前言

《北京考研英语命题猜想考前作文狂背 8 篇》是根据最新英语考试大纲的要求，融合了权威考研辅导专家的经验，根据当前社会热点、焦点问题，深入分析多年命题趋势，为最后冲刺阶段的考生精心构思而打造的写作精品。本书为 10~12 月重点规划课题项目，由北京考研班中青年骨干教师亲自执笔。

“考研狙击手”系列是教育部有关资深命题专家考前 20 天预测·狂背·狂练系列，素材新颖，信息凝练，知识点高度浓缩，属于超簿透明版类型，是冲刺阶段罕有的命题预测演练的精品。

考生前期的写作复习是作文与阅读并重的过程：以读带写，用写助读，因此能够使写作基础扎实同时提高写作能力。但是在后期，我们一定要改变策略，转换思维——**背诵与模仿是考生在后期快速有效地强化写作能力、提高考试成绩的良方。**“句子错误少，句型少不了，成绩要提高，狂背是高招”！

考研英语写作不仅要求考生宏观上把握文章的结构布局，而且要求考生从微观上把握句式的变化及词汇的正确使用。许多考生要么无话可说，无从下笔；要么千头万绪，不知从何说起。写作的过程保证结构层次清楚、内容切题、语言规范、用词准确、句式多变、字数达标及字迹工整且简洁。要在有限的时间内照顾以上诸多因素，实属不易之事。

我们博采众家之所长，认真分析了近年来考研英语写作发现：

1. 写作选题范围从子女与父母的关系到健康的重要性，泛滥的行业“承诺”到世界烟民的现状，从希望工程到电视广告，从环境保护到生物种类陷于灭绝，以及 2005 年和 2006 年所考的涉及养老与青少年思想教育的题目，无不反映了当前社会的热门话题。

2. 文体基本上以说明文和议论文为主。

3. 多样化的出题形式。

4. 写作题目易于理解而不会影响正常发挥。

本书特点:

1. 俗话说:“熟读唐诗三百首,不会写诗也会吟”,大考在即,惜时如金,我们为考生精心选择共 24 篇具有很强的预测性的大小优秀范文供考生背诵。

2. 范文中一些写作常用词汇给出其相关释义及读音,并同时划出重点短语或句型,以便碰到类似作文时可以借鉴,灵活使用。

此外,特别推荐本书中的部分图画作文:

★ 长城是谁“哭”倒的

背景:反映古代文明与现代文明之间的冲突,孰重孰轻……

★ 招聘挑夫

背景:当今社会多数求职者所遇到的尴尬困境……

★ 羡慕

背景:不同社会阶层的人的不同心态……

★ 食堂即景

背景:勤俭节约的习惯无论在何时都应保持……

★ 猫捉老鼠“歪”评

背景:通过现象看事物的本质才能正确认识事物……

★ 毕业之后……

背景:每个大学生在毕业之后又将开始一个新的人生旅途……

★ 台球赛

背景:理论知识应该指导实践,更应该用在适当的时间和地点……

最后,我们衷心希望考生能从本书中发现精髓,背以致用,能够在即将到来的考试中取得理想的成绩!

Your friend is preparing to go abroad for further development. But he/she understands that there are also opportunities at home. So it is hard for him/her to make a final decision. Now write a letter to him/her to

- 1) express your thanks for his/her trust,
- 2) give your opinions, and
- 3) offer him/her your suggestions.

You should write about 100 words on ANSWER SHEET 2. Do not sign your own name at the end of the letter; use "Li Ming" instead. You do not need to write the address. (10 points)

范文

Dear Wang Ling,

I was delighted to receive your letter of last week. Thank you for your trust, **but** I still feel sorry to hear about your dilemma. **Surely** I understand that it is not easy to obtain such an opportunity to go

abroad for your further development. **So** it is not intelligent to persuade you to give it up. **But** I also want to say that you can achieve equal success at home. Recent years have witnessed great changes in our country. **First**, the reform and open policy makes it possible to get to know the latest progress in the world. **Second**, the fantastic development of economy offers us more opportunities to display our talents. **So**, my suggestion is that you may stay at home and make great efforts to achieve what you want. **Then**, I believe, you will equally amount to much.

Yours very truly,
Li Ming

Study the following cartoons carefully and write an essay entitled "The Heartbreaking World Cup Journey"

In the essay you should

- 1) interpret the meaning of the cartoon,
- 2) give your comment on the phenomenon, and
- 3) suggest your solutions.

You should write about 160~200 words neatly on ANSWER SHEET 2. (20 points)

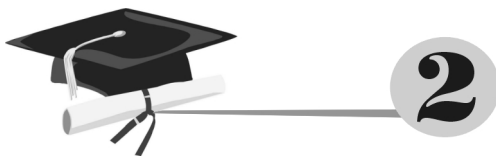

范文

The sharp contrast before and after the World Cup journey aggregates to such an extent that it makes every Chinese heartbroken, sets all of us thinking of the present situation of the soccer industry in our country and makes us realize that our overall level has been lagging far behind not only the traditional soccer giants such as Brazil and Germany, **but** also the new uprising neighboring nations such as Korea and Japan.

