## FOREWORD

2020年春节前夕，县委宣传部领导安排一件事，要求在新出版的《萧县城市变迁》一书的基础上，再出一本宣传推荐萧县的画册。当今社会，人们生活节奏加快，审美需求不断提高，阅读是一个复杂的精神会餐、综合充电。因读者文化修养、职业特点、年龄层次不同，有人热衷“不散的宴席”，有人喜欢“经济快餐”，如何才能让不同的读者接受和喜欢本书，我思忖许久。后来，还是愉快地接受了任务。

2020年2月，“疫”情影响着全国各地，党中央发出抗“疫”号令。此时，我和同伴也开启了翻阅、采集反映萧县历史相关书籍图册的“征程”。面对“文山图海”，我也有些茫然，“针金”到哪里打捞？此时，我们从视频上看到湖北武汉抗“疫”前线的白衣战士们告别亲人，远离故土，每天都把生的希望送给别人，把死的风险留给自己……这些更加激励我们待在房子里做好案头工作，起码也平衡了个人心理上的一种需求。县委宣传部领导和同志们也给予热情鼓励，使我们坚定信心，一气“隔离”五个多月，伴随抗疫取得阶段性胜利，画册也成了“模样”。

《萧县城市变迁》是我主编，由中国人民大学出版社出版发行的，它记载了萧国2700多年以来的城市变迁历史、事件和人物。而这

本画册用图片表达萧县在复兴过程中展现的思想、情节与美感，让读者在阅读中见理、见情、见美。理，即萧县发展振兴的道理；情，即萧县人民追求文明富强、建设家乡的情；美，即萧县山水园林美、现代建筑美、文化繁荣美、蓬勃发展美、和谐社会美，地美物美人更美……两本书一个记载城市变迁，一个表现经济复兴。一本用城市变迁对接古今，另一本用“大美”串联远古文明与当代辉煌。故命名这本画册为《萧县大美辉煌》，意在与前者成为“姊妹”篇。希望这本画册在萧县扩大外向度、提高知名度和美誉度方面发挥作用，对弘扬传承萧县古今文明产生积极影响，通过回首历史“脚印”，目睹新时代大美辉煌，更加激励萧县人民追梦下一个“一百年”！

《萧县大美辉煌》内容划为分四部分。一是萧韵悠长：记述炫彩夺目的萧国建立，文明的鼎盛与消亡历程；萧县文史丰厚，历代遗存文物瑰宝数不胜数；倒流河畔，史前文明遗存耀眼夺目；萧地名人如群星飞驰，光彩照人；近代以来，萧县人民英勇无畏、不屈不挠的革命斗争精神及光荣传统代代相传。二是萧韵复兴：中华人民共和国成立后，萧县在百废待兴中缓慢发展；20世纪六七十年代，萧县在风云激荡中曲折发展；20世纪八九十年代，萧县在改革开放中加快发展；党的十八大以后，萧县在新时代飞速发展，实现全面小康。三是萧韵福地：现在的萧县呈现众多的优势和“亮点”，如通衢

四方、创业热土、优雅人居、名优特产、旅游胜地，堪称一方“风水宝地”；萧县召唤着萧籍的游子回归兴业，张开臂膀欢迎海内外有识之士，共商发展大计，共谋宏图大业。四是萧韵辉煌：萧县是全国投资潜力百强县、国家园林县城、中国书画艺术之乡、全国体育先进县；萧县是和谐幸福的家园；萧县人民不忘初心，牢记使命，让复兴的旗帜高高飘扬！

《萧县大美辉煌》见证萧县复兴，见证中华民族伟大复兴。画作《复兴的气韵》不单是这本画册中的一道风景，更是萧县人民的中国梦。

历史需要铭记，文明需要传承，辉煌需要讴歌。让我们用匠心纪录时代，纪录萧县，让富饶美丽的萧县在新的时代更加璀璨夺目、熠熠生辉。现在怀着忐忑不安的心情献上《萧县大美辉煌》这本画册，就教于读者。是为序。

2020年6月

Before the 2020 Spring Festival, the head of the publicity department of the County Party Committee required the publication of an album to promote and recommend Xiao County on the basis of the newly published book *Urban Changes of Xiao County*. In today's society, our pace of life is accelerating and aesthetic needs are constantly improving. Reading is a complex spiritual meal and comprehensive charging. Due to the differences in cultural backgrounds, professional characteristics and age levels, readers' tastes of reading also differ from each other, some are keen on "never-ending banquet", some are fond of "economic fast food". How to make them accept and like this book has been sticking in my mind for a long time, but finally, I accepted this assignment with joy.

