PREFACE 序

Just as each and every one wants something different, so too are great interiors which reflect these desires in an abundance of colors, styles and unique flavors. From ocean sunsets to mountain vistas, our homes have the ability to transform our experience by capturing the spirit and essence of these beautiful settings. Residences of this nature provide a distinctive opportunity to not only enjoy this environment for ones self, but also an extraordinary opportunity to share these with others. The creative art form of interior design has the ability to transform an otherwise ordinary home into a unique experience for the homeowners and guests alike. By understanding the homeowner's desires for what they want their home or retreat to feel like, the homes interiors and exteriors can unfold into something very special. For those that have families or like to entertain often, their personal space is a physical manifestation of their inner spirit and capturing that spirit is what makes a superb design. These beautiful homes and spaces are what create the memories of today and for years to come. Adults often think fondly of places where they would visit as children, so the ability to create these memories with design is a truly powerful.

Throughout each different client residence, most remark on the unexpected twists in the space and use of color. Color has the ability to transform not only the spaces themselves, but also the spirit of those living or visiting the home. The attention to detail is what all of these clients constantly comment upon time and time again.

The Resort Inspired Living residence was conceived as a home that was sophisticated, unexpected and fun. The home was designed and crafted as a retreat, inspiring a private resort vibe to energize the homeowners that travel frequently for business. This unique property received a complete makeover with the projects deadline being featured on the Palm Springs Modernism Home Tour followed by the homeowners 50th birthday bash the following weekend. With these two important deadlines and with the understanding that hundreds of important and influential visitors would be coming to the home, great care was taken to ensure they would love what they experienced. The concept of anything expected in a mid-century modern home was immediately discarded and the home became a labor of love. The home is furnished with room after room of custom furnishings, designed and crafted to achieve the unexpected, sophisticated and fun look and feel.

正如每个人都想要不寻常的东西一样，好的室内设计也通过大量的色彩、风格及独特韵味来体现其欲望。从海上落日到山林远景，我们的家园拥有一种能力，通过捕捉这些优美环境的精神与实质，转换自身的经验。这种性质的住宅为人们提供了一个与众不同的机会，不仅可以达成自我享受的氛围，而且还可以与他人尽情分享。

室内设计中创造性的艺术形式可以将一个普通住宅变为屋主与访客们的独特体验。通过理解屋主希望他们的家成为什么样子，室内与室外设计便能够崭露头角。对于那些家庭成员众多或非常好客的人来讲，他们的私人空间就是他们内心思想的物理表现，如何抓住那种思想精神即是一个优秀设计的关键。这些出色的屋宇和空间创造了今天以及未来几年内的记忆。成年人总是怀念着那些他们儿时可以去的地方，所以用设计来创造这些记忆是一种真正强大的能力。

纵观每个客户的住宅，谈论的焦点大多在于出乎意料的空间转折与色彩运用。色彩不仅能够实现空间本身的切换，而且可以改变居住者及来访者的心境。所有客户都在一次又一次地强调对细节的关注。

灵感生活度假村的构思精细复杂、出乎意料并且充满乐趣。家里是按照休息寓所设计并打造的，激发了一个可以为经常出差旅行的屋主供给能量的私人度假氛围。这独特的性能赢得了一个完整的改造项目，最后期限是棕榈泉现代家园之旅，紧随其后是下周——屋主的50岁生日。有了这两个重要的截止日期，加上已知将会有数百名重要、有影响力的访客莅临，一切都处理得异常谨慎，以确保他们会喜欢所经历的事物。中世纪现代家庭所希冀的一切概念立即被弃如敝屣，这个家变得心甘情愿、甘之如饴。一间又一间屋子内陈列着定制的家具，精心设计及制作，成就那意料之外、复杂精致且乐趣横生的观感。

本套公寓位于法国巴黎的圣日耳曼大道，通过Ando Studio的精心布置向我们展现了室内空间的设计潜能。公寓试图保留法式风格的精神，在布局上凸显轴线的对称，大气典雅的格调和豪华舒适的居住机能。空间整体以黑白色调为主，渲染出干净、内敛的纯净氛围，而在灯光和自然光线的

照射下，光影浮动，明暗对比鲜明，带来愉快的视觉享受。此外，在细节上，地板、家具和艺术品等通过简练的现代线条，独特的造型给予空间新颖时尚的转变。

In the entrance hallway, the drawing on the pure white wall brings you into an artistic space of black and white, while the image of a lady in the painting slanted laid beside the door is faintly walking towards you, mysterious and charming. The delicate carvings on the walls and ceilings are natural and unique, which shows the designer's emphasis on details. The lines of the wooden display end table are clear and fluent, combined with the laying of several living illustrations and art ornaments, adding some literary flavor. While leather cushion is adopted in the long bench at another end of the corridor, full of texture. The overall space is harmonious, bright, generous and concise.

