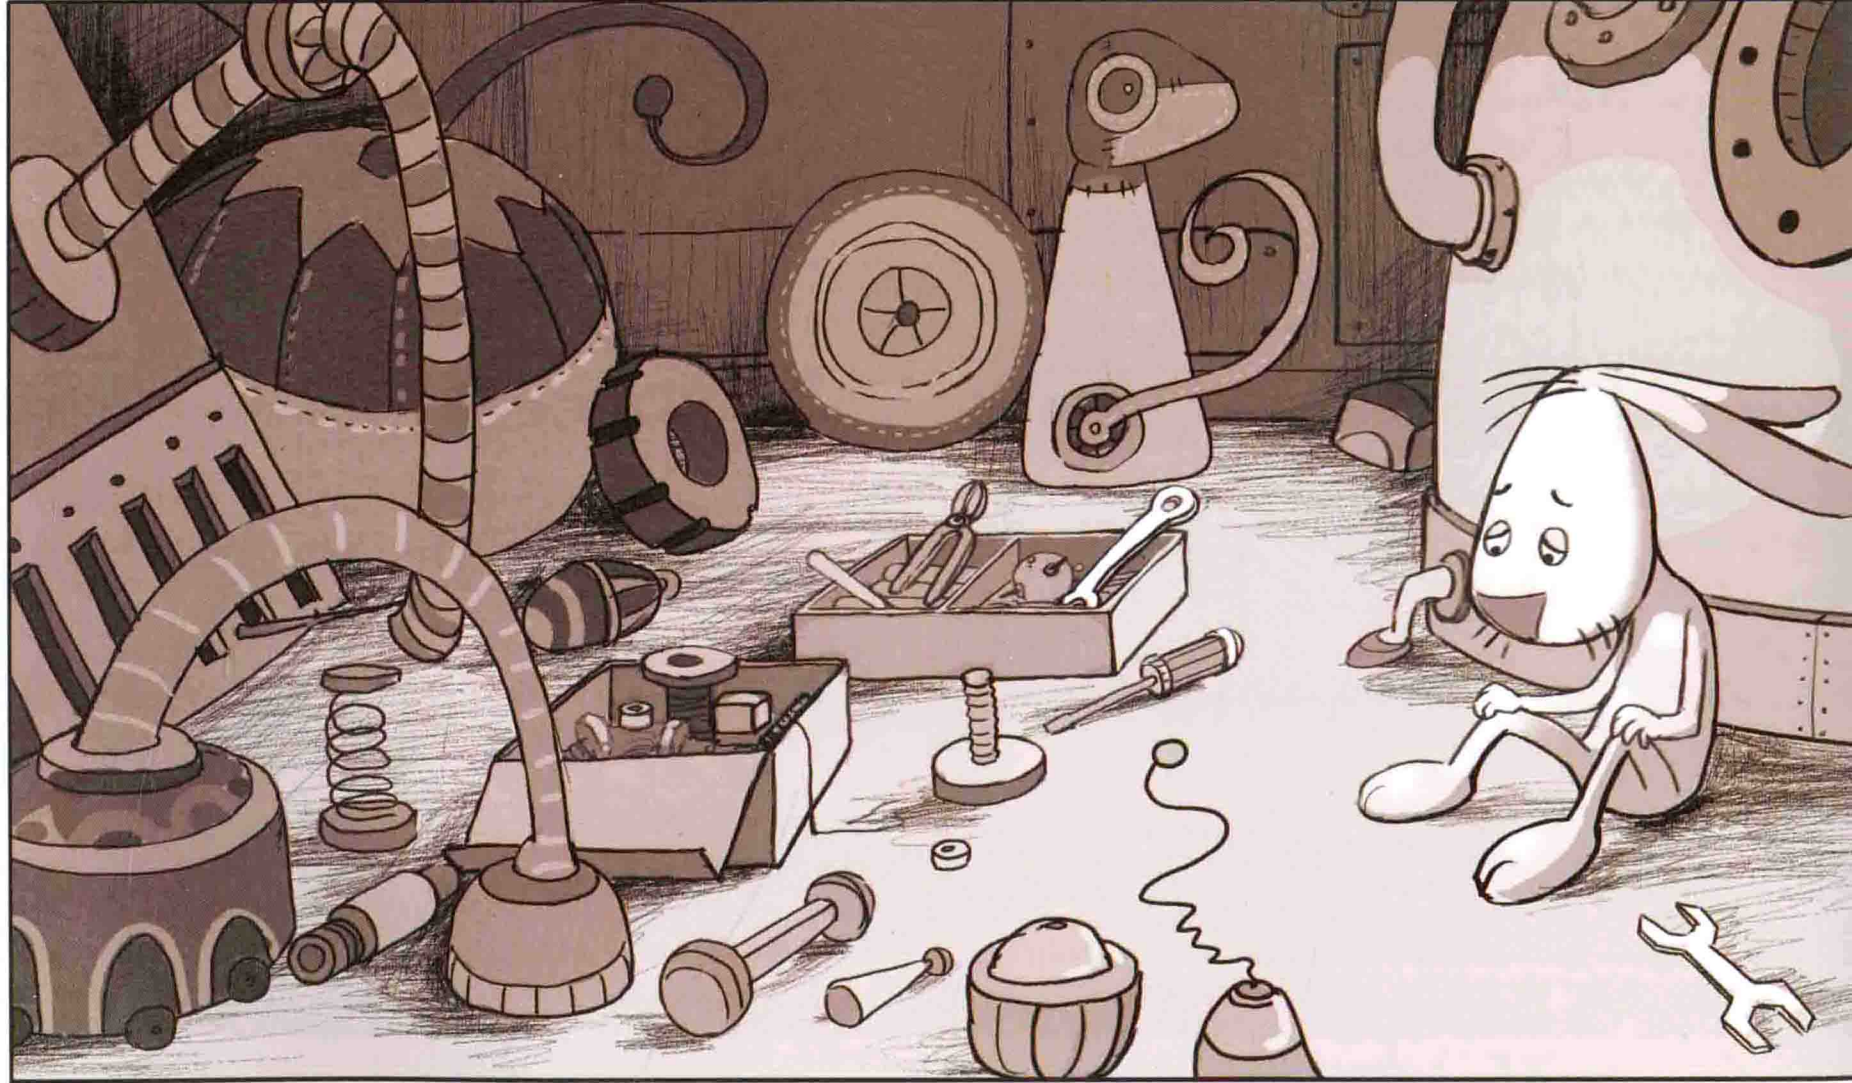

**Be quick!
Be quick!**

Later,
Helen the hen comes for a catcher to catch the fox.
Peter the pig comes for a mixer to make the mud.

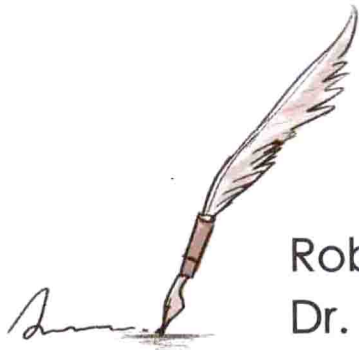

Rob doesn't help anyone.

Several days later,
Rob still has no idea about his machine.

"What shall I do?"

Rob asks Dr. Smart for help.
Dr. Smart answers:

Dear Rob,
Help those in need.
You will find the secret.

Dr. Smart