The national soccer games, **although** run for several years, have not embarked on the right track even in the eyes of the outsiders. A new healthy mechanism should be implemented, with soccer experts who love the industry and aim at devoting himself to its betterment occupying key posts. **Moreover**, the government should further help the establishment of soccer schools and training centers in different places and at all levels, so as to provide ample opportunities for talented kids to grow up and distinguish themselves. **Also important is that** the audience—experts and fans alike—should keep on supporting the team by giving reasonable advice instead of never-ending cursing and criticizing. The national spirit, **most important of all**, should be engraved in the hearts of the players so as to encourage them to fight for dignity and honor of the whole nation.

If we can accomplish all those elaborated above, we can keep the ball rolling in the expected direction, and the realization of our dream will not be too far away.

范文

Dear Sirs,

After reading the news about some American university holding a three-month English course for overseas students in the newspaper, I want to offer myself this good opportunity.

My name is Li Ming and I'm twenty years old, male, unmarried. I'm 1.75 meters tall, strong and healthy. I'll graduate from Huaxing University in July next year. I have been learning English for six years. My spoken English is still not fluent enough although I can write in English quite well. I'm planning to study abroad after graduation but first of all I must pass TOEFL & GRE. **Therefore**, I suppose attending your short-term training should help me improve my oral English level and enhance my language sense at the same time. Will you please tell me the schedule arrangement of the course and the specific location of the classroom and send me an application form if possible?

I'll greatly appreciate it if I can be given the chance.

Waiting for your reply. Thank you!

Sincerely,

Li Ming

范文

As shown in the picture, a man who stands for the migrant workers, is playing the guitar while singing hoppingly, and his only listener is a cattle, which is the symbol of the company which the migrants work for. This is the vivid performance of the old Chinese idiom: playing the guitar for the cattle. It's no doubt that the worker's effort to take back his salary is totally in vain.

It revealed the phenomenon that is prevalent in society recently: some companies delay paying for the migrants' workers. The possible reasons may be concluded as the following: **Firstly**, most companies are involved in so-called triangle debt, in other words, they fail to get money from their business partners. **Secondly**, migrants belong to the weak group in the city, some bosses exploit them by delaying the salary on purpose. **Consequently**, the less-privileged migrant workers could not be paid though they work very hand.

Confronted the problem, my suggestion is that it needs both the effort of government and the migrant workers. **On the one hand**, the government should take some measures to protect the migrant workers; **on the other hand**, the migrant could take the arm of law, to win pack his legal right. Only in this way, could these poor workers obtain justice.

You should write about 160~200 words neatly on ANSWER SHEET 2. (20 points)

范文

In the given picture, there are four members of a three-generation family with their faces upward, for they are looking at an apartment house overhead with yearning eyes.

Clearly the apartment building cannot be built in the sky. Here the painter is just comparing the difference between the house's price and the family's income to the one that is between the heaven and the earth. **The problem the family in the picture faces** is also worrying most other families who live mainly on salary. How can they afford a house at the price of 7,000 yuan per square meter? **As a result**, complaints about the housing allocation reform rise everywhere, which undoubtedly **add to** the difficulty in carrying out the reform.

To help the salary families out of their dilemma and to carry out the reform smoothly, we must improve our system of welfare housing allocation. **My suggestion is that** the state should intervene more into the management of real estate; the government should **take measures to** make sure that there are also appropriate houses for salary families besides those for the rich. **Also**, the state allowance and loan will be of a great help to the common people when they plan to buy a house.

范文

This is a very ironic picture. From the signboard marked in the picture we may see it is a bleak scene of a tree farm. With all the trees cut off, there is nothing but some bare stakes on the ground. That is indeed a grief for the farm. Ironically, such a treeless farm is awarded a prize for its outstanding achievement: A fire security enterprise!

By using the title “A Delight in Grief”, the artist of this picture offers the reader a bitter satire to the bureaucratic working style in our society. How could it be that a bankrupt tree farm wins the title of excellent enterprise?

As the English saying goes, there is no smoke without fire. So is the case of a tree farm, there is no fire without wood. The bureaucratic officials do not go down to the grass roots. They make decisions based on data and statistics at hand, some of which have long outdated. No wonder they have committed such ridiculous blunder. In my opinion, a delight in grief as shown in this picture is no delight at all, but a miserable mischief.

Dear Liu Hong,

I am delighted to learn that you are coming home by the end of this year. It is my pleasure to tell you something about the weather at home. **In my opinion**, it will be the coldest time of the year by the time you arrive at home. **On the one hand**, it is winter here at home and the weather here in winter is usually cold and dry. **On the other hand**, it often snows and has strong winds this time of year.

As to the average temperature, it is 0℃ during the day and even colder at night, I suggest that you should wear warm clothes filled with eider and warm leather shoes, if you need any further information about home, don’t hesitate to ask me. It is unnecessary for you to worry about the heavy luggage, because I will meet you at the airport. **In addition**, we can exchange ideas about travelling. 范文

In the picture, a man is sitting on a foundation stone engraved with eight Chinese characters that denote the protection of private property. It's then clear that the foundation stone refers to the Chinese constitution, which has given a strong protection against all kinds of illegal infringement.

This picture vividly illustrates the significant event that the 16th National Congress of the CPC enacts a law to protect people's private property. **In the past**, property was only confined to public property in China. But since the reforming and opening, people's increasing private property has drawn attention and it has become urgent for it to be protected by laws. The existing constitutional provisions of private property have, **however**, become outdated and the principle of sacred right of property should be reinterpreted. **To be exact**, the protection of private property should be inscribed