入口走廊内，纯白墙壁上的挂画将人带入一个黑白的艺术空间，而门口斜放的一幅朦胧的女士影像仿佛正在向你徐徐走来，神秘、妩媚。墙壁及天花板上的精致雕花自然、别致，展现了设计师对细节的考究。木质的端景台线条清晰流畅，加上几幅生活插画及艺术装饰品的摆放，增添了些许文艺气息。而廊道另一端的长条椅采用了皮质坐垫，极具质感。整个空间和谐、明亮，大气、简练。

In the living room, the first view that jumps into your eyes is the black and white painting on the main wall, of which the well-proportioned arc-shaped lines form strong impact on visual sense. Silver candlesticks, iron wheel gears, metal counters, square stools and other antique objects create a vintage flavor, while the lamps and decorations with unique modelings on both sides of the cabinet insert a modern abstract atmosphere. The black and white stripes on the sofa and cushions echo with the painting on the wall, which makes the whole space harmonious and unified, while the violet sofa adds the vitality. The mirror frame with golden edge used on the other end of the living room shows the luxury totally. The anthropomorphous phantom, coral ornaments and portrayal increase the artistic atmosphere. The collocation of different materials enriches the layering of the space, creating a sense of comfort.

客厅内首先跳入眼帘的便是主墙面的黑白画，错落有致的弧形线条在视觉上形成强烈的冲击力。银质烛台、铁艺齿轮、金属柜台、方形凳等古风器物营造了复古风情，而柜台两侧的灯具和装饰物造型奇特，注入了现代抽象气息。沙发和抱枕的黑白条纹与壁画相呼应，使空间和谐统一，而紫色沙发的加入增添了活力。客厅的另一端则运用了金色镶边的镜框，尽显奢华，桌面上的人体模型、珊瑚装饰品和画像则更添艺术氛围。不同材质的搭配丰富了空间的层次，营造了舒适感。

The dining room continues the simple color tone again with black, brown and suntan throughout the entire space. The elaborate combination of unique figure painting, metal mirror frame, stature of human head, old clock, metalware and silver candlesticks render the royal manner and exude a sense of mystery within the simpleness by changing the traditional complex texture. Two delicate

餐厅同样延续了简单的色调，白色、褐色和棕色贯穿了整个空间。独特的人物壁画、金属镜框、人头雕像、旧式闹钟、金属器皿和银质烛台的精心组合渲染出皇室风范，然而却一改传统的复杂肌理，在简单中又带着一股神秘感。两扇精致的雪白大门，位置恰到好处，把室外阳光巧妙地引

snow-white gates are well positioned, bringing the outdoor sunlight artfully into the dining room to ensure adequate light. The design of the droplight is innovative and reminiscent of aeolian bells. It's seems that you could hear the ringing sound when the breeze flows over, which makes the original solemn style look more fresh, creating a joyful flavor.

进餐厅，光线充足。吊灯的设计新颖，让人想起风铃，仿佛微风吹过便会发出清脆的声响，这样一来原本肃穆的格调，又显得清新起来，营造了愉悦的意境。

The bedroom gives people a pristine sense without any complex and luxurious carvings, creating a comfortable rest space by using simple and harmonious colors. This kind of style is also suitable for reading, for example, you could enjoy easily the pleased life when picking up a favorite book conveniently, sitting on the white sofa. The peculiar lamp on the bedside table unconsciously reminds people of the old Chinese abacus, which is full of classic flavor, while the egg-shaped

卧室给人一种古朴的感觉，没有繁复的华丽雕饰，而是运用简单、协调的色彩创造了舒适的休憩空间。而这种格调，同样很适合阅读，坐在白色的沙发上，随手拿起一本喜爱的书籍，便可轻松享受惬意生活。床头柜上的台灯别具一格，不觉让人想起中国的老式算盘子，看起来充满古典韵

The two mirrors on the wall of the bathroom are full of characteristics. The frame of the mirror is superimposed and combined orderly by metal pieces, whose simple forms and materials reflect unique visual effect by collocation. While the design of the wooden wash basin also attracts one's eyes, bringing some modern and fashionable taste. Otherwise, the naturally hung lamp

浴室墙壁上的两面镜子极具特色，镜子的外框由金属片依次叠加组合而成，简单的形状和材质却搭配出独特的视觉效果。而木质洗手台的设计同样吸人眼球，带来那么一丝现代时尚潮流的味

jewelry box adds noble flavor. The ornaments on the wall of the counter adopts the round mirror surface and metal frames, which seems like playing a melodious song from the trumpets one by one. The waving branches and leaves of the lush metal plant laid on the cabinet are seemingly dancing with the lady in the frame in the beautiful music.

味，而一旁的蛋形珠宝首饰盒则平添了高贵的气息。柜台墙面上的装饰物采用了圆形镜面加金属边框，就像一个个的喇叭，仿佛正在播放着一首悠扬的曲子。而柜台上摆放着一株茂盛的金属植物，它随意摆动的枝干和叶子似乎在美妙的音乐里与相框中的那位女子一起舞动着。

is like being clustered round by flowers. When lying in the pure white oval bathtub to see such a blooming flower, you are just like bathing in the flowering shrubs with the fragrance of flowers throughout the air.

道。此外，那盏自然垂吊的灯就像被簇拥在花朵中一样，躺在洁白的椭圆形浴缸中看着这样一朵盛开的花儿，仿佛沐浴在花丛中，而空气中满是花儿的清香。
