Why Debate?

What Is Debate?

What is debate? Debate is a form of communication where two or more people express their views on a particular topic. It is a way of exchanging ideas and opinions. Debate is often used in schools, universities, and in the workplace. It helps to develop critical thinking skills and allows people to learn from each other. Debate is also a good way to practice public speaking and to build confidence. In a debate, participants are expected to listen to each other, respect different viewpoints, and provide evidence to support their arguments. Debate is a valuable skill that can be used in many different situations.
