$\alpha$  is.....

$\alpha$  is the first word in the Greek Alphabet which is one of the oldest alphabet in the world.

$\alpha$  is equivalent to A in English language, and it is often used to mean "No.1" or "the best".

This book does not just present you the wide range of hair fashion and the latest fashion tendencies but also gives you the wide collections of more practical hairstyles which are rearranged and redesigned from the progressive and fashionable hairstyling ideas.

" $\alpha$  Hair illustration" the book of illustrated hairstyles, which presents you the  $\alpha$  class hairstyles. We strongly believe that this book is worthy of its name, " $\alpha$  Hair illustration."
