Everyone knows the story *Little Red Riding Hood*. In the story, the big bad wolf wanted to eat the little girl and her granny. Is that true?

“No!”

The true story is as follows.

One day, I tried to bake some
cherry-flavoured cookies,
but they did not turn out well.
Suddenly I smelled something sweet.
“That must be cherry-flavoured cookies!”

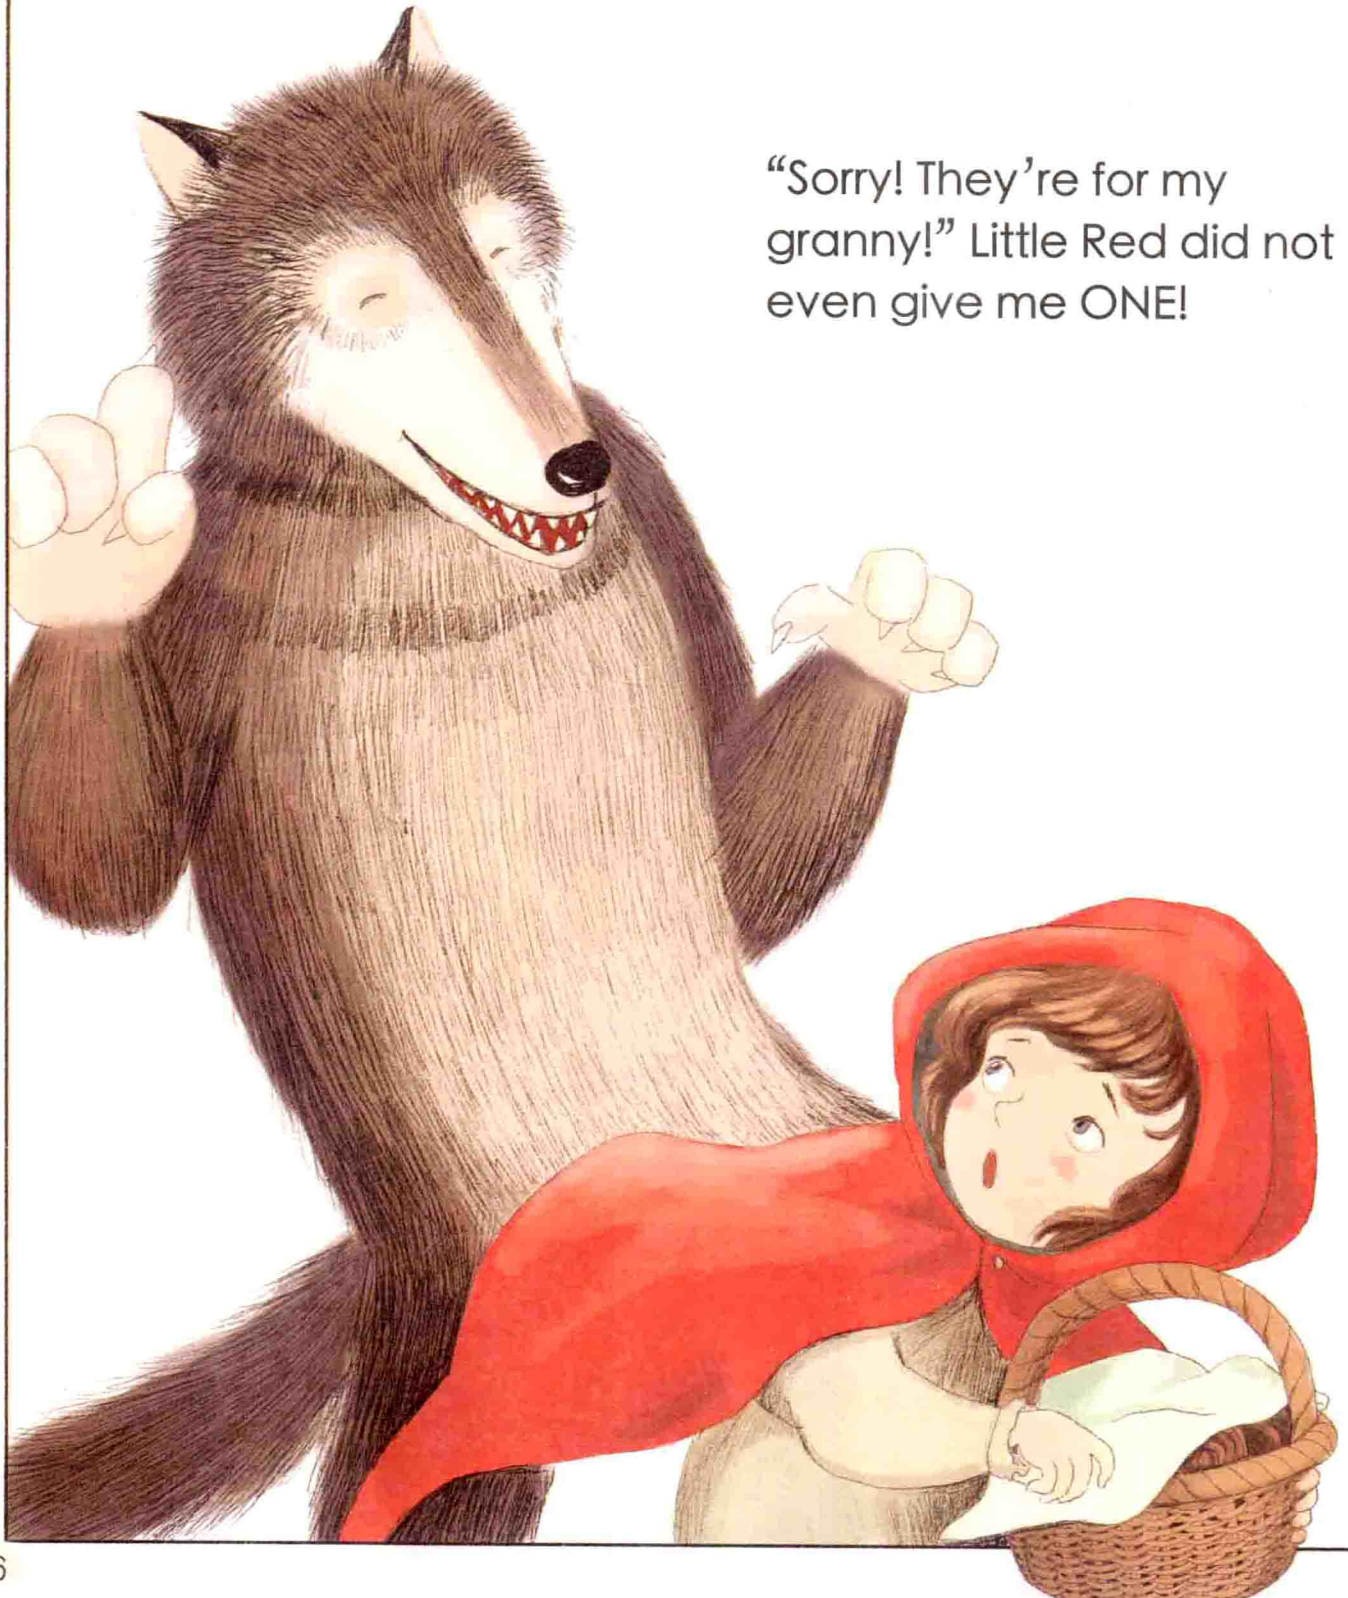

I followed the smell until I met Little Red.
“How are you doing, Little Red?” I said.
“I’m alright. Thank you!” Little Red was
very polite and lovely.

“Could you give me ONE cookie?”

