My father is a fireman.

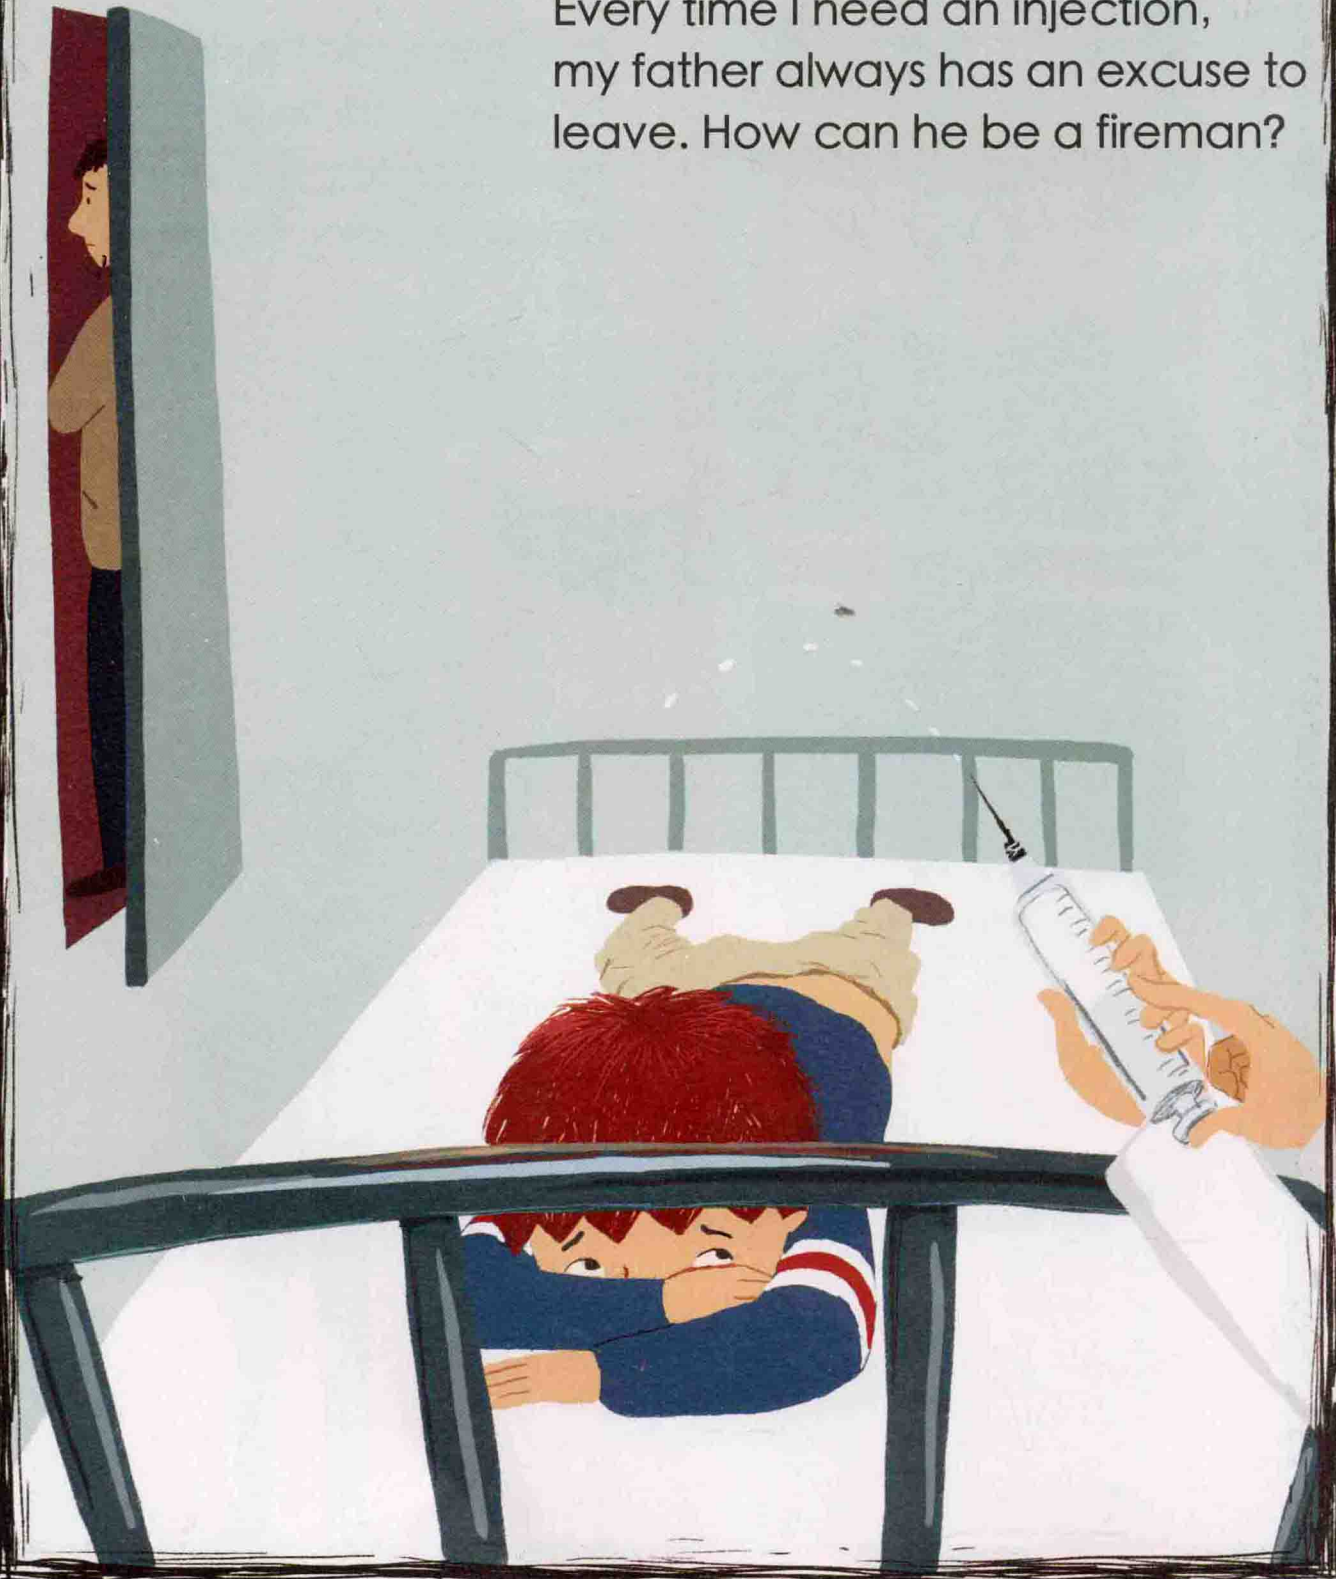

But I really do not know
how he can do this job.
He is a coward. I have
many reasons to prove
that.

Every time I need an injection,
my father always has an excuse to
leave. How can he be a fireman?

There is another thing that I don't even want to talk about. That is, my father is afraid of my mother! Every time they disagree with each other, and Mother becomes angry, Father stops arguing and says he is sorry to Mother, even if Mother is wrong.

Yesterday, I had a fight with a classmate.
My nose was bleeding.

This morning when my father took me
to school, we met the school bully.
My father just smiled and said
“Good morning.” Can you believe it?
Why didn’t he teach him a lesson?

