One day,
Danny came home from school.

He walked into the kitchen.
There was a chocolate cake!
It looked so yummy.

He ate up the cake at once.
"Danny! Don't touch that cake!"
Daddy shouted.

" I didn't... I didn't!"

Danny swallowed the last bite of the cake.

"I didn't touch it... I ate it hahaha!"

he thought.

Suddenly, loads of frogs fell down from the ceiling,
right onto Daddy's back.

He started screaming like a little girl.

Daddy is scared of nothing...

except frogs.

Daddy and Danny hopped all over the kitchen,
trying not to step on the jumping frogs.
But the frogs were following Danny everywhere!

Daddy slipped on one frog,
and fell down, knocking over the table.

Eggs, sugar, milk, batter...

Everything on the table fell right on Daddy's head,
making him look like a giant cake monster!

Danny rushed out of the house in fear.
His friend, Harry was passing by,
“Danny! What’s going on with all these frogs?”

Danny cried,
“Frogs rained down from the sky!”

Harry laughed, " No way! You must be lying!"

"It did rain frogs!" Danny said.

"Liar! Liar!" Harry sang.

"No! I'm not! If I were lying,
I would be farting rainbows!"

Danny claimed.

Suddenly, loud, stinky,
rainbow-colored farts
flew out from him
with every step he took.

He kept farting as he ran.
“What’s wrong with me?”
Danny cried.