In February 2020, when the epidemic affected every corner of the country, and the Central Committee of the CPC called for combating COVID-19, my partner and I were just on the "journey" to browse and collect books and atlases reflecting the history of Xiao County. In the face of countless materials, I did feel at sea. However, at this moment, we saw the medial staffs leave their families, their hometowns to the front line-Wuhan(Hubei Province). Everyday they gave the hope of life to others, but kept the risk of death to themselves... This situation motivated us to stay indoors and do our desk work, at least by this way our personal psychological needs were fulfilled. The publicity department of the County Party Committee also gave enthusiastic encouragement, which

made us more confident. After “isolating” for more than five months, with the phased victory of fighting against the epidemic, our album also took shape.

*Urban Changes of Xiao County* is mainly edited by me and published by China Renmin University Press. It records the history of the city, events and personages over more than 2,700 years. And this album uses pictures to express the idea, story and beauty of Xiao County in the process of revival, so that readers can see the reason, feeling and aesthetic when reading. Reason, namely the reason why Xiao County develops; feeling refers to the people of Xiao County’s pursuit of civilization and prosperity, and their wish to construct the hometown; aesthetic refers to the beauty of landscape gardens, modern architectures, cultural prosperity, vigorous development, harmonious society, the beauty of the land and people, etc. One records the urban changes while the other shows the economic revival; one connects ancient and modern times with urban changes, and the other connects ancient civilization and contemporary splendour with great beauty. Therefore, this album is named *Splendour of Xiao County*, with the intention of becoming a companion volume to the former book. It is hoped that this album will not only play a role in expanding the outward influence of Xiao County, improving its popularity and reputation, but also have a positive impact on promoting the ancient and modern civilization of Xiao County. By looking back on

the “footprints” of history and witnessing the great beauty and splendour of the new era, the people of Xiao County will be more inspired to pursue their dream of the next “100 years”!

*Splendour of Xiao County* is divided into four parts. The first is the Xiao County with Lingering Charm, which describes the establishment, prosperity and extinction of the state of Xiao. Xiao County is rich in culture and history, with numerous relics and treasures left from the past. Along the river, the remains of prehistoric civilization dazzle. Celebrities in Xiao County are as radiant as flying stars. Since modern times, the people of Xiao County have passed on their brave and indomitable revolutionary spirit as well as glorious tradition from generation to generation. The second is Xiao County’s Revival. After the founding of the People's Republic of China, Xiao County developed slowly and tortuously in the 1960s and 1970s. But in the 1980s and 1990s, Xiao County accelerated its development in the process of reform and opening-up. After the 18th National Congress of the CPC, Xiao County developed rapidly in the new era and realized a well-off society in an all-round way. The third is Xiao County-Land of Fortune. Xiao County now presents many advantages and highlights, such as convenient transportation, homeland for starting businesses, elegant civilian residences, special local products, and tourist attractions. It’s worth calling a “geomantic treasure land”. Xiao County is appealing people born here to return and opening

arms to people of vision at home and abroad to discuss development plans together. The last is Splendour of Xiao County. Xiao County is one of the top 100 counties with investment potential in China, the national garden county, the hometown of Chinese painting and calligraphy art, and the national advanced county of sports. Xiao County is a harmonious and happy home. People of Xiao County never forget their original intention and mission. They are making the flag of revival fly high!

*Splendour of Xiao County* is a witness to the revival of Xiao County and the great rejuvenation of the Chinese nation. The painting *Revival* is not only a scenery in this album, but also the Chinese dream of Xiao County's people.

History needs to be kept in mind, civilization needs to be inherited, splendour needs to be eulogized. Let's record the time and Xiao County with our ingenuity, so that the rich and beautiful Xiao County will be more shining in the new era. Now with an anxious heart, we present this album-*Splendour of Xiao County* to all of you.