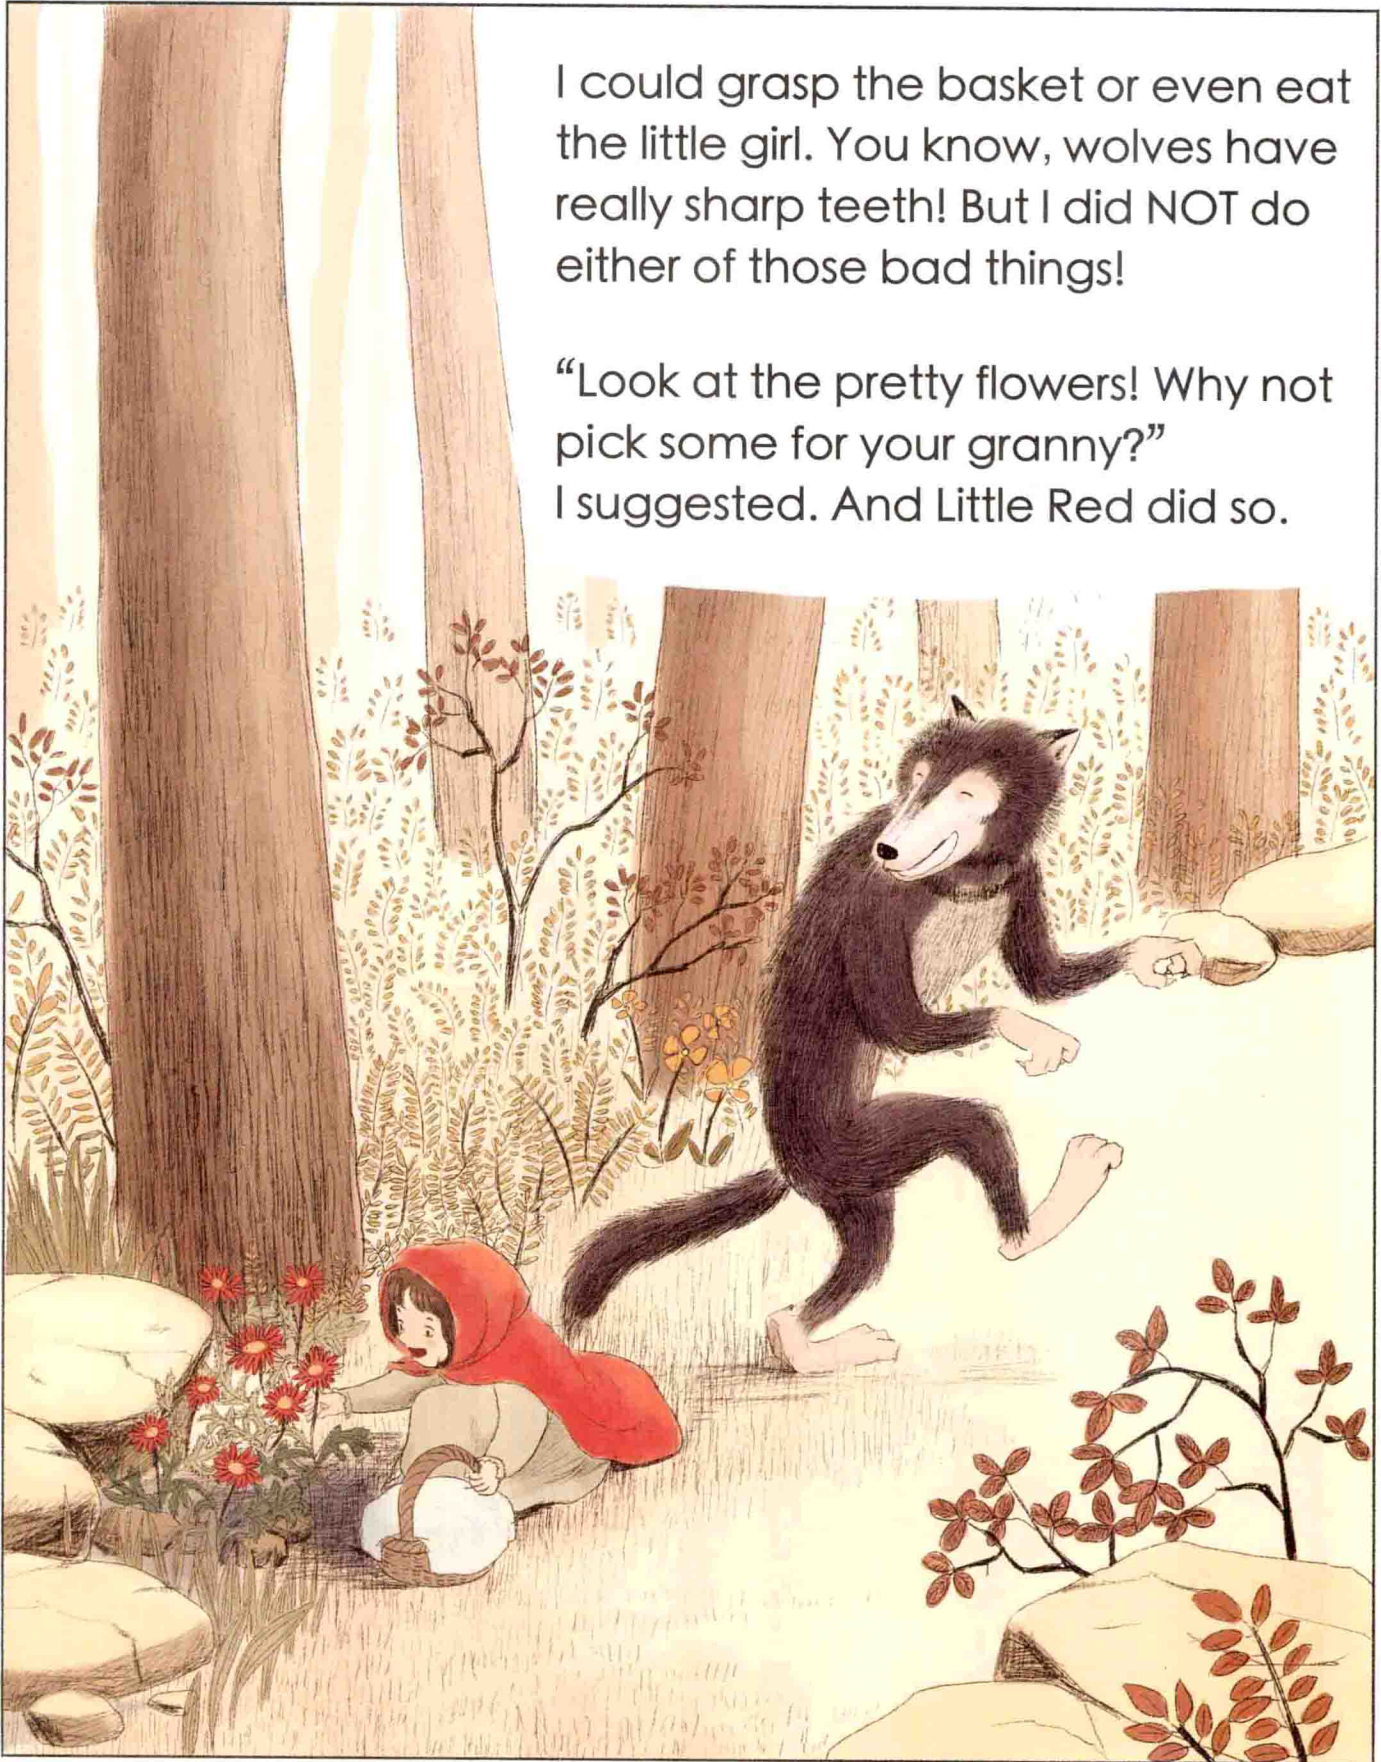

If I ate ONE cookie, I would know how to bake it.

“Sorry! They’re for my granny!” Little Red did not even give me ONE!

I could grasp the basket or even eat the little girl. You know, wolves have really sharp teeth! But I did NOT do either of those bad things!

“Look at the pretty flowers! Why not pick some for your granny?” I suggested. And Little Red did so.

I hurried to her granny's house. Maybe I could ask the old lady for ONE cookie. Just ONE!

“Could you...?”