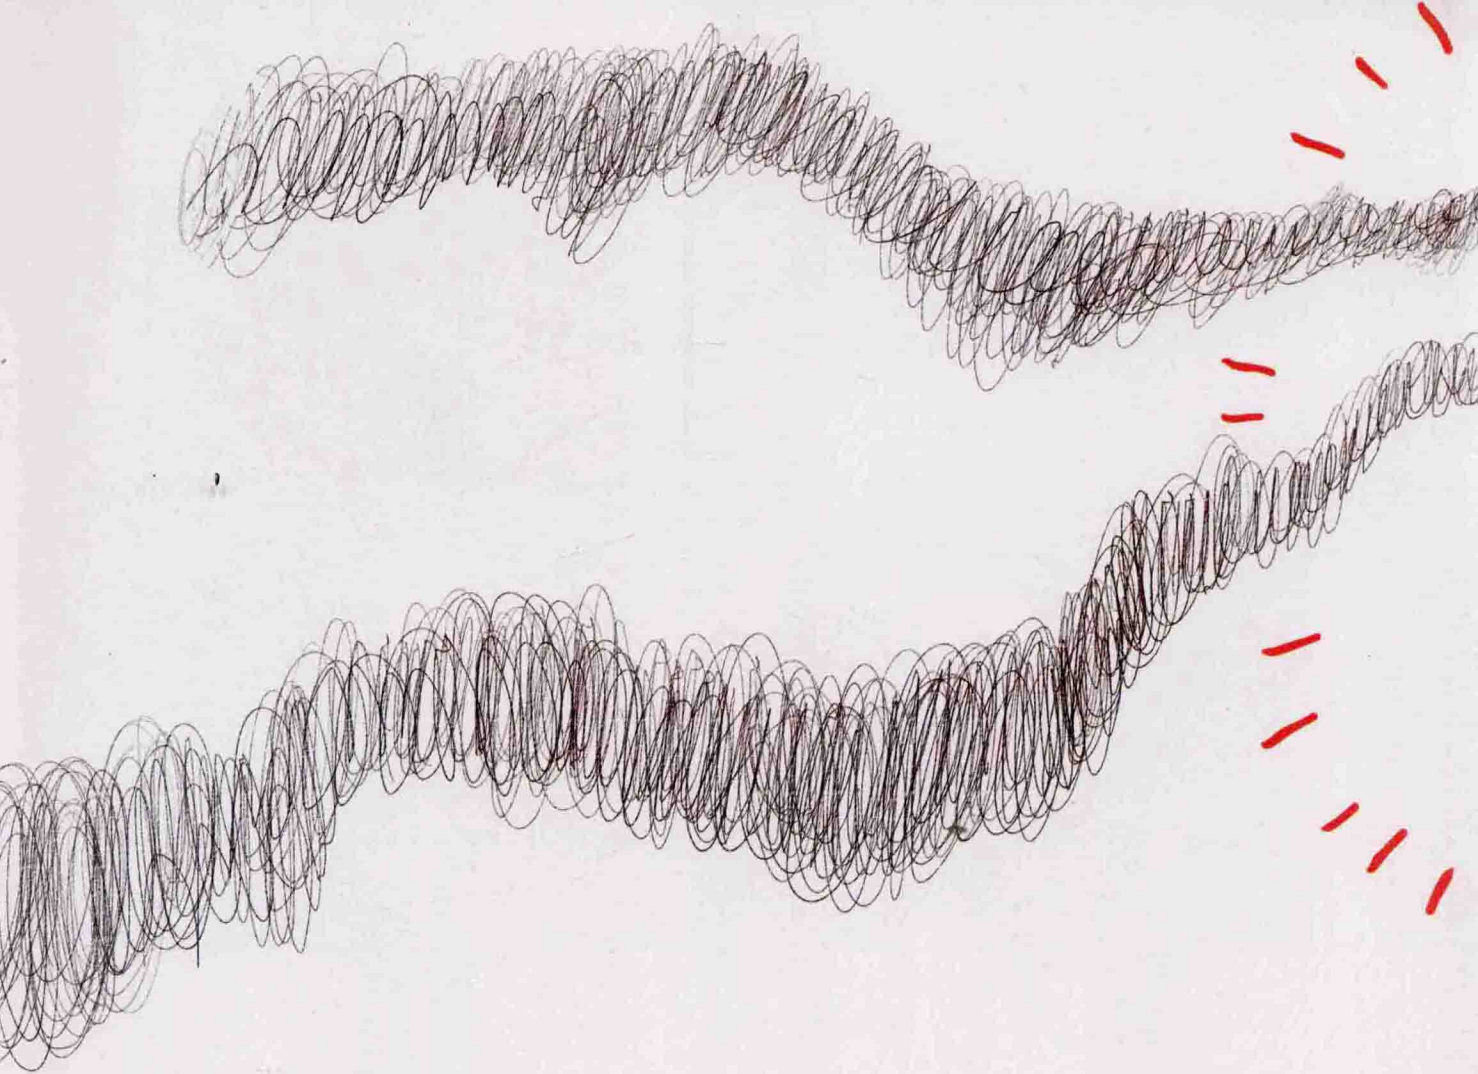

This is my father, and I really wonder
how he turned out to be a fireman.

After school, I was still angry with my father.
I wandered the streets.

, Suddenly, I heard the fire alarm.

A building was on fire!
Many firemen were trying to put out the fire.

I noticed there was such a brave fireman.
He rushed into the building again and again
to save the people inside.

I thought, "He is so brave!
How I wish he were my father!"

The fire was put out at last.
I wanted to know this fireman.

When I came close to him, I was shocked.

That was my father!