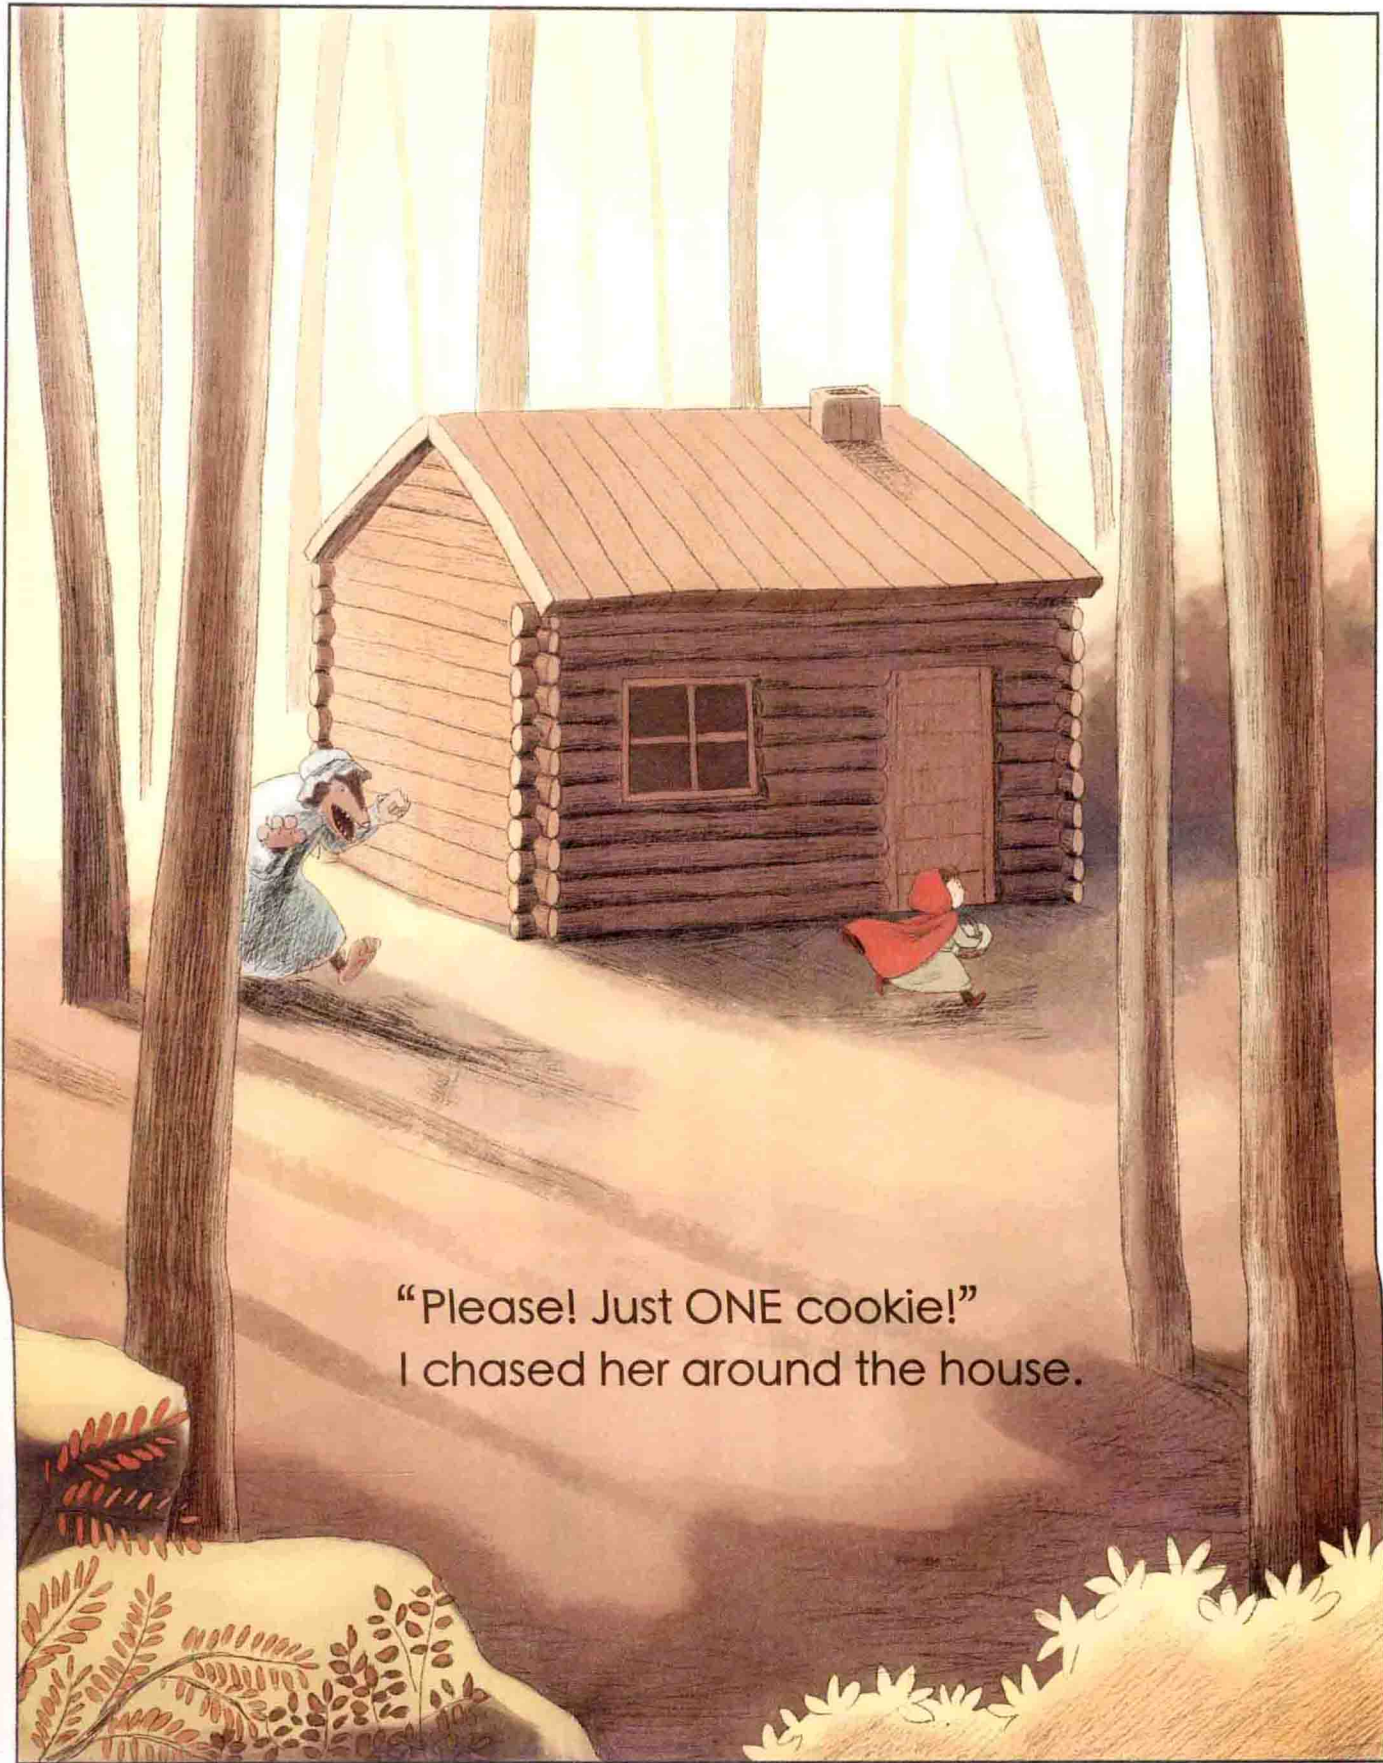

When I ran into the house,
the old lady was sleeping.

What could I do? I could not
wake up an old lady for ONE cookie.
So I gently put the old lady under the bed
and dressed like her. I was sure that Little Red
would give her “granny” cookies.

You know the rest.
The little girl was very clever.

“Please! Just ONE cookie!”
I chased her around the house.

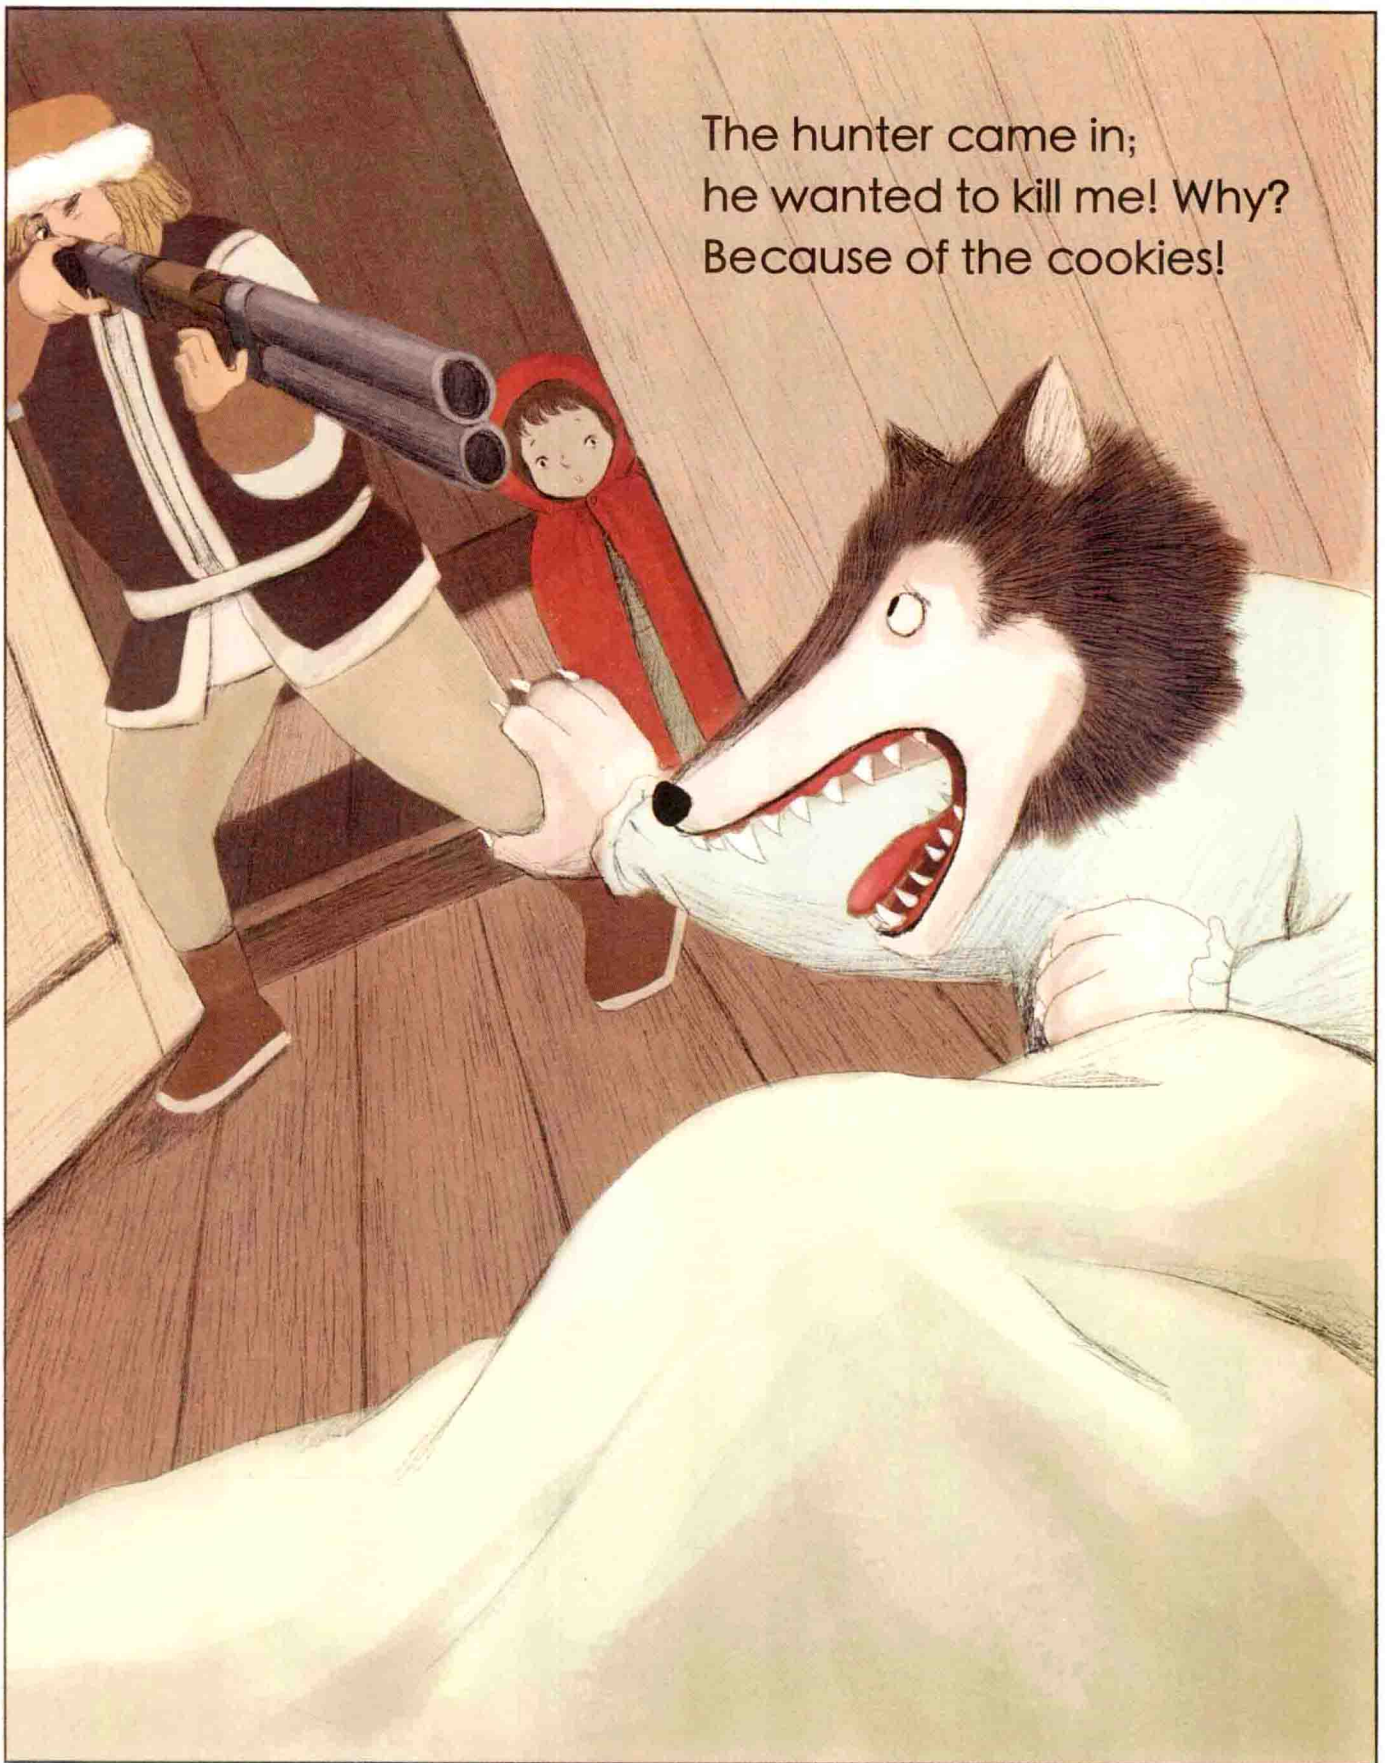

At last, I got my cookies.
“How delicious!”
I ate one after another.

Then I took a little rest
in bed, but...

The hunter came in;
he wanted to kill me! Why?
Because of the cookies!

“That is the true story!
Believe me!”

“It’s all because of
ONE cookie!”
